FOR THE MUNICIPAL YEAR ENDING DECEMBER 31, 1932

WARRANT FOR THE ANNUAL TOWN MEETING

Monday, March 14, 1932

Commonwealth of Massachusetts

Norfolk, ss.

*To either of the Constables in the Town of Needham in said County,
Greeting:*

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Needham qualified to vote in elections and in Town affairs to meet at the Town Hall in said Town on Monday, the fourteenth day of March, 1932, at forty-five minutes after six o'clock in the forenoon, then and there to act upon the following articles, viz.:

Article 1. To choose by ballot the following Town Officers: three Selectmen for one year; one Moderator for one year; one Town Clerk for one year; one Town Treasurer for one year; one Collector of Taxes for one year; one Assessor for three years; two members of the School Committee for three years; one Water Commissioner for three years; one Water Commissioner for one year to fill vacancy; one Sewer Commissioner for three years; one member of the Board of Health for three years; one member of the Department of Public Welfare for three years; two Trustees of the Public Library for three years; one Trustee of the Public Library for two years to fill vacancy; two Trustees of Memorial Park for three years; one member of the Planning Board for five years; one member of the Planning Board for one year to fill vacancy; one Park Commissioner for three years; one Commissioner of Trust Funds for three years; two Constables for one year; one Tree Warden for one year, and on

Monday, the twenty-first day of March, 1932

at seven-thirty o'clock in the afternoon then and there to act upon the following articles, viz.:

Article 2. To choose and appoint all other Town officers in such manner as the Town may determine.

Article 3. To hear and act on the reports of Town officers and Committees.

Article 4. To see what action the Town will take relative to unexpended balances and deficiencies of 1931.

Article 5. To see what disposition the Town will make of the money received from dog licenses.

Article 6. To see what sums of money the Town will appropriate for the necessary Town charges and expenses.

Article 7. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of revenue of the current financial year.

Article 8. To see if the Town will vote to transfer the Surplus of the War Bonus Fund received from the State, to the Municipal Indebtedness account to be used in payment of bonds becoming due in 1932, or pass any vote or votes relative thereto.

Article 9. To see what action the Town will take relative to the salaries of its Town officers.

Article 10. To see in what manner the Town will have its taxes collected and fix the compensation therefor for the current year.

Article 11. To see if the Town will vote to transfer fifteen thousand, three hundred twenty-two dollars and fifty cents (\$15,322.50) from the Sewer Assessment Reserve Fund to the Sewer Construction Account to pay notes and interest due in 1932 on construction bonds, issues of 1929, 1930 and 1931.

Article 12. To see if the Town will appropriate the sum of one thousand, two hundred fifty-seven dollars and twenty-two cents (\$1,257.22) to reimburse the Sewer Assessment Reserve Fund for uncollected Sewer assessments made in 1931 against Town properties, or pass any vote or votes relative thereto.

Article 13. To see if the Town will appropriate the sum of ten thousand dollars (\$10,000) for making house connections with the sewerage system.

Article 14. To see if the Town will accept Hemlock Street from Manning Street to Page Road under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 15. To see if the Town will appropriate the sum of two thousand and five hundred dollars (\$2,500) for the construction of Hemlock Street from Manning Street to Page Road under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 16. To see if the Town will accept Washington Avenue from Great Plain Avenue to Lawrence Road and the westerly portion of Great Plain Terrace under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 17. To see if the Town will appropriate the sum of eight thousand two hundred dollars (\$8,200) for the construction of Washington Avenue from Great Plain Avenue to Lawrence Road and the westerly portion of Great Plain Terrace under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 18. To see if the Town will accept Mount Vernon Avenue from Great Plain Avenue to Birds Hill Avenue under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 19. To see if the Town will appropriate the sum of five thousand dollars (\$5,000) for the construction of Mount Vernon Avenue from Great Plain Avenue to Birds Hill Avenue under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 20. To see if the Town will accept, for a sum not exceeding one dollar (\$1.00), a deed from Annie B. Page for 1,590 square feet of land at the junction of Mount Vernon Avenue, Wachusett Road and Birds Hill Avenue, as shown on plan numbered 1932-3, and appropriate the sum of one dollar (\$1.00) therefor.

Article 21. To see if the Town will accept, for a sum not exceeding one dollar (\$1.00), a deed from Annie B. Page for 2,193 square feet of land

at the junction of Great Plain Terrace, Washington Avenue and Great Plain Avenue, as shown on plan numbered 1932-2, and appropriate the sum of one dollar (\$1.00) therefor.

Article 22. To see if the Town will authorize and direct its Board of Park Commissioners to purchase, for a sum not exceeding one dollar (\$1.00) for a municipal purpose, to wit, for a public park a certain parcel of land containing approximately 19,620 square feet, as shown and marked "Coulton Park" on a plan on file with the Norfolk County Registry of Deeds, plan book 70 plan 3360 and appropriate the sum of one dollar (\$1.00) therefor, or pass any vote or votes relative thereto.

Article 23. To see if the Town will vote to authorize the Moderator to appoint a committee of three to study a system of Retirement Allowances based on Annuity and Pension Contributions, for employees of the Town and report their findings together with their recommendations at the next Annual Town Meeting, on petition of Frank Godfrey and others.

Article 24. To hear and take action on the report of the committee appointed by the Moderator under Article 38 of the warrant for the Annual Town Meeting held March 9, 1931, for the study of water conditions in the Town, or pass any vote or votes relative thereto.

Article 25. To see if the Town will appropriate a sum not exceeding one thousand dollars (\$1,000) to pay all bills of the Water Committee already incurred, and to defray the expense of carrying out any recommendations of said Committee adopted under the foregoing article.

Article 26. To hear the report of the committee appointed by authority of the votes of the Town passed at the Annual Town Meeting in 1931 "To report as to the advisability of increasing the membership of the Board of Selectmen to five, and to define their terms of office;" and "To investigate the entire system of Town Government;" and to see what action the Town will take relative to the several recommendations contained in said report.

Article 27. To see if the Town will amend its by-laws by striking out Section 1 of Article 1 and in its place substituting the following:

Section 1. The Annual Town Meeting for the transaction of business shall be held on the first Monday in March each year; and the Annual Town Meeting for the election of officers and such other matters as may be voted on the official ballot, shall be held on the third Monday in March in each year.

Article 28. To see if the Town will authorize and direct the Tree Warden to plant suitable shade trees within the limits of all new streets and within six months after the completion of the same, on petition of the Planning Board.

Article 29. To see if the Town will authorize the Selectmen to install one street lamp on Eaton Road, on petition of Willard E. Doane, and others.

Article 30. To see if the Town will authorize the Selectmen to install one street lamp on Daly Place, on petition of Daniel J. Murphy, and others.

Article 31. To see if the Town will authorize the Selectmen to install one street lamp on Allen Street, on petition of Agnes A. White.

Article 32. To see if the Town will vote to have the reports of its officers and the proceedings of this and subsequent Town Meetings printed, or pass any vote or votes relative thereto.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said Town at least seven days before said meeting and to leave a copy at each of the several dwelling houses within said Town.

Hereof fail not and make due return of this warrant with your doings thereon, unto our Town Clerk, on or before said day and hour.

Given under our hands at Needham aforesaid this first day of March, A.D., 1932.

WM. P. BROWN,
PERCY E. WYE,
HAROLD B. CHURCH,
Selectmen of Needham.

Needham, March 4, 1932.

Norfolk, ss.

By virtue of this warrant, I have this day notified and warned the inhabitants of the Town of Needham to meet as within directed, by posting true and attested copies of this warrant in not less than twenty public places in said Town more than seven days before the time of holding said meeting and by leaving a copy at each of the several dwelling houses as within directed.

RUSSELL C. WILLIAMS,
Constable of Needham.

A true copy of warrant and officer's return.

Attest:

CLARENCE E. FOSS,
Town Clerk.

RECORD OF THE ANNUAL TOWN ELECTION

March 14, 1932

Pursuant to the foregoing warrant a meeting of the inhabitants of the Town of Needham qualified to vote in elections and in Town affairs was held in the Town Hall in said Town on Monday, March 14, 1932, at forty-five minutes past six o'clock in the forenoon.

The meeting was called to order by the Moderator, Samuel H. Wragg.

The warrant for the Annual Town Meeting was read, the articles in the warrant being omitted.

The return of the officer who notified and warned the inhabitants was read by the Town Clerk.

Voted, To proceed to ballot for the following Town officers, viz.:

Three Selectmen for one year; one Moderator for one year; one Town Clerk for one year; one Town Treasurer for one year; one Collector of Taxes for one year; one Assessor for three years; two members of the School Committee for three years; one Water Commissioner for three years; one Water Commissioner for one year to fill vacancy; one Sewer Commissioner for three years; one member of the Board of Health for three years; one member of the Department of Public Welfare for three years; two Trustees of the Public Library for three years; one Trustee of the Public Library for two years to fill vacancy; two Trustees of Memorial Park for three years; one member of the Planning Board for five years; one member of the Planning Board for one year to fill vacancy; one Park Commissioner for three years; one Commissioner of Trust Funds for three years; two Constables for one year; one Tree Warden for one year.

Pursuant to Chapter 54, Section 19, of the General Laws the Selectmen having appointed

Mary E. Fitzgerald
Julia T. Mullan
Myra R. Kingsbury
Mabel E. Nason
Charles M. Donahue
Angela Overton

Margaret O. Chase
James F. Ryan
William C. Payne
Percy F. Rowley
Charles I. Ruggles
Harold S. Loudon

as ballot clerks, they were sworn to the faithful discharge of their duties by the Moderator.

The ballots prepared for use at this election by the Town Clerk were then delivered to the ballot clerks and their receipt taken therefor.

Cards of instruction and specimen ballots were posted as required by Chapter 54, Section 48, of the General Laws.

The ballot boxes were publicly opened by the Moderator and shown to be empty. The boxes were then locked and the keys delivered to William H. Stanton, the officer in attendance.

The polls were opened at forty-five minutes past six in the forenoon and kept open until eight o'clock in the afternoon.

Additional tellers were appointed as required by Chapter 54, Section 21, of the General Laws, as follows:

Henry S. Rodgers	William S. Whelan
Della A. Beale	Robert King
Charles Cobb	Susan Abbott
Alice B. Nason	Josephine E. Bois
George W. Alsebrook	Garnet W. Earle
Annette L. Freeman	Linda P. Brownville
Helen T. Daly	L. Estelle Meyers
Charles W. Harrison	Bertram G. Johnston
Gladys T. Williams	Jean Cameron
Anna T. Neas	Gertrude M. Eichler
Elliott M. Andrews	Florence P. Mann
Mary Wagner	John H. Leader
Bessie L. Gillespie	Loretta A. Donahue
Caroline Cameron	Joseph W. Mastropieri
Dorothy F. Eldridge	E. Bertha Behnke
Ernest R. Keith	Lucy H. Mackintosh
Grace F. Falvey	Florence W. Carman

and they were severally sworn.

The ballots were audibly counted when taken from the box and at 1.30 o'clock nine hundred and fifty (950) ballots were taken from the box; at 2.45 o'clock three hundred and fifty (350) ballots were taken from the box; at 4.45 o'clock four hundred (400) ballots were taken from the box; at 7.15 o'clock seven hundred (700) ballots were taken from the box; and at 8.00 o'clock when the polls were declared closed four hundred and eighty-three (483) ballots were taken from the box; making the total number of ballots cast two thousand, eight hundred and eighty-three (2,883).

The total number of votes cast by men was one thousand, six hundred and sixty-nine (1,669), and by women one thousand, two hundred and fourteen (1,214).

A canvass of all votes given was made as required by law. Upon the completion of the canvass of all votes cast the result of the voting was declared to be as follows, viz.:

and Edward A. Coppinger and Russell C. Williams were declared elected Constables for one year.

After the results of the vote had been declared, the ballots cast, the undistributed ballots and also the check lists were sealed up, endorsed by the election officers, and placed in the custody of the Town Clerk.

Adjourned at 11.00 P. M. Monday, March 14, 1932.

CLARENCE E. FOSS,
Town Clerk.

ANNUAL TOWN MEETING FOR THE TRANSACTION OF BUSINESS

March 21, 1932

Pursuant to the foregoing warrant the inhabitants of the Town of Needham, qualified to vote in Town affairs, met in the Town Hall in said Town on Monday, March 21, 1932, at 7.45 o'clock in the afternoon.

Samuel H. Wragg, Moderator, in the chair.

Charles M. Donahue, Percy F. Rowley, Ruberta B. Farnham, Myra R. Kingsbury and Grace M. Maloney were appointed checkers by the Board of Selectmen and sworn to the faithful performance of their duties. Check lists were used and 133 women and 425 men were checked on the lists as being present, a total of 558 voters. The warrant and return of the officer who served the same were read.

Proceeded to take up the articles under the warrant.

Article 2. To choose and appoint all other Town officers in such manner as the Town may determine.

Under this article the following Town officers were elected:

Highway Surveyors and Town Agents: Winthrop M. Quinlan, Percy E. Wye, Winthrop M. Southworth.

Measurers of Wood and Bark: James H. Whetton, Henry K. Morse.

Public Weighers: James H. Whetton, Henry K. Morse, Arthur H. Whetton, Frederick A. Whetton, Nicholas O'Brien, James W. Beahan, Nellie Burkett, Elizabeth Ryan, George B. Jones, and Edward Howe.

Article 3. To hear and act on the reports of Town officers and committees.

Voted, That the report of the Finance Committee be received and placed on file.

Article 4. To see what action the Town will take relative to unexpended balances and deficiencies of 1931.

Voted, That the unexpended balances amounting to \$11,736.67 be appropriated for the use of the Department of Public Welfare.

(These were the unused balances of the special appropriations for the construction of Hillcrest Road, \$2,090.80, Coulton Park, \$4,145.87 and extension of water mains on Stockdale Road, \$5,500.00.)

Voted, That the sum of \$21,196.16 be appropriated to pay unpaid bills contracted in 1931 but not received by the Town until after January 1, 1932, and pay overdrafts and deficiencies of 1931.

Article 5. To see what disposition the Town will make of the money received from dog licenses.

Voted, That the money received from dog licenses, namely, \$1,654.71 be appropriated for the use of the Public Library.

Article 6. To see what sums of money the Town will appropriate for the necessary Town charges and expenses.

Under this article the following appropriations were made, each item being voted on separately, *viz.:*

Voted, That the sum of \$2,255 be appropriated for the Selectmen's Department.

Voted, That the sum of \$2,531 be appropriated for the Town Clerk's Department.

Voted, That the sum of \$6,937 be appropriated for the Assessors' Department.

Voted, That the sum of \$4,850 be appropriated for the Tax Collector's Department.

Voted, That the sum of \$5,686 be appropriated for the Treasurer's Department.

Voted, That the sum of \$2,847 be appropriated for the Accounting Department.

Voted, That the sum of \$400 be appropriated for the Finance Committee.

Voted, That the sum of \$2,050 be appropriated for election and registration expenses.

Voted, That the sum of \$5,537 be appropriated for Town Hall and grounds.

Voted, That the sum of \$36,425 be appropriated for the Police Department, \$30,600 of which shall be for salaries and \$5,825 for maintenance, equipment, and miscellaneous expense.

Voted, That the sum of \$40,442.13 be appropriated for the Fire Department, \$35,742.13 of which shall be for salaries and \$4,700 for maintenance.

Voted, That the sum of \$1,600 be appropriated for the Fire Alarm Department.

Voted, That the sum of \$200 be appropriated for the Forest Warden's Department.

Voted, That the sum of \$5,290 be appropriated for the Inspection Department.

Voted, That the sum of \$6,000 be appropriated for the Moth Department, \$3,500 of which shall be for work on public property and \$2,500 for work on private property.

Voted, That the sum of \$2,200 be appropriated for the Tree Warden's Department.

Voted, That the sum of \$100 be appropriated for the Petroleum Inspections.

Voted, That the sum of \$80 be appropriated for the use of the committee in charge of the Town Nursery.

Voted, That the sum of \$5,540 be appropriated for the Board of Health.

Voted, That the sum of \$2,500 be appropriated for the removal of garbage.

Voted, That the sum of \$5,500 be appropriated for the Sewer Department Maintenance.

Voted, That the sum of \$5,547.47 be appropriated for the Town's assessment for the maintenance of the Norfolk County Hospital.

Voted, That the sum of \$28,263.33 be appropriated for Public Welfare.

Voted, That the sum of \$9,900 be appropriated for Soldiers' Relief.

Voted, That the sum of \$600 be appropriated for State and Military Aid.

Voted, That the sum of \$69,914 together with the money received from the gas tax be appropriated for the Highway Department.

Voted, That the sum of \$12,000 be appropriated for sidewalks, \$10,000 of which shall be for general construction and repairs, and \$2,000 for permanent construction of which approximately one-half shall be assessed as betterments and paid by the abutters.

Voted, That the sum of \$6,000 be appropriated for Snow Removal.

Voted, That the sum of \$21,000 be appropriated for Street Lighting.

Voted, That the sum of \$241,000 together with the income from the Dwight School fund be appropriated for the School Department.

Voted, That the sum of \$7,156.43 together with the income from the Barr and Greenwood Funds, be appropriated for the Public Library.

Voted, That the sum of \$4,200 be appropriated for the Park Department.

Voted, That the sum of \$2,500 be appropriated for the Trustees of Memorial Park.

Voted, That the sum of \$300 be appropriated for the use of the Town Planning Board.

Voted, That the sum of \$100 be appropriated for the use of the Board of Survey.

Voted, That the sum of \$5,000 be appropriated for insurance premiums.

Voted, That the sum of \$19,421 be appropriated for the Glover Memorial Hospital.

Voted, That the sum of \$6,055 be appropriated for Unclassified items.

Voted, That the sum of \$143,242.24 be appropriated for Municipal Indebtedness, \$80,499.64 of which shall be for the payment of bonds maturing in 1932, and the balance for interest on loans.

Voted, That the sum of \$5,000 be appropriated for the Reserve Fund.

Voted, That the sum of \$55,000 be appropriated for the Water Department.

Voted, That the sum of \$5,000 be appropriated for the Engineering Department.

Voted, That the sum of \$300 be appropriated for the observance of Memorial Day.

Voted, That the sum of \$400 be appropriated for the upkeep of soldiers' graves.

Voted, That the sum of \$100 be appropriated for the Game Warden.

Resolved, That it is the sense of this meeting that the Selectmen should promptly take whatever actions may be necessary to bring about a reduction in the costs of street lighting, both by terminating the hours for lighting at one o'clock A. M., and by petitioning the Department of Public Utilities of this Commonwealth for a review of and a reduction in the rates for street lighting, as now charged by Edison Electric Illuminating Company of Boston.

Article 7. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of revenue of the current financial year.

Voted, That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of revenue of the financial year beginning January 1, 1932, and to issue a note or notes therefor payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws, any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1932. Vote declared unanimous.

Article 8. To see if the Town will vote to transfer the Surplus of the War Bonus Fund received from the State, to the Municipal Indebtedness account to be used in payment of bonds becoming due in 1932, or pass any vote or votes relative thereto.

Voted, That the Surplus War Bonus Fund received from the Commonwealth of Massachusetts amounting to \$3,792.51 be transferred to the Municipal Indebtedness to be used in paying the bonds becoming due in 1932.

Article 9. To see what action the Town will take relative to the salaries of its Town officers.

Voted, That the salaries of all Town officers be the same as in 1931.

Article 10. To see in what manner the Town will have its taxes collected and fix the compensation therefor for the current year.

Voted, That all poll and personal property taxes shall be paid on demand, and all other taxes on or before the first day of November, 1932.

Interest at the rate of six per cent (6%) per annum shall be charged from October 15, 1932, on all taxes not paid on or before the first day of November, 1932. The Collector shall use the means provided by law for the collection of all taxes remaining unpaid after the first day of December, 1932.

(The above shall be printed on the tax bills.)

If, in the judgment of the Collector, in consequence of removal or any other circumstance, any tax should be collected before the first day of October, 1932, he is fully authorized to serve his warrant in the collection of such tax at any time.

The Collector shall guarantee to collect the full amount of all taxes legally assessed and committed to him for collection (except such sums as may be abated) and shall pay the said taxes, together with the interest accrued thereon, over to the Town Treasurer from time to time as he collects the same, as provided by law, and shall pay the full amount of all taxes committed to him for collection, together with the accrued interest thereon (except such sums as may be abated), over to the Town Treasurer, on or before April 1, 1933, and shall turn over his completed warrant together with all papers relating to the same to the Town Clerk not later than July 1, 1933.

The Tax Collector shall receive one-half of one per cent. of the tax warrant for collection of taxes for the year 1932 payable monthly as and when same are collected. This compensation shall include all expenses except payment of the Tax Collector's bond.

Article 11. To see if the Town will vote to transfer fifteen thousand, three hundred twenty-two dollars and fifty cents (\$15,322.50) from the Sewer Assessment Reserve Fund to the Sewer Construction Account to pay notes and interest due in 1932 on construction bonds, issues of 1929, 1930 and 1931.

Voted, That the sum of \$15,322.50 be transferred from the Sewer Assessment Reserve Fund to the Sewer Construction Account to pay notes and interest due in 1932 on construction bonds, issues of 1929, 1930 and 1931.

Article 12. To see if the Town will appropriate the sum of one thousand, two hundred fifty-seven dollars and twenty-two cents (\$1,257.22) to reimburse the Sewer Assessment Reserve Fund for uncollected Sewer assessments made in 1931 against Town properties, or pass any vote or votes relative thereto.

Voted, That the sum of \$1,257.22 be raised and appropriated to reimburse the Sewer Assessment Reserve Fund for

uncollectible Sewer assessments made in 1931 against Town property.

Article 13. To see if the Town will appropriate the sum of ten thousand dollars (\$10,000) for making house connections with the sewerage system.

Voted, That the sum of \$10,000 be appropriated for making house connections with the sewerage system.

Article 14. To see if the Town will accept Hemlock Street from Manning Street to Page Road under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Voted, That the Town accept Hemlock Street from Manning Street to Page Road under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 15. To see if the Town will appropriate the sum of two thousand five hundred dollars (\$2,500) for the construction of Hemlock Street from Manning Street to Page Road under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Voted, That the Town raise and appropriate the sum of \$2,500 for the construction of Hemlock Street from Manning Street to Page Road under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 16. To see if the Town will accept Washington Avenue from Great Plain Avenue to Lawrence Road and the westerly portion of Great Plain Terrace under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Voted, That the Town accept Washington Avenue from Great Plain Avenue to Lawrence Road and the westerly portion of Great Plain Terrace under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 17. To see if the Town will appropriate the sum of eight thousand two hundred dollars (\$8,200) for the construction of Washington Avenue from Great Plain Avenue to Lawrence Road and the westerly portion of Great Plain Terrace under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Voted, That the Town raise and appropriate the sum of \$8,200 for the construction of Washington Avenue from Great Plain Avenue to Lawrence Road and the westerly portion of Great Plain Terrace under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 18. To see if the Town will accept Mount Vernon Avenue from Great Plain Avenue to Birds Hill Avenue under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Voted, That the Town accept Mount Vernon Avenue from Great Plain Avenue to Birds Hill Avenue under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 19. To see if the Town will appropriate the sum of five thousand dollars (\$5,000) for the construction of Mount Vernon Avenue from Great Plain Avenue to Birds Hill Avenue under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Voted, That the Town raise and appropriate the sum of \$5,000 for the construction of Mount Vernon Avenue from Great Plain Avenue to Birds Hill Avenue under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Article 20. To see if the Town will accept, for a sum not exceeding one dollar (\$1.00), a deed from Annie B. Page for 1,590 square feet of land at the junction of Mount Vernon Avenue, Wachusett Road and Birds Hill Avenue, as shown on plan numbered 1932-3, and appropriate the sum of one dollar (\$1.00) therefor.

Voted, That the Town accept a deed from Annie B. Page for 1,590 square feet of land at the junction of Mount Vernon Avenue, Wachusett Road and Birds Hill Avenue, as shown on plan numbered 1932-3.

Article 21. To see if the Town will accept, for a sum not exceeding one dollar (\$1.00), a deed from Annie B. Page for 2,193 square feet of land at the junction of Great Plain Terrace, Washington Avenue and Great Plain Avenue, as shown on plan numbered 1932-2, and appropriate the sum of one dollar (\$1.00) therefor.

Voted, That the Town accept a deed from Annie B. Page for 2,193 square feet of land at the junction of Great Plain Terrace, Washington Avenue and Great Plain Avenue, as shown on plan numbered 1932-2.

Article 22. To see if the Town will authorize and direct its Board of Park Commissioners to purchase, for a sum not exceeding one dollar (\$1.00) for a municipal purpose, to wit, for a public park a certain parcel of land containing approximately 19,620 square feet, as shown and marked "Coulton Park" on a plan on file with the Norfolk County Registry of Deeds, plan book 70 plan 3360 and appropriate the sum of one dollar (\$1.00) therefor, or pass any vote or votes relative thereto.

Voted, That the Town accept a deed of a certain parcel of land containing approximately 19,620 square feet, as shown and marked "Coulton Park" on a plan on file with the Norfolk County Registry of Deeds, plan book 70 plan 3360.

Article 23. To see if the Town will vote to authorize the Moderator to appoint a committee of three to study a system of Retirement Allowances based on Annuity and Pension Contributions, for employees of the Town and report their findings together with their recommendations at the next Annual Town Meeting, on petition of Frank Godfrey and others.

Voted, That the Moderator be and he is hereby authorized to appoint a committee of three to study a system of Retirement

Allowances based on Annuity and Pension Contributions, for employees of the Town and report their findings together with their recommendations at the next Annual Town Meeting.

Article 24. To hear and take action on the report of the committee appointed by the Moderator under Article 38 of the warrant for the Annual Town Meeting held March 9, 1931, for the study of water conditions in the Town, or pass any vote or votes relative thereto.

Voted, That the report of the special committee to investigate the water supply conditions in the Town of Needham be accepted and its recommendations adopted.

Article 25. To see if the Town will appropriate a sum not exceeding one thousand dollars (\$1,000) to pay all bills of the Water Committee already incurred, and to defray the expense of carrying out any recommendations of said Committee adopted under the foregoing article.

Voted, That the sum of \$1,000 be appropriated to pay all bills of the Water Committee already incurred, and to defray the expense of carrying out any recommendations of said committee adopted under the foregoing article.

Article 28. To see if the Town will authorize and direct the Tree Warden to plant suitable shade trees within the limits of all new streets and within six months after the completion of the same, on petition of the Planning Board.

Voted, That the Tree Warden be authorized to plant suitable shade trees within the limits of all newly accepted streets within six months after the acceptance of the same.

Article 29. To see if the Town will authorize the Selectmen to install one street lamp on Eaton Road, on petition of Willard E. Doane, and others.

Voted, That the Selectmen be and hereby are authorized to install one street lamp on Eaton Road in accordance with their judgment and previous practice.

Article 30. To see if the Town will authorize the Selectmen to install one street lamp on Daly Place, on petition of Daniel J. Murphy, and others.

Voted, That the Selectmen be and hereby are authorized to install one street lamp on Daly Place, in accordance with their judgment and previous practice.

Article 31. To see if the Town will authorize the Selectmen to install one street lamp on Allen Street, on petition of Agnes A. White.

Voted, That the Selectmen be and hereby are authorized to install one street lamp on Allen Street, in accordance with their judgment and previous practice.

Article 26. To hear the report of the committee appointed by authority of the votes of the Town passed at the Annual Town Meeting in 1931 "To report as to the advisability of increasing the membership of the Board of Selectmen to five, and to define their terms of office;" and "To investigate the entire system of Town Government;" and to see what action the Town will take relative to the several recommendations contained in said report.

Voted, That the report of the committee appointed under Article 36 of the Annual Town Meeting, as printed in the

Annual Town Reports for the year 1931, be accepted as a report of progress.

Voted, That the committee appointed under Article 36 of the Annual Town Meeting of 1931, be and hereby is authorized to seek appropriate legislation so that the Town may constitute its Board of Selectmen also a Board of Public Works having and exercising all the powers and duties now or from time to time vested in the following boards and officers, to wit: highway surveyors, water commissioners, sewer commissioners, park commissioners, board of survey, and tree warden, beginning with the Town's Annual Election in March, 1933; and place the question of the acceptance of such legislation by the Town on an official ballot to be voted in accordance with the provisions of law.

Voted, That the question of increasing the membership of the Board of Selectmen to five and changing their terms of office to three years be placed on an official ballot, by the committee appointed under Article 36 of the 1931 Annual Town Meeting, so that the question may be voted in accordance with the provisions of law.

Voted, That the committee appointed under Article 36 of the 1931 Annual Town Meeting, be and hereby is authorized to seek appropriate legislation so that the Town may establish a limited form of town government by the representative town meeting, beginning with its annual election in March, 1933, and place the question upon an official ballot so that the same may be voted in accordance with the provisions of law.

Article 27. To see if the Town will amend its by-laws by striking out Section 1 of Article 1 and in its place substituting the following:

Section 1. The Annual Town Meeting for the transaction of business shall be held on the first Monday in March each year; and the Annual Town Meeting for the election of officers and such other matters as may be voted on the official ballot, shall be held on the third Monday in March in each year.

Voted, That this article be dismissed.

Article 32. To see if the Town will vote to have the reports of its officers and the proceedings of this and subsequent Town Meetings printed, or pass any vote or votes relative thereto.

Voted, That 2,800 copies of the proceedings of the 1932 annual and subsequent Town Meetings and Reports of Town Officers be printed, together with the valuation list for the current year.

At 11.05 it was

Voted, That this meeting be now dissolved.

Attest:

CLARENCE E. FOSS,
Town Clerk.

4 Delegates-at-Large to the National Convention of the Republican Party.

4 Alternate Delegates-at-Large to the National Convention of the Republican Party.

12 Delegates-at-Large to the National Convention of the Democratic Party.

12 Alternate Delegates-at-Large to the National Convention of the Democratic Party.

2 District Delegates to the National Convention of the Republican Party, 13th Congressional District.

2 Alternate District Delegates to the National Convention of the Republican Party, 13th Congressional District.

2 District Delegates to the National Convention of the Democratic Party, 13th Congressional District.

2 Alternate District Delegates to the National Convention of the Democratic Party, 13th Congressional District.

The polls will be open from 4.00 p.m., to 8.00 p.m.

And you are directed to serve this Warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this fifth day of April, A. D. 1932.

P. E. WYE,
WINTHROP M. SOUTHWORTH,
WINTHROP M. QUINLAN,

Selectmen of Needham.

Needham, April 18, 1932.

Norfolk, ss.

By virtue of this warrant, I have this day notified and warned the inhabitants of the Town of Needham to meet as within directed, by posting true and attested copies of this warrant in not less than twenty public places in said Town more than seven days before the time of holding said meeting.

EDWARD A. COPPINGER,
Constable of Needham.

A true copy of warrant and officer's return.

Attest:

CLARENCE E. FOSS,
Town Clerk.

RECORD OF STATE PRIMARY FOR THE ELECTION OF DELEGATES

Pursuant to the foregoing warrant a meeting of the inhabitants of the Town of Needham qualified to vote in primaries was held in the Town Hall on Tuesday, the twenty-sixth day of April in the year one thousand nine hundred and thirty-two, at four o'clock in the afternoon, for the purpose of electing delegates to the National Conventions of the several political parties.

The meeting was called to order by Percy E. Wye, Chairman of the Board of Selectmen, at four o'clock.

The warrant and officer's return were read by the Town Clerk.

The Selectmen having appointed Mary E. Fitzgerald, Julia T. Mullan, Charles M. Donahue, Grace Maloney, William C. Payne, Garnet Earle, Alice B. Nason, Irving R. Wallis, Thomas B. Durant, Percy F. Rowley, Ruberta Farnham, Florence H. Fitzgerald, as ballot clerks they were severally sworn to faithful discharge of their duties.

The ballots received from the Secretary of the Commonwealth were delivered to the ballot clerks and their receipt taken therefor.

Cards of instruction and specimen ballots were posted as required by law.

The ballot box was publicly opened and shown to be empty, then locked and the key given to Edward A. Copinger, the officer in attendance at the polls. Reading of Ballot Box 00000.

The polls were open for the reception of ballots from four to eight o'clock.

The following additional tellers were appointed and severally sworn:

Meddie J. Blais, Armstrong Beattie, Stella Meyers, Emma V. Casey, Annie M. Gilfoil, Mary B. Almeida, Florence P. Mann, Frederick P. Ferson, A. W. Eldridge, Bertha M. Baer, John J. O'Neil, Helen T. Daly, H. S. Loudon.

At the close of the polls the ballot register stood at 413.

As the ballots were taken from the box they were audibly counted by the presiding officer and announced as 413 (four hundred thirteen) which agreed with check lists kept by the ballot clerks.

	Republican	Democratic
Men's Ballots	120	111
Women's Ballots	67	115
	<hr/>	<hr/>
Total	187	226

A canvass of all the votes cast was made, the whole number being duly sorted and recorded and public announcement was made by the Chairman of the Board of Selectmen and was as follows, *viz.*:

WARRANT FOR SPECIAL TOWN MEETING

Monday, May 23, 1932

Commonwealth of Massachusetts

Norfolk, ss.

To either of the Constables in the Town of Needham in said County,
Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the Inhabitants of the Town of Needham qualified to vote in elections and in Town affairs to meet at the Town Hall in said Town on **Monday, the twenty-third day of May, 1932**, at seven-thirty o'clock in the afternoon, then and there to act upon the following articles, namely:

Article 1. To see what action the Town will take relative to the appointment of the Water Commissioners and their successors in office to act as Town Agents for the purpose of procuring and installing an additional water supply to be developed from underground sources within the Town as recommended in the report of the Special Water Committee appointed by the Moderator under Article 38 of the Warrant for the Annual Town Meeting held March 8, 1931, any contract and specifications for such additional water supply to be approved by the Town Engineer and Town Counsel, or pass any vote or votes relative thereto.

Article 2. To see if the Town will appropriate the sum of twenty-five thousand dollars (\$25,000) for the purpose of procuring and installing an additional water supply to be developed from underground sources within the Town as recommended in the report of the Special Water Committee.

Article 3. To see if the Town will appropriate the sum of twenty-five thousand (\$25,000) dollars as an emergency construction fund for unemployment relief, to be used for the construction or repair of highways, sidewalks, parks, and other similar purposes permitted by law, or pass any vote or votes relative thereto.

Article 4. To see if the Town will appoint the Selectmen and the Chairman and Secretary of the Finance Committee a committee to conduct a thorough investigation of unemployment conditions in Needham and to administer such emergency construction funds as the Town may from time to time appropriate, or pass any vote or votes relative thereto.

Article 5. To see what action the Town will take relative to the hours of lighting its streets.

Article 6. To see if the Town will appropriate five thousand dollars (\$5,000) for street lighting, or pass any vote or votes relative thereto.

Article 7. To see if the Town will authorize the Selectmen to install not more than two street lights on Melrose Avenue, on petition of Osborne M. Rush and others.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said Town at least seven days before said meeting and to leave a copy at each of the several dwelling houses within said Town.

Hereof fail not and make due return of this warrant with your doings thereon, unto our Town Clerk, on or before said day and hour.

Given under our hands at Needham aforesaid this fourteenth day of May, A. D., 1932.

PERCY E. WYE,
WINTHROP M. SOUTHWORTH,
WINTHROP M. QUINLAN,

Selectmen of Needham.

Needham, May 14, 1932.

Norfolk, ss.

By virtue of this warrant I have this day notified and warned the inhabitants of the Town of Needham to meet as within directed by posting true and attested copies of this warrant in not less than twenty public places in said Town more than seven days before the time of holding said meeting and by leaving a copy at each of the several dwelling houses as within directed.

RUSSELL C. WILLIAMS,
Constable of Needham.

A true copy of warrant and Officer's return.

Attest:

CLARENCE E. FOSS,
Town Clerk.

RECORD OF THE SPECIAL TOWN MEETING

Monday, May 23, 1932

Pursuant to the foregoing warrant a meeting of the Inhabitants of the Town of Needham qualified to vote in Town affairs was held in the Town Hall in said Town on Monday, May 23, 1932, at forty-five minutes past seven o'clock in the afternoon.

Charles M. Donahue, Percy F. Rowley, Grace M. Maloney, Lillian E. Meyers and Elvada M. Andrews, having been appointed checkers by the Board of Selectmen were sworn to the faithful performance of their duties. Check lists were used and 84 women and 316 men were checked on the lists as being present, a total of 400 voters.

The meeting was called to order by Samuel H. Wragg, Moderator.

Voted, to omit the reading of the articles in the warrant.

The warrant and return of the officer who served the same were read. Proceeded to take up the articles under the warrant.

Article 1. To see what action the Town will take relative to the appointment of the Water Commissioners and their successors in office to act as Town Agents for the purpose of procuring and installing an additional water supply to be developed from underground sources within the Town as recommended in the report of the Special Water Committee appointed by the Moderator under Article 38 of the warrant for the Annual Town Meeting held March 8, 1931, any contract and specifications for such additional water supply to be approved by the Town Engineer and Town Counsel, or pass any vote or votes relative thereto.

Voted, That the subject matter of this article be referred to the next Annual Town Meeting.

Article 2. To see if the Town will appropriate the sum of twenty-five thousand dollars (\$25,000) for the purpose of procuring and installing an additional water supply to be developed from underground sources within the Town as recommended in the report of the Special Water Committee.

Voted, That the subject matter of this article be referred to the next Annual Town Meeting.

Article 3. To see if the Town will appropriate the sum of twenty-five thousand dollars (\$25,000) as an emergency construction fund for unemployment relief, to be used for the construction or repair of highways, sidewalks, parks, and other similar purposes permitted by law, or pass any vote or votes relative thereto.

Voted, That the sum of twenty-five thousand dollars (\$25,000) be appropriated and added to the Reserve Fund in the hands of the Finance Committee, the same to be used and expended under their direction and under the direction of a committee of five to be appointed by the Moderator, for

general highway purposes, for building and repairing sidewalks, for such work as may be requested by the Park Commissioners, or for any work requested by any board or department of the Town, including clerical work.

Article 4. To see if the Town will appoint the Selectmen and the Chairman and Secretary of the Finance Committee, a committee to conduct a thorough investigation of unemployment conditions in Needham and to administer such emergency construction funds as the town may from time to time appropriate, or pass any vote or votes relative thereto.

Voted, That this article be dismissed.

Article 5. To see what action the town will take relative to the hours of lighting its streets.

Voted, That this article be dismissed.

Article 6. To see if the Town will appropriate five thousand dollars (\$5,000) for street lighting, or pass any vote or votes relative thereto.

Voted, That this article be dismissed.

Article 7. To see if the Town will authorize the Selectmen to install not more than two street lights on Melrose Avenue, on petition of Osborne M. Rush and others.

Voted, That this article be dismissed.

At 9.50 o'clock it was

Voted, That this meeting be now dissolved.

Attest:

CLARENCE E. FOSS,
Town Clerk.

WARRANT FOR SPECIAL TOWN MEETING

Monday, June 20, 1932

(Called by petition of registered voters under provisions of Law as made and provided)

Commonwealth of Massachusetts

Norfolk, ss.

To either of the Constables in the Town of Needham in said County,
Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the Inhabitants of the Town of Needham qualified to vote in elections and in Town affairs to meet at the Town Hall in said Town on **Monday, the twentieth day of June, 1932**, at seven-thirty o'clock in the afternoon, then and there to act upon the following articles, namely:

Article 1. To see what action the Town will take relative to the hours of lighting its streets.

Article 2. To see if the Town will appropriate the sum of five thousand dollars (\$5,000) for street lighting, or pass any vote or votes relative thereto.

Article 3. To see if the Town will appoint a committee to make an investigation into the costs of lighting its streets and to make a survey of the present system to determine the advisability of reducing the candle power of any or all of its street lights and/or of discontinuing any of the present lights; and to report its findings and recommendations to the Town not later than the Annual Town Meeting of March, 1933.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said Town at least seven days before said meeting and to leave a copy at each of the several dwelling houses within said Town.

Hereof fail not and make due return of this warrant with your doings thereon, unto our Town Clerk, on or before said day and hour.

Given under our hands at Needham aforesaid this seventh day of June, A. D., 1932.

PERCY E. WYE,
WINTHROP M. SOUTHWORTH,
WINTHROP M. QUINLAN,
Selectmen of Needham.

Needham, June 20, 1932.

Norfolk, ss.

By virtue of this warrant, I have this day notified and warned the Inhabitants of the Town of Needham to meet as within directed, by posting true and attested copies of this warrant in not less than twenty public places in said Town seven days at least before the time of holding said meeting and by leaving a copy at each of the several dwelling houses as within directed.

EDWARD A. COPPINGER,
Constable of Needham.

A true copy. Attest:

CLARENCE E. FOSS,
Town Clerk.

RECORD OF THE SPECIAL TOWN MEETING

June 20, 1932

Pursuant to the foregoing warrant the inhabitants of the Town of Needham qualified to vote in Town affairs met in the Town Hall in said Town on Tuesday, June 20, 1932, at thirty minutes past seven o'clock in the afternoon.

The meeting was called to order by the Moderator, Samuel H. Wragg, at 8.00 o'clock.

Elvada Andrews, L. Estelle Meyers, Ruberta B. Farnham, Charles M. Donahue, and Percy F. Rowley having been appointed as tellers they were sworn by the Town Clerk.

Seven hundred and seventeen (717) voters were present, four hundred and eighty (480) men and two hundred and thirty-seven (237) women.

After the reading of the warrant the following articles were taken up and acted upon:

Article 1. To see what action the Town will take relative to the hours of lighting its streets.

Motion was made that the Town adopt the schedule of all night street lighting. Amended by Mr. Crawley that the streets be illuminated from twenty minutes after sunset until 1 o'clock A. M.

The amendment was declared lost and on recount 247 voted in favor and 439 against.

On original motion it was *voted*

That the Town adopt the schedule of all night street lighting.

Article 2. To see if the Town will appropriate the sum of five thousand dollars (\$5,000) for street lighting, or pass any vote or votes relative thereto.

Voted, That the sum of four thousand, one hundred four and 13/100 (\$4,104.13) dollars be appropriated for street lighting.

Article 3. To see if the Town will appoint a committee to make an investigation into the costs of lighting its streets and to make a survey of the present system to determine the advisability of reducing the candle power of any or all of its street lights and/or of discontinuing any of the present lights; and to report its findings and recommendations to the Town not later than the Annual Town Meeting of March, 1933.

Voted, That a committee of five (5) be appointed by the Moderator to make an investigation into the costs of lighting the streets, and to make a survey of the present system to determine the advisability of reducing the candle power of any or all of its street lights and of discontinuing any of the

present lights and to report its findings and recommendations to the Town Clerk not later than November 30, 1932.

At 9.50 o'clock it was

Voted, That this meeting be now dissolved.

Attest:

CLARENCE E. FOSS,
Town Clerk.

WARRANT FOR STATE PRIMARY

Tuesday, September 20, 1932

The Commonwealth of Massachusetts

Norfolk, ss.

To either of the Constables of the Town of Needham, Greeting:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said Town who are qualified to vote in Primaries to meet in the Town Hall **Tuesday, the twentieth day of September, 1932**, at 12.00 m., o'clock, for the following purposes:

To bring in their votes to the Primary officers for the Nomination of Candidates of Political Parties for the following offices:

Governor for this Commonwealth.

Lieutenant Governor for this Commonwealth.

Secretary of the Commonwealth for this Commonwealth.

Treasurer and Receiver General for this Commonwealth.

Auditor of the Commonwealth for this Commonwealth.

Attorney General for this Commonwealth.

Representative in Congress for the 13th Congressional District.

Councillor for the 2nd Councillor District.

Senator for Norfolk and Middlesex Senatorial District.

2 Representatives in General Court for 1st Norfolk Representative District.

2 County Commissioners for Norfolk County.

Sheriff for Norfolk County.

County Treasurer (to fill vacancy) for Norfolk County.

And for the Election of the following officers:

District member of State Committee for each political party for the Norfolk and Middlesex Senatorial District.

15 Members of the Republican Town Committee.

10 Members of the Democratic Town Committee.

10 Delegates to State Conventions of the Republican Party.

10 Delegates to State Conventions of the Democratic Party.

All the above candidates and officers are to be voted for upon one ballot.

The polls will be open from 12.00 m. to 8.00 p.m.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town. Hereof fail not and make return of this warrant with your doings thereon unto ourselves at the time and place of said meeting.

Given under our hands this sixth day of September, A. D., 1932.

PERCY E. WYE,
WINTHROP M. SOUTHWORTH,
WINTHROP M. QUINLAN,
Selectmen of Needham.

Needham, September 10, 1932.

Norfolk, ss.

By virtue of this warrant, I have this day notified and warned the inhabitants of the Town of Needham to meet as within directed, by posting true and attested copies of this warrant in not less than twenty public places in said Town more than seven days before the time of holding said meeting.

RUSSELL C. WILLIAMS,
Constable of Needham.

A true copy of warrant and officer's return.

Attest:

CLARENCE E. FOSS,
Town Clerk.

RECORD OF THE STATE PRIMARY

Tuesday, September 20, 1932

Pursuant to the foregoing warrant a meeting of the Inhabitants of the Town of Needham qualified to vote in elections and in Town affairs was held in the Town Hall in said Town on Tuesday the twentieth day of September, in the year nineteen hundred and thirty-two at 12 M. o'clock, for the purpose of nominating state and county officers and to elect members of the state and town committees and delegates to the state convention.

The meeting was called to order by Selectman, Percy E. Wye.

The warrant and officer's return was read by the Town Clerk.

Mary E. Fitzgerald, Julia T. Mullan, Alice B. Nason, Florence H. Fitzgerald, Myra R. Kingsbury, Grace E. Morris, William C. Payne, Charles M. Donahue, Harry Lyman, William H. Cotter, Jr., George W. Allsebrook, and George A. Nickerson having been appointed as ballot clerks they were severally sworn by the Town Clerk.

Cards of instruction and specimen ballots were posted as required by General Law.

The package of ballots received from the Secretary of the Commonwealth containing the ballots were delivered to the ballot clerks and their receipt taken therefor.

The ballot box was publicly opened and shown to be empty, then locked and the keys given to Russell C. Williams, the officer in attendance at the polls. The polls were opened for the reception of ballots at 12 M. o'clock, and in pursuance with the warrant were kept open until eight o'clock in the evening.

The following additional tellers were appointed and sworn by the Town Clerk: Charles E. Spicer, Thomas B. Durant, Annie M. Gilfoil, Lillian E. Meyers, Olive B. Goodwin, Janet

D. Davis, Percy F. Rowley, Susan T. Abbott, Della A. Beale, Annette M. Freeman, John H. Leader, Charles P. Cobb, Garnet W. Earle, Alice K. Gaughan, Josephine C. Bois, Angela Overton, Anna T. Neas, Audrey W. Southworth, Elliott M. Andrews, Bertha H. Baer, Marguerite McClare, Earle B. Compton, Thomas H. Sparkes, Harold S. Loudon, Florence P. Mann, Ruth Fanning, Charles I. Ruggles, John J. O'Neil, Linda P. Brownville, Joseph M. Mastropieri, Grace H. Devine, Margaret O. Chase, E. Bertha Behnke, Bessie L. Gillespie, William S. Whelan, William D. Stack, Charles E. Southworth, Ernest Keith, Dorothy B. Eldridge, Florence Carman, John T. Kenney, David Friswell, Elvada Andrews, Mabel Godfrey, Inez M. Southworth, Lawton B. Capron, and Loretta Donahue.

As the ballots were taken from the box they were audibly counted by the presiding election officer and announced as twenty-six hundred and eighty-four (2,684) ballots. One hundred and fifty-one (151) Democratic ballots and twenty-five hundred and thirty-three (2,533) Republican ballots were cast; fourteen hundred and twenty-seven (1,427) by men and twelve hundred and fifty-seven (1,257) by women.

These were duly sorted and counted with the following results, *viz.*:

Attest:

CLARENCE E. FOSS,
Town Clerk.

PETITION FOR RECOUNT

A petition under Chapter 54 Section 135 of the General Laws of the Commonwealth of Massachusetts for a recount of the votes cast for Representatives to the General Court in the First Norfolk District at the State Primary Election held September 20, 1932, was received September 22, 1932.

A canvass of all votes cast was made September 26, 1932, with the following result, *viz.*:

Leslie B. Cutler	1,304
James M. McCracken	1,787
Laurence F. Powers	119
Nicholas J. Wallis	37
Sydney M. Williams	1,100
Blanks	719

Thomas C. O'Brien appeared for Leslie B. Cutler, G. Waldo Crawley for James M. McCracken, and Winthrop M. Southworth for Sydney M. Williams. The canvass was completed at 8.15 o'clock P. M. All members of the Board of Registrars present.

CLARENCE E. FOSS,
Town Clerk.

WARRANT FOR GENERAL ELECTION

November 8, 1932

Commonwealth of Massachusetts

Norfolk, ss.

To either of the Constables of the Town of Needham, in said County, Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the Inhabitants of the Town of Needham qualified to vote in elections and in Town affairs to meet in the Town Hall in said Town on **Tuesday the eighth day of November, 1932**, at 6.45 o'clock in the forenoon, then and there to give in their votes for the following officers, *viz*:

Presidential Electors; Governor of the Commonwealth, Lieutenant-Governor of the Commonwealth, Secretary of the Commonwealth, Treasurer of the Commonwealth, Auditor of the Commonwealth, Attorney General for the Commonwealth, Congressman for the Thirteenth Congressional District, Councillor for the Second Councillor District, Senator for the Norfolk and Middlesex District, Representatives in General Court for the First Norfolk District (2), County Commissioners for Norfolk County (2), Sheriff for Norfolk County, County Treasurer for Norfolk County (to fill vacancy).

Acceptance of the following "Laws Proposed by Initiative Petition."

QUESTION NO. 1

Shall the proposed law which defines and legalizes the practice of chiropractics; establishes a board of registration of chiropractors and defines the number, mode of appointment, tenure, qualification and compensation of its members, and its powers and duties; provides for the preliminary qualifications, examination, certification, original registration and annual license of chiropractors and regulation of their practice, and defines the mode, subjects of and fees for examination, the mode of practice and penalties; and other matters related thereto, which are chiefly as follows:

That chiropractic be "the science or practice of locating and adjusting by hand the malpositions of the articulations of the human spine."

That any person, with one preceding year's residence in this Commonwealth and with degree from a qualified chiropractic school received at least one year prior to the date when this law takes effect, may, within ninety days after such date, be certified by the board at its discretion without examination.

That otherwise no person, except a member of the board of registration, shall practice chiropractic unless, being over twenty-one years of age, of good moral character and graduated from a reputable chiropractic school after personally attending courses of at least twenty-two hundred sixty-minute daylight hours given to persons qualified to graduate from a public high school, he shall qualify by examination, pay a fee of twenty-five dollars and be registered and certified; except that any person licensed in another State maintaining standards equal to those of this Commonwealth may be registered without examination.

That the examination be scientific and practical in character, in subjects including anatomy, physiology, symptomatology, hygiene, sanitation, chemistry, histology, pathology, chiropractic analysis, and the principles and practice of chiropractic.

That the board may, after hearing, revoke a certificate for cause.

That the board shall make an annual report and shall keep public records of its proceedings and of the names of persons examined or registered by it and of the names and addresses of all registered chiropractors, who shall pay an annual license fee, promptly notify the board of any change in address and furnish such other information as the board may require.

That the board consist of three members, residents of the Commonwealth for three years, graduates of a chartered chiropractic school having power to confer degrees in chiropractic, to be appointed by the governor, with the advice and consent of the council, for a term of three years.

That the board have authority to administer oaths, summon witnesses and take testimony and adopt reasonable rules and regulations pertaining to their duties, and that they pay into the state treasury fees received by them, and that they receive compensation and reimbursement for expenses in such amounts as may be annually appropriated therefor not exceeding the amount of such fees.

Penalties are provided for practicing chiropractic without holding a certificate or for using the words "Chiropractic Practitioner," the letters "D.C.," or any title or letters indicating engagement in such practice, or for buying, selling or fraudulently obtaining any diploma or record of registration.

It is further provided that the present law relating to the registration of physicians and surgeons and providing penalties for the unauthorized practice of medicine shall not be held to discriminate against registered chiropractors; but no chiropractor, unless registered as a physician or surgeon, may practice obstetrics, or administer drugs, or perform surgical operations by the use of instruments, or hold himself out as and for other than a chiropractor, **which was disapproved in the House of Representatives by a vote of 50 in the affirmative and 151 in the negative and in the Senate by a vote of 13 in the affirmative and 21 in the negative,** be approved.

QUESTION NO. 2

Shall the proposed law which provides for an additional method of nominating candidates for nomination, at the state primaries in September, by members of political parties, for those offices to be filled by all the voters of the Commonwealth at a state election.

It provides that the state conventions of the political parties, in each state election year, shall be held before and not after the state primaries, as now, namely, not later than June 15. In order to elect delegates to such party conventions, party primaries are established to be held on the last Tuesday in April. Among other things, these state conventions may endorse candidates for offices to be filled by all the voters and to be voted upon at the state primaries. Such endorsement places a candidate in nomination, at such state primaries, without the necessity of filing nomination papers. The name of the endorsed candidate is to be placed first on the ballot and against his name is to be placed the words "Endorsed by (the name of political party) convention" in addition to the eight-word statement now authorized by law. Candidates endorsed by a party convention may accept said endorsement within ten days, and having so accepted may not withdraw.

It also provides for the election of district members of state committees and members of ward and town committees at the proposed party primaries in April, as well as delegates to the state party conventions, instead of at the state primaries in September, as now.

It also provides for the election of delegates to national conventions (to nominate candidates for President) at the proposed party primaries instead of at the primaries, now specially held for that purpose, and which existing law requires to be held on the last Tuesday in April (the same day proposed for the proposed party primaries).

It also provides for certain other new provisions of law and certain changes in existing laws, relating to holding state conventions and party primaries, the number and election of delegates to state conventions, the number of members at large of a state committee, and other matters, which in more detail chiefly are as follows:

State conventions are to be composed solely of delegates elected at the party primaries, and the number is to be one from each ward and town and one additional for every fifteen hundred votes or major fraction thereof above the first fifteen hundred votes cast at the preceding state election in such ward or town for the political party candidate for Governor, instead of a number now fixed by the state committee of each party (not less than one from each ward or town) and certain members designated by existing law.

The time, for notice to the State Secretary by aldermen or selectmen of their determination to hold primaries by wards, precincts or groups of precincts, to be March 1, instead of August 1, as now.

The names of candidates for election for delegates to a state convention and for district members of a state committee to be arranged individually by alphabet instead of in groups arranged by lot, as now.

Vacancies in the office of delegate to a state or national convention not to be filled except in case of a tie vote, and then by delegates from the same district, within ten days, and if no other delegate or if not so filled, then by a state committee, rather than solely by the remaining members of the delegation; and statement of filling of such vacancy to be filed with the State Secretary.

Seating of delegates at state conventions to be in groups by senatorial districts, and order of business at said conventions defined.

Voting on candidates, by a convention, to be by roll call, if more than one candidate for the office, or by groups of delegates unless any member of such group objects.

The number of members at large of a state committee of a political party to be fixed by the state convention of a party instead of by the state committee, as now.

The existing provisions as to preparation and filing of nomination papers, objections to nominations, preparation, number, substance, arrangement and form of ballots, hours during which polls shall be open, opening of ballot boxes, canvass and return of votes, return and certification of votes, now applicable to state primaries to be applicable to the proposed party primaries.

The power of a state committee to fix the number of district delegates to a national convention to be continued, but the date, of giving notice to the State Secretary, of such fixation to be March 1 instead of on or before the third Wednesday in March, as now.

The power of city and town committees to fix the number of members of ward and town committees to be continued, but the date, of giving notice to the State Secretary, of such fixation to be March 1 instead of August 1, as now, **which was approved in the Senate by a vote of 21 in the affirmative and 17 in the negative and was disapproved in the House of Representatives by a vote of 62 in the affirmative and 138 in the negative, be approved?**

Acceptance of the following "Proposed Amendment to the Constitution."

QUESTION NO. 3

Is it desirable that the proposed amendment to the Constitution of the United States,—

"ARTICLE —

"*Section 1.* The terms of the President and Vice-President shall end at noon on the 20th day of January, and the terms of Senators and Representatives at noon on the 3d day of January, of the years in which such terms would have ended if this article had not been ratified; and the terms of their successors shall then begin.

"*Sec. 2.* The Congress shall assemble at least once in every year and such meeting shall begin at noon on the 3d day of January, unless they shall by law appoint a different day.

"*Sec. 3.* If, at the time fixed for the beginning of the term of the President, the President elect shall have died, the Vice-President elect shall become President. If a President shall not have been chosen before the time fixed for the beginning of his term, or if the President elect shall have failed to qualify, then the Vice-President elect shall act as President until a President shall have qualified; and the Congress may by law provide for the case wherein neither a President elect nor a Vice-President elect shall have qualified, declaring who shall then act as President, or the manner in which one who is to act shall be selected, and such person shall act accordingly until a President or Vice-President shall have qualified.

"*Sec. 4.* The Congress may by law provide for the case of the death of any of the persons from whom the House of Representatives may choose a President whenever the right of choice shall have devolved upon them, and for the case of the death of any of the persons from whom the Senate may choose a Vice-President whenever the right of choice shall have devolved upon them.

"*Sec. 5.* Sections 1 and 2 shall take effect on the 15th day of October following the ratification of this article.

"*Sec. 6.* This article shall be inoperative unless it shall have been ratified as an amendment to the Constitution by the legislatures of three-fourths of the several States within seven years from the date of its submission"—be ratified by the General Court?

To vote upon the following question of Public Policy under Chapter 53, Section 19, General Laws, as amended by Chapter 97, Acts of 1925.

Shall the Representatives in the General Court from the First Norfolk District be instructed to vote to request the President and the United States Senate to enter into full co-operation and

membership in the League of Nations, with the explanatory reservation that the United States shall not engage in War with any Nation, except by vote of Congress, as provided in the United States Constitution, and such other reservations as they deem wise?

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said town at least seven days before the time of said meeting.

Hereof fail not and make due return of this warrant with your doings thereon unto ourselves on or before said day and hour.

Given under our hands at Needham aforesaid this 25th day of October A. D., 1932.

PERCY E. WYE,
WINTHROP M. SOUTHWORTH,
WINTHROP M. QUINLAN,
Selectmen of Needham.

Needham, November 1, 1932.

Norfolk, ss.

By virtue of this warrant, I have this day notified and warned the inhabitants of the Town of Needham to meet as within directed, by posting true and attested copies of this warrant in not less than twenty public places in said Town more than seven days before the time of holding said meeting.

EDWARD A. COPPINGER,
Constable of Needham.

A true copy
Attest:

CLARENCE E. FOSS,
Town Clerk.

RECORD OF THE STATE ELECTION

November 8, 1932

Pursuant to the foregoing warrant a meeting of the Inhabitants of the Town of Needham qualified to vote in elections and in Town affairs was held in the Town Hall in said Town on Tuesday, November 8, 1932, at forty-five minutes past six o'clock in the forenoon.

The meeting was called to order by Selectman, Percy E. Wye.

The reading of the articles in the warrant was omitted.

The return of the officer who notified and warned the Inhabitants was read by the Town Clerk.

Pursuant to Chapter 54, Section 21 of the General Laws, the Selectmen having appointed James F. Ryan, Charles M. Donahue, John F. Gilfoil, Herbert L. Moore, Harry M. Lyman, William C. Payne, Mary E. Fitzgerald, Myra R. Kingsbury, Margaret O. Chase, Julia T. Mullan, Ruberta Farnham, Louise M. Ryan, Edward A. Coppinger, Charles I. Ruggles, Percy F. Rowley, Alice B. Nason, Emma B. Eastman, Alice E. McNally, Annie M. Gilfoil, Josephine Bois, Florence L. Lyman, Grace H. Devine, Ruth Fanning, John T. Kenny, George W. Allsebrook, John Heald, Gorham W. Humphrey, James P. Coyle, Thomas B. Durant, William S. Whelan, John J. Casey, George F. La Chance, Frederick G. Hathaway, Ethel W. Curren, Grace E. Morris, Helen S. Courtenay, Laura E. Nichols, Annette L. Freeman, Mae E. Schleicher, Harold F. Eldridge, Grace Falvey, Alice K. Gaughan, Helen T. Daley, William W. Hewett, Mabel Godfrey, Bessie L. Gillespie, Dorothy Eldridge, Ernest R. Keith, Irving R. Wallis, Austin H. Keyes, Anna T. Neas, Florence P. Mann, Inez M. Southworth, Linda P. Brownville, Elise A. Chandler, Flora A. Church, Joseph W. Wagner, Robert J. Willgoose, Harold S. Loudon, Earle B. Compton, Bertha W. Blaisdell, John H. Leader, Jerry Bond, Jr., Della Beale, Elliott M. Andrews, Mary A. Casey, Grace Maloney, Marion E. Haire, E. Bertha Behnke, Loretta Donahue, Zella Johnston, Ira M. Hedges, and Caroline Cameron as election clerks they were sworn to the faithful discharge of their duties.

Cards of instruction and specimen ballots were posted as required by Chapter 54, Section 48, of the General Laws.

The ballots furnished by the Secretary of State for use at this election were delivered to the ballot clerks and their receipt taken therefor. The ballot boxes were opened and shown to be empty; they were then locked and the keys delivered to Edward A. Coppinger, the officer in attendance.

The polls were opened at forty-five minutes past six o'clock in the forenoon and kept open until eight o'clock in the afternoon.

As the ballots were taken from the box they were audibly counted by Selectman, Winthrop M. Southworth. The total number of ballots cast was fifty-one hundred and forty-three (5,143). Of these sixty-two (62) were cast by absent voters.

The check sheets of the ballot clerks showed that twenty-six hundred and thirty-two (2,632) males and twenty-five hundred and eleven (2,511) females voted.

A canvass of all votes given was made as required by law. Upon the completion of the canvass of all votes cast, the result of the voting was declared by Selectman Winthrop M. Quinlan, to be as follows, *viz.*:

For Electors of President and Vice-President

Foster and Ford, seven; Hoover and Curtis, thirty-eight hundred and ninety; Reynolds and Aiken, three; Roosevelt and Garner, ten hundred and sixty-seven; Thomas and Maurer, one hundred and five; Upshaw and Regan, one; Blanks, seventy.

The business of the meeting having been completed, all the ballots cast, the undistributed ballots and lists of voters used by the checkers were sealed up and endorsed by the election officers and placed in the custody of the Town Clerk.

The returns of votes cast were signed by the Selectmen and attested by the Town Clerk.

Declaration of the result of the votes cast was made and the meeting was dissolved at thirty minutes past eleven o'clock in the afternoon, November 8, 1932.

Attest:

CLARENCE E. FOSS,
Town Clerk.

PETITION FOR RECOUNT

A petition for a recount of the ballots cast for Lieutenant Governor at the State Election held November 8, 1932, under Chapter 54, Section 135, of the General Laws, having been received, a recount of all ballots cast for said office was held at the Town Hall, Friday, November 18, 1932, under the supervision of the Board of Registrars with the following results.

Gaspar G. Bacon of Boston	3,866
Morris I. Becker of Boston	16
James W. Dawson of Boston	15
Walter S. Hutchins of Greenfield	68
John E. Swift of Milford	994
Blanks	184
Total	5,143

The canvass was completed at 11.15 A. M., November 18, 1932.

CLARENCE E. FOSS,
Town Clerk.

PETITION FOR RECOUNT

A petition, under Chapter 54, Section 135, of the General Laws, of the Commonwealth of Massachusetts, for a recount of the ballots cast for Secretary of the Commonwealth at the State Election held November 8, 1932, was received December 2, 1932. A canvass of all ballots cast was made December 7, 1932, with the following results, *viz.*:

John F. Buckley of Boston	960
Frederic W. Cook of Somerville	3,844
Albert S. Coolidge of Pittsfield	75
Max Lerner of Worcester	9
Albert L. Waterman of Boston	9
Blanks	246

Frederic W. Cook and John F. Buckley were represented at the recount. All members of the Board of Registrars were present.

CLARENCE E. FOSS,
Town Clerk.

NOTICE

The attention of parents is called to the law relating to the registering of births. The present requirements are as follows:

Chapter 29, Section 6, of the Revised Laws. Parents within forty days after the birth of a child . . . shall cause notice thereof to be given to the clerk of the town or city in which such child is born.

Section 8. A parent . . . who neglects so to do for ten days after the time limited therefore, . . . shall forfeit not more than five dollars for each offense.

Attention of Physicians and Midwives is called to
 Chapter 280, Section 1, Acts of 1912.

Section 1. Physicians and midwives shall, within forty-eight hours after the birth of every child in cases of which they were in charge, mail or deliver to the clerk or registrar of the city or town in which the birth occurred, a notice stating the date and place of the birth, giving the street number, if any, the number of the ward in a city and the family name. Failure to mail or deliver the said notice shall be punished by a fine not exceeding twenty-five dollars for each offense.

In accordance with the provisions of the law, the Town Clerk is prepared to furnish to parents, physicians and midwives applying therefor, blanks for return of births as required by law.

NOTICE

Persons who intend to be joined in marriage in this Commonwealth shall, not less than five days before their marriage, cause notice of their intention to be entered in the office of the Clerk or Registrar of the city or town in which they respectively dwell, or if they do not dwell within the Commonwealth, in the office of the clerk or registrar of the city or town in which they propose to have the marriage solemnized.

Chapter 151, Section 29, Revised Laws

If a marriage is solemnized in another state between parties living in this Commonwealth, who return to dwell here, they shall within seven days after their return, file with the clerk or registrar of the city or town in which either of them lived at the time of their marriage, a certificate or declaration of their marriage, including the facts relative to marriage, which are required by law, and for neglect thereof shall forfeit ten dollars.

TOWN OF NEEDHAM

ANNUAL REPORT

OF THE

BOARD OF SELECTMEN

FOR THE YEAR 1932

NEWTON
GARDEN CITY PRESS, INC.
1933

REPORT OF BOARD OF SELECTMEN

To the Voters of the Town of Needham:

The following is submitted as the two hundred and twenty-first annual report of the Board of Selectmen:

Organization

PERCY E. WYE, *Chairman*
WINTHROP M. SOUTHWORTH, *Secretary*
WINTHROP M. QUINLAN

DOROTHY B. ELDRIDGE, *Clerk to the Board*

FRANCIS J. STANWOOD, *Agent Insurance*
Distribution of State Aid, Military Aid and Soldiers' Relief

FREDERICK S. KINGSBURY, *Agent*
Care of Soldiers' and Sailors' Graves

Unemployment

The most serious problem during 1932 has continued to be that of giving relief to the unemployed. For the first three months, that work was continued by the same agencies which were operating in 1931, with the highway department assuming the greatest part of the burden, at an expense of approximately \$18,000. In April, with the voluntary retirement of Dr. Austin H. Keyes as head of the Red Cross Employment Bureau, other plans had to be considered. Doctor Keyes had worked untiringly and it is to his splendid spirit and his ability as an organizer that the Town was able to handle an emergency situation at a time when it was ill equipped to cope with such an unusual condition.

On April 5, following conferences with the Red Cross, the Public Welfare Department and with individuals who had been connected with relief work during 1931, the Selectmen, believing that centralization was absolutely necessary for the effective conducting of the work, designated the Needham Red Cross as the Town's official body to handle all unemployment relief, until more permanent action could be taken. It soon became evident that a considerable sum of money must be raised immediately and it was agreed by all familiar with conditions, that the necessary amount could not be raised by private subscription. The Board of Selectmen were strongly opposed to any dole system, but at the same time they did not believe that any extensive construction work, with its attendant tax rate increase, should be undertaken.

They did, however, believe that relief work was a Town responsibility and that it should be handled by an official Town Committee. The Selectmen were supported in this opinion by the voters and at the special Town Meeting of May 23, the Town appropriated \$25,000, to be added to the reserve fund of the Finance Committee and to be administered by a Special Unemployment Construction Work Committee of five members. The Selectmen believe that this solution of the problem has proved to have been a wise one. Until such time as it may be possible to reorganize all the relief agencies working directly under Town vote and with Town appropriations, into one central department, with an experienced investigator of pronounced executive ability, the Board recommends the continuance of this special committee.

Street Lighting

At the annual Town Meeting, the Town reduced the street lighting appropriation by the sum of \$5,000 and, by resolution, instructed its Selectmen to take prompt action to secure a reduction in the cost of street lighting, both by adopting the one o'clock schedule and by petitioning the State Department of Public Utilities for a reduction in rates. On March 29, the Board found that, due to the fact that for three months of the year the all night schedule has been in effect, it would be impossible to save the \$5,000 which the Town had deducted from the lighting appropriation. On April 5, the Board appointed a committee of five — Willard H. Brockway, Julius F. Haller, Stanley W. Moulton, Edward G. Sayce and Wilfred J. Slade, to assist them in making further investigation, and on May 23, at a special Town Meeting, reported to the voters that the appropriation of \$21,000 for street lighting would be insufficient and that, if a further appropriation were not made, it would be necessary to turn off all lights at 11.00 P.M. The Board asked for \$5,000 additional. The article was dismissed and on May 24 the Board, in order not to exceed its appropriation, was forced to order all lights turned off at 11.00 P.M.

On June 7, the Selectmen received a petition from registered voters praying that a Special Town Meeting be held to give further consideration to the street lighting question, and the Board set June 20 as the date for the Special Meeting asked for by the voters. At this meeting, the sum asked for by the Selectmen, to continue the all night schedule was voted by a large majority, and the Selectmen ordered, on June 20, that the all night schedule become effective on that date.

At this meeting, a Town Committee was appointed to make a survey of all street lights and to report its recommendations to the Town Clerk not later than December 1. Acting upon this report (which is printed in full in a following

section of this volume), the Board ordered the Edison Company, on December 4, to put into effect, as of January 1, 1933, the schedule of lights recommended by the committee. As the year 1932 closes, there is some uncertainty as to whether or not the Edison Company may properly make certain charges for the changes ordered, and it is, therefore, impossible to state accurately the saving to the Town. It will, however, be approximately \$3,000, even if the Edison charges are allowed, and the annual saving in the future will be increased by the amount of any cost which may be incurred in 1933. The Board strongly recommends the continuance of the all night schedule.

Sand and Gravel Pits Removal of Loam

Throughout the year, the problem of regulating sand and gravel pits and of the removal of loam from residential districts, has been continually before the Board. Frequent hearings have been held and the Board has endeavored to protect the Town and the immediate abutters in all cases. Court action has been necessary in a few cases. The Selectmen have, in cases that were pending, carried on the program of the 1931 Board and are able to report that all sand and gravel pits in Needham are now operating only under permits and that the Town is protected by suitable bonds. This condition applies also to the removal of loam.

Town Hall and Grounds — Rent of Hall

No extensive work has been done to the town hall building or on the grounds, but considerable maintenance work has been carried on, performed in a large part by labor supplied by the Welfare Department and by the Unemployment Committee.

The outside doors, which were loosened and warped from long use, have been strengthened, painted and rehung; a new floor has been laid in the clock tower; the water commissioners' office has been painted; the treasurer's office painted and the partitions re-arranged; the tax collector's office has also been re-arranged and the floor reinforced in order to give adequate support for the safe; plumbing has been carefully examined and new piping has replaced the old whenever necessary. The basement toilet has been painted and made entirely sanitary. The flag pole has been given two coats of paint.

The work done in 1932 has resulted in a rating certificate from the State of "good" for all conditions requiring inspection.

The old "kitchen" has been made into a serviceable committee room, at very small cost and plans have been made

to convert the old "cell" room into a room for similar use, again using Welfare Department labor. An order from the state building inspector made it necessary to install a circular iron stairway at the right of the stage and to make certain other changes increasing the protective facilities of the stage and of the dressing rooms. This was an unexpected demand upon the appropriation and made it necessary to ask for a transfer of \$500 from the reserve fund. The cost was materially reduced since the work was done under the supervision of Superintendent Jones and by Welfare labor.

It is recommended that, with the exception of remodelling the "cell" room, only necessary maintenance work be done in 1933.

The Board believes that while no profit should accrue from town hall rentals, the Town should, on the other hand, receive from each rental a sum sufficient to cover all costs of such rental — and the Board further believes that the tax payers should not be expected to pay, in the form of taxes, the expense incurred whenever free use of the hall is granted. More and more requests are being made, either for the free use of the hall or for reduced rates. After an exhaustive discussion with the Finance Committee, the Selectmen concurred with that committee in deciding that rent should be paid for the hall by all users, regardless of the particular use to which the hall is to be put or for what purpose any money raised was to be put. It has been decided that beginning January 1, 1933, a flat rate of \$25.00 shall be charged throughout the year, for either afternoon or evening use, and that there shall be no Sunday rehearsals. This charge does not include moving the piano or necessary policing.

Soldiers' Charities

General conditions have increased the demand upon the Soldiers' relief fund. All cases have been carefully investigated and the Board feels that although the cost has been great, it has been unavoidable. In every possible instance, recipients of aid are required to work in some of the Town's departments.

Highways, Drains, Sidewalks

For a summary of the work of the year with regard to construction and maintenance of highways, drains and sidewalks, we refer the voters to the comprehensive report of the Superintendent of Streets. The program as recommended by last year's Board has been carried out, essentially as planned. Sidewalk work has been emphasized, since it afforded a maximum of hand labor with a minimum cost for materials. In planning work, the Board has had in mind the desirability of giving employment to the greatest number

of men and, except in the cases of streets built under the Betterment Act, no steam shovel work has been done. In these cases, where the abutters pay the entire cost, it has seemed only fair to perform the work at the lowest possible cost.

A section only of Mount Vernon Avenue was built, since all abutters did not authorize the installation of the sewer. It appears evident that a sewer will be a necessity in that section within a short time. Due to the prevalence of ledge, the use of powder would destroy the street and its replacement cost would have to be borne by the Town. The Board did not feel justified in imposing this expense upon the tax-payers and accordingly ordered the building of Mount Vernon Avenue only as far as Wyoming Avenue.

Practically no construction work is recommended for 1933 except the building of Great Plain Avenue from Nehoiden Street and the completion of work already started on West Street. Both these projects can be carried out by hand labor. Chestnut Street, from School Street to Cedar Place, should be kept in mind, but since this will require the use of a steam shovel, it is not recommended for this year.

Needham streets are in excellent condition and the Board recommends that no increase be made to the budget for streets, sidewalks and drains which it has submitted to the Finance Committee. This budget totals \$43,920, a decrease from last year of \$25,080. For the next five years, due to work which has been paid for out of the unemployment appropriation, the cost of the Highway Department should show a marked decrease.

Economies

All departments under the supervision of the Selectmen, are reporting decreased budgets for 1933. Not all of the savings are large, but they show the very real efforts which all department heads are making to do their part in reducing the tax rate. The Board expresses its appreciation, not only to the heads of these departments, but to all Town departments, for the ready co-operation which has been extended to the Board in its efforts to reduce expenses without impairing efficiency. Particularly is this appreciation expressed to salaried officers and employees, who 100% strong, have agreed to the Board's recommendation that while there be no reduction in salaries in 1933, a 10% contribution be made, and who have, in writing, authorized the Town Treasurer to make this deduction.

The Board is studying the question of Town insurance and while a full report cannot be made as of December 31, 1932, it is believed that a material reduction in the cost of

insurance premiums can be made during the term of office of the present Board.

Five residence telephones, heretofore paid for by the Town, will be discontinued on March 1, 1933, and a saving in the rent paid for storage of highway department equipment will appear beginning January 1. This has been effected by leasing the garage in Eaton Place owned by Alger E. Eaton. In addition to a money saving, the congestion at the Town Hall has been relieved by the release of the "cell" room, which has been used for the storage of tools.

The use of commercial spring water has been discontinued throughout the building and a drinking fountain installed in the lower town hall. This, even with the initial cost of installation, has resulted in a saving during 1932 and the saving will be greater in 1933.

New truck rates, in keeping with present charges of the large trucking concerns have been established, and the saving made by these new rates, effective in the latter part of 1932, will be considerable in 1933.

PERCY E. WYE,
WINTHROP M. SOUTHWORTH,
WINTHROP M. QUINLAN,
Selectmen of Needham.

REPORT OF TOWN COUNSEL

January, 26, 1933.

To the Board of Selectmen:

Gentlemen: — I herewith submit my report as Town Counsel for the year 1932.

The following cases have been tried or disposed of:

1. Petition by Katherine A. Greene for damages for taking of land for sewer purposes. The verdict was for \$1,500, including interest. This case has been finally disposed of by payment of the judgment and the return of the execution fully satisfied to the Court.

2. A bill in equity was brought against the D-V-M Contracting Co., to restrain the alleged illegal removal of loam from land within a single residence district. The ownership of the property pending the final outcome of the case has changed and there has been no further removal of loam from the premises and no further action has been taken.

3. An action was brought by Susie E. Bardwell against the Norfolk County Commissioners for damages arising out of the relocation of South Street. At the request of the

County Commissioners I appeared in the case and a settlement was arrived at by the County Commissioners, Selectmen and the petitioner. The amount agreed to be paid was \$2,560.

4. A bill in equity was brought against Joseph V. Kennedy and others to restrain the removal of sand and gravel for purposes of sale from land on Greendale Avenue within a single residence district. The defendant after the suit was brought agreed to accept a permit on terms satisfactory to the Selectmen.

5. A bill in equity was brought against M. McGinnis Co. and others to restrain the removal of loam for purposes of sale from land on Greendale Avenue within a single residence district. After the bringing of the suit the defendants accepted a permit on conditions satisfactory to the Selectmen and gave bond for the performance of the conditions contained in the permit.

6. A suit was brought by Joseph E. L. Miller *vs.* Lee Construction Company and Town of Needham to recover for labor and materials furnished in connection with the construction of the bridge on South Street. This suit was disposed of by the payment of money retained by the Town out of the contract price for the purpose of paying those subcontractors who had complied with the provisions of General Laws Chapter 149, Section 29.

7. The petition by Patrick J. Glancy, Margaret G. Fox and Charles H. Cronin, Administrator and the petition of Charles H. Cronin, Administrator of the Estate of Mary E. Glancy, for damages for the taking of 13 acres of land on Great Plain Avenue for water supply purposes were finally settled by the petitioners waiving their exceptions and accepting the jury's verdict given at the trial in the Superior Court at Dedham. A report of this action is in my report for the previous year.

Three actions were brought against the Town respectively by Louise Bischoff, Ellen Guion and Harriet A. Briggs, for damages arising out of an alleged defect in Webster Street. These are the only active cases now pending against the Town.

An appeal was taken to the Board of Tax Appeals by Thomas Kashalena, seeking an abatement of taxes on Highland Terrace, Needham. The case has been adjusted with the approval of the Commissioner of Corporations and Taxation.

The Board of Health incurred expense for the care of certain children contracting contagious diseases for which expenses the Town of Grafton was partially liable. An action was brought seasonably in order to protect the statutory

rights of the Town and to await a meeting of the Town of Grafton for the purpose of making an appropriation to pay its share of the expenses. This matter has been adjusted by the payment to the Town of Needham by the Town of Grafton of \$483.00.

I have been called upon to prepare deeds in connection with the sale by the Treasurer of land of low value bought by the Town for non-payment of taxes.

Miscellaneous

I attended a hearing before the Joint Ways and Means Committee at the State House in connection with House Bill No. 1158; adjusted the claim of Eagle Cornice & Skylight Works in connection with the New Fire and Police Station; had many conferences with the Special Water Committee in connection with their proposed contract for the installation of new equipment; collected \$300 for the Glover Memorial Hospital for services rendered Joseph Veccio; examined and approved the garbage contract; drafted a lease from Alger Eaton to the Town of Needham; filed answers on behalf of the Town joined as trustee in various actions; gave opinions on matters of law to the various Town departments and have been in attendance at the Town Hall almost every Tuesday evening.

Respectfully submitted,

GILBERT W. COX,
Town Counsel.

REPORT OF SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit the report of the Highway Department for the year 1932.

The Highway appropriation voted by the Town was \$69,914 together with the gas tax of \$7,086 which made a total of \$77,000. By agreement with the Selectmen and Finance Committee \$18,000 was to take care of the unemployment situation from January 1 to April 1, the men being sent to the Department by Doctor Keyes to whom the thanks of the men and the Town is due. There was no improvement in the general conditions in April so the Highway Department still carried the men on its payroll until the town appointed an unemployment committee. The average number of men on the weekly payroll throughout the year was as follows:

January	98	July	59
February	98	August	54
March	89	September	55
April	78	October	55
May	82	November	53
June	70	December	53

This average does not include the men furnished to the Highway Department by the Unemployment Committee or Welfare Department. A total of \$44,687.11 was paid for labor exclusive of snow which was \$2,287.97. These figures do not include teams or trucks.

The following streets were built in 1932: Green Street was reshaped and the entire length built, a section of Webster Street from Harris Avenue to Dedham Avenue was built, a section of Hunnewell Street from Central Avenue easterly was constructed and Broadmeadow Road was built from Bird Street to Greendale Avenue completing the construction of Broadmeadow and making an approach to the Circumferential Highway.

Three streets were built under the Betterment Act: Washington Avenue, Hemlock Street and a portion of Mount Vernon Avenue. These streets were all built at less than the estimated cost.

A detailed financial report of this Department will be found in the Auditor's Report.

Street Construction 1932 Bituminous Construction

Green Street	4,000 sq. yds.
Webster Street	1,600 sq. yds.
Hunnewell Street	2,200 sq. yds.
Broadmeadow Road	2,700 sq. yds.
Making a total of	10,500 sq. yds.

Streets Built Under the Betterment Act

Mount Vernon Avenue	1,000 sq. yds.
Hemlock Street	1,100 sq. yds.
Washington Avenue	3,500 sq. yds.

Gravel and Tar

Webster Street from Dedham Avenue to Howland Street was widened and sidewalk constructed. Brookside Road, two bad corners were widened, graveled and tarred. Parish Road was dug out, graveled and tarred its entire length. Forest Street was widened from 18 to 30 feet and graveled

and tarred. These two streets were built at this time to provide work for the unemployed. Both of these streets are an added asset to the Town.

Parish Road	6,700 sq. yds.
Forest Street	13,000 sq. yds.
Webster Street	1,000 sq. yds.
Brookside Road	500 sq. yds.

Street Surfacing

A total of 38,780 gallons of tar and asphalt were used for maintenance.

Granolithic Sidewalks

There were only five applications for granolithic sidewalks, two on Webster Street, two on Stevens Road and one on Harris Avenue. Granite curbing was set at the junction of Stevens Road and Harris Avenue.

Gravel Sidewalks

Over five miles of gravel sidewalks were constructed this year on streets where no sidewalks had been built previously.

Webster Street	2,600 linear feet
Norfolk Street	1,700 linear feet
Great Plain Avenue	1,200 linear feet
Central Avenue	10,700 linear feet
Howland Street	800 linear feet
Broadmeadow Road	1,200 linear feet
Oak Street	1,100 linear feet
Nehoiden Street	700 linear feet
Highland Avenue	4,500 linear feet
Pleasant Street	500 linear feet
Mount Vernon Avenue	900 linear feet
Washington Avenue	3,000 linear feet

Tar Sidewalks

Highland Avenue	500 linear feet
Hunnewell Street	1,200 linear feet
Hillside Avenue	200 linear feet
West Street	500 linear feet
Great Plain Avenue	2,850 linear feet
Cleveland Road	900 linear feet
May Street	1,500 linear feet
Linden Street	400 linear feet
Chapel Street	300 linear feet
Hemlock Street	950 linear feet
Chestnut Street	1,400 linear feet

More than two miles of old sidewalks were given a tar top a policy which I believe it will be wise to follow in the future.

It was the policy of the Selectmen and the Highway Department to provide the maximum amount of work with the smallest outlay for material. No better work could be found for this purpose than the building of sidewalks.

Drains Laid During 1932

	Length	Size of Pipe	Catch Basins and Manholes
Mount Vernon Avenue	30 linear feet	8 in.	1
Washington Avenue ..	140 linear feet	8 in.	2
Great Plain Avenue ..	40 linear feet	8 in.	3
Howland Street	170 linear feet	36 in.	2
Norfolk Street	100 linear feet	8 in.	1
Forest Street	75 linear feet	12, 15 in.	2
Brookside Road	225 linear feet	8, 10 in.	5
Central Avenue	225 linear feet	8, 12, 18 in.	3
Parish Road	60 linear feet	10 in.	2
Wilshire Park	210 linear feet	45 in.	1
Green Street	886 linear feet	12, 15 in.	6
Oak Street	1,230 linear feet	10, 12 in.	12
High Street	1,250 linear feet	10 in.	12
Off Broadmeadow Road	160 linear feet	18 in.	1
White Property	75 linear feet	30 in.	
Hunnewell Street	2,500 linear feet	10, 12 in.	14
West Street	60 linear feet	15 in.	

Making a total of .. 7,436 linear feet

Recommendations

Streets that should be built this year:

Great Plain Avenue from Nehoiden Street to Marked Tree Road, and if possible Chestnut Street from School Street to Cedar Place. West Street should be widened and built west of the brook. This street should be completed, a start having been made last year.

Respectfully submitted,

JOHN OVERTON,

Superintendent of Streets.

REPORT OF POLICE DEPARTMENT

December 31, 1932.

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit the annual report of the Police Department for the year ending December 31, 1932.

On January 15, 1932, the Department moved from the Town Hall into the new Police Station, which, with its modern facilities and superior accommodations, has made possible more efficient service than heretofore possible.

The first aid room has been used with very satisfactory results in the care of injured persons. This has relieved the hospital of considerable work, and made possible the local treatment of the injured when the hospital has been filled to capacity.

A very desirable feature of the new quarters is an office which affords opportunity for anyone to consult with the Police in privacy. In the former quarters this was impossible.

The ambulance and patrol cars, now under the same roof as the booking desk, have proved of increased value. Instant response to emergency calls is now possible.

These are but a few of the many improvements incorporated in our new station.

I wish to express my thanks to the people of Needham for making such modern quarters available for this department, to the Fire and Police Station Building Committee and to Architect George Ernest Robinson. The interest of all contributed largely to the success attained, and I believe that the Needham Police Station will adequately meet the needs of the Town for years to come.

The signal system has proved its worth in numberless ways. Officers on the street now report to the station at stated intervals, and when officers are wanted quickly the recall lights are indispensable. During the year signal boxes and recall lights have been installed at the corner of Rosemary Street and Highland Avenue, and at Needham Heights Square. The installation of boxes and lights at these last two named locations permits the removal of a telephone and results in a consequent saving to the Town.

With the members of my department I am deeply appreciative of the generosity of Mr. Harry J. Robinson, of this town, our revolver instructor, not only as shown in his gifts, but as expressed in the time, energy, and interest so freely given by him, and through which the efficiency of this department in the use of the revolver has materially increased. I feel that the results that have been obtained under his instructorship are of direct benefit to the public, with the protection of which the police department is charged.

It is a pleasure for me to thank him for the service he has rendered and at the same time to express the hope that he may long continue as Instructor in Revolver Practice in this department.

A number of breaks have been reported during the year. In the majority of cases the guilty persons have been arrested. Investigation of many of these cases has necessitated sending officers to other cities and towns.

Many juvenile cases have been settled out of court, in a very satisfactory manner and to the satisfaction of all concerned. The "Orr" case was one of the more serious cases. Hallowe'en pranks resulted in a number of other cases, and these were settled in the same way.

Bicycle stealing has increased but in nearly every instance the department has been able to recover the machines and return them to their owners.

There have been no automobile accidents resulting in a fatality recorded in Needham during the past year.

All stolen and recovered cars are recorded and filed for quick reference, as reports are received over the teletype system. This has made possible the quick return to owners of stolen cars found in Needham.

On March 3, 1932, an unfortunate accident occurred on Rosemary Lake, to which this department responded. Two three-year old boys lost their lives and a third boy was saved. The police boat proved of immeasurable value upon this occasion.

Two accidental deaths due to carbon monoxide poisoning occurred during the year.

In June the body of a young man was found in an isolated section of the town. The cause of death in this case was given by the Medical Examiner as Accidental Shooting and Exposure. Investigation proved that this man came from a nearby city and had been reported as missing from home.

The following is record of the court cases handled during the year.

Causes of Arrest 1932

Assault and Battery	7
Breaking and Entering	10
Drunk	53
Delinquent Child	14
Illegitimacy	3
Misappropriation of Auto	2
Non-support of Wife and Child	1

Shooting and Exposure	1
Number of autos stolen	5
Number of autos recovered	8
Gasoline used daily	8 gal.
Number of Duty calls recorded	45,136
Defective street lights reported	198
Number of miles covered by auto patrol.....	20,189
Number of miles covered by ambulance.....	457
Number of miles covered by motor cycles....	19,589
Number of ambulance calls.....	37
Total amount of fines received by the Town..	\$326 50
Total amount of money received for revolver permits	\$37 00
Number of complaints received and investigated	609
Number of telephone calls received.....	7,304
Number of traffic tags issued.....	506
Dogs reported lost and found	148
Pay rolls covered	104

In conclusion I wish to express my appreciation of the loyal work of the officers during the past year, and to thank the Board of Selectmen and residents of the Town for their continued co-operation and support.

Respectfully submitted,

ARTHUR P. BLISS,
Chief of Police.

REPORT OF SUPERINTENDENT OF FIRE ALARM

Needham, Mass., December 31, 1932.

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit my annual report as Superintendent of Fire Alarm of the Town of Needham, for the year ending December 31, 1932.

The transferring of the Fire Department Headquarters to the new Fire and Police Station on Chestnut and School Streets necessitated many changes in the signaling system in order that the present battery and switchboard system at the Town Hall could be maintained and at the same time provide the necessary circuits for the future from the Headquarters which would be in accordance with a fixed well-defined plan.

In the new Fire Department Building space has been provided for the installation of a new Fire Alarm Central Office in which to locate up-to-date apparatus and an increased number of circuits, which are greatly needed to provide for additional box and alarm circuits, in order to meet the requirements of the National Board of Fire Underwriters.

In the Watch Room there are provided instruments for the registration of the Town's fire alarm signals, together with signals sent in over the City of Newton and the Town of Wellesley fire alarm signal systems; also telephone connections and fire alarm transmitter for sending out signals. In this room the several firemen take their respective turns as operators so that there is no loss of time in receiving and transmitting important signals.

In the Chief's Office is located a register and time stamp for recording and timing all signals or interruptions received over the fire alarm system.

In the basement of the building provision is made to house the batteries and other equipment to operate the system in the future. A room is also provided for the air compressor, whistle tanks and board so that the fire whistle can be located in the open space in the tower. When this and the Central Office change is made, all apparatus now at the Town Hall, including the repeater in the Assessor's Office could be removed from that building.

During the year underground lead-covered cable has been extended from the new Fire Headquarters to Needham Square and thence to Pickering Street in one direction and to Nehoiden Street in the opposite direction. Cables have also been extended from the building to poles on Chestnut Street and on School Street. These cables are of sufficient capacity to provide the necessary future circuits both for the fire alarm and police signal and recall flashlight systems, all ready to

connect at the above locations for further extensions of the Town's protective signaling systems.

The underground cables are extended in the ducts belonging to the New England Telephone and Telegraph Company; the Town has the use of one duct without any expense. This privilege which the Town has, should be used to the fullest extent in order to safeguard as far as possible the important signal system circuits.

I therefore recommend that a system of improvements in underground service be made each year to extend this important branch of the system.

During the year a portion of the old underground cable from the Town Hall to Dedham Avenue has been renewed owing to defects in the cable which has caused trouble by excessively grounding the fire alarm system. The Mutual Aid Circuit connecting with the Town of Wellesley system, which has been in service for about twelve years has been replaced by an aerial loom cable, doing away with the old twisted pair of wires. Extensive tree trimming has been done to clear the signaling wires to prevent grounds on the system. The Department has been assisted in this work by some of the men from the Welfare Department. All fire alarm boxes have received the necessary inspection tests and have been painted red, together with the banding of the poles so that the fire alarm box location is visible in all directions. Several poles have been placed in order to remove aerial lines and unsightly poles in the immediate vicinity of Needham Square; new circuits have been run on May Street and Nehoiden Street to replace circuits removed. The building of the new Circumferential Highway has caused several changes to be made in the pole lines at various locations in order not only to keep temporary service but also to put same in a permanent condition, later.

The work done on the fire alarm system has required during the year over fourteen hundred (1,400) hours of labor. As this work is increasing each year, the time is near at hand when the entire time of a man will be required for this important branch of the Department.

The work of maintaining the signaling system has been done by members of the Fire Department under the direction of the chief. Mr. Leo C. Brady serves in the capacity of Assistant Superintendent of Fire Alarm.

I wish to thank the Selectmen and members of the Fire Department for their co-operation and assistance.

Respectfully submitted,

T. ROBERT QUINLAN,
Chief of Fire Dept. and Supt. of Fire Alarm.

REPORT OF THE CHIEF OF THE FIRE DEPARTMENT

Needham, Mass., December 31, 1932.

To the Honorable Board of Selectmen:

Gentlemen: — I respectfully present the report of the Fire Department for the year ending December 31, 1932, the forty-seventh of the Department.

The Manual Force

The manual force of the Fire Department consists of forty men and two substitutes, as follows: the permanent force, chief, three lieutenants, and eleven men; the call force, one deputy chief, one captain and twenty-one men, and two substitutes.

On April 1, John A. Keith was advanced to the position of Lieutenant.

Apparatus

The Department is equipped with six pieces of motor apparatus, and one horse-drawn piece as follows: one Chief's car, a Buick coupe, one Maxim 1,000-gallon pumping engine, one American LaFrance ladder truck, one White combination hose and chemical and one Buick forest fire truck at Station 1; one White 600-gallon pumping engine, hose and chemical at Station 2; and one horse-drawn combination hose and chemical wagon stationed at Charles River. The apparatus is all in good mechanical condition.

Hose

An inventory of hose at the present time shows the following: 1,200 feet of 1½-inch hose, 6,600 feet of 2½-inch hose, 200 feet of 3-inch hose, and 650 feet of chemical hose.

During the month of October all hose was tested at a 200-pound pressure.

Fire Stations

On January 23, 1932, the Department moved into its new and beautiful headquarters on Chestnut Street. On March 12, the building was open to the public for inspection and was visited by upwards of 2,000 persons. Spacious, conveniently planned and efficiently equipped, this building, with its quarters for the men of a homey atmosphere, creates a stimulating influence upon the morale of the Department, from the viewpoint of efficiency of operation, as well as that of physical, mental and moral well-being.

With a man on duty in the watch-room from 7 A.M. to 8 P.M., immediate service is given to any inquirer, and by the

use of the modern and convenient system of wiring, connections may be made almost immediately with any part of the building. After 8 P.M. all connections are switched to officers' quarters, permitting instant response to calls made in later hours of the day. Obviously, with this equipment, and numerous others, the service which we are permitted to render is quicker and more efficient in every way.

The Department is deeply appreciative of its new home.

Station 2, at Needham Heights, has been made safe for use, and its life prolonged for a time, despite its many years of service, by the renewing of a portion of the apparatus floor. This necessitated the expenditure of a considerable sum, which, however, was justified, business conditions prohibiting our submitting a recommendation, for a new building here, for a temporary period at least.

Fire Prevention

Much attention has been given during the past few years to this subject of Fire Prevention. Fire departments have become better equipped, more adequately manned, their men more efficiently trained. Much time and effort has been expended by those in authority in town, city and state departments, to educate the public to respect "Fire Prevention." With satisfaction, we compare statistics, and find that it (the public) is gradually reacting most favorably to the work done and the propaganda spread to help prevent fires. It is the result of continued diligence and persistence.

Now we are in the midst of a great business turmoil, and officials of every town and city are forced to demand rigid economy in every department. What will be the demands made on the Fire Department? Will they be of a nature, the result of which will be the destruction of many attainments wrought by the efforts for Fire Prevention; or will those whose sacred duty it is to guard the towns expenditures, realize the danger of false economy in too drastic measures to reduce operation costs? The Department is willing, and is endeavoring, in every respect, to co-operate in this business of cost reduction, but it must be borne in mind that there is a limit to profitable economy in this department.

The regular monthly inspection of business places have been in progress during 1932 as heretofore.

During Fire Prevention Week in October, every school was visited, and test drills given the pupils, and the time consumed in vacating each building was recorded. Rigid inspections of the business districts were made during this week also.

The Department has, as usual, co-operated with the Boy and Girl Scouts, and in response to their requests has given the former instructions in firemanship, taught the latter the

proper method of sounding an alarm, when brought by their Scout Leaders, and has stressed the need of general Fire Prevention to both groups.

I would like to take this opportunity to advise that there are certain State rules and regulations governing the installation of oil-burning apparatus and the storage of oil.

Persons contemplating the installation of oil-burning equipment should get in touch with the Fire Department, file an application, have an inspection made and a permit issued before making any payment for such equipment.

The Massachusetts Department of Public Safety requires that permits be secured for the storage of oil. Such permits can be obtained from the office of the Chief of the Fire Department.

Drills

A hydrant in the station yard for this purpose has enabled us to hold all drills at headquarters during the past year.

The firemen were regularly instructed in the use of the various appliances and equipment, including the inhalator.

Mutual Aid

The mutual aid service with the Town of Wellesley and the City of Newton has been carried on successfully and beneficially again this past year.

The following is a report of the mutual aid responses for the year 1932:

Wellesley to Needham	2 calls
Newton to Needham	8 calls
Needham to Wellesley	4 calls
Needham to Newton	8 calls

With the neighboring Town of Dover, not in the mutual aid agreement, we were glad to co-operate as follows:

Needham to Dover	5 calls
Dover to Needham	1 call

Fire Loss

While the year 1932 had but few more calls on the Department than 1931, there being 241 in 1932, against 219 in 1931, the total loss on buildings and contents was considerably more than in 1931, the 1932 amount being \$32,492.47, while that total for 1931 was \$5,725.17. But it must be borne in mind that the value of buildings and contents at risk, \$406,716, was much greater than the 1931 amount of \$251,456.

Recommendations

Owing to existing business conditions I am withholding from submitting any recommendations for the coming year.

Summary for the Year 1932

The total number of alarms for the year was 241, of which 151 were bell alarms; 90 were still alarms. There were 17 out-of-town calls as follows: Newton, 8; Wellesley, 4; and Dover, 5. Three of the bell alarms were false, 6 were needless, 4 were No School Signals and one was a second alarm. Twelve calls were made on the Department in emergencies other than fire, as follows: overcome by gas fumes, 1; drowning, 2; carbon monoxide gas, 3; dogs overcome by smoke, 1; gasoline truck overturned, 1; leak in hot water tank, 1; gas escaping from vent, 1; tenant locked out, 1; pump water out of cellar, 1.

The amount of hose used during the year was 12,050 feet, the number of gallons of chemical used was 63, and there were 509 feet of ladders raised in the extinguishing of fires.

There was a total of 178 fires, and these, exclusive of 19 chimney fires are classified as follows:

Frame Buildings	32
Automobiles	17
Dumps	4
Grass, Brush and Woods	105
Miscellaneous, including rubbish	24

Probable cause of fires, exclusive of 1 undetermined, are as follows:

Burning with permit	6
Burning without permit	6
Careless use of matches	1
Careless smoking	76
Children	9
Chimney (sparks from)	1
Dumps (sparks from)	1
Electric wires (short circuit) Automobiles	13
Fireplace (sparks from)	1
Incendiary	10
Incinerators (sparks from)	12
Locomotive (sparks from)	1
Oil burners (defective)	3
Overheated stoves	3
Range burners	2
Miscellaneous	13

The amount of value, insurance, estimated loss by fire is as follows:

Value of buildings at risk	\$264,117 00
Value of contents at risk	142,599 00
Total	<hr/> \$406,716 00

Insurance on buildings	\$231,582 00
Insurance on contents	108,636 00
Total	\$340,218 00
Loss on buildings	\$14,063 04
Loss on contents	12,127 64
Total	\$26,190 68
Insurance paid on buildings	\$12,578 89
Insurance paid on contents	19,913 58
Total	\$32,492 47

May I take this opportunity to thank the Selectmen and the various Town departments for their support and co-operation so willingly given during the past year; let me thank, too, all the men of the Fire Department for their continued loyalty to duty.

Respectfully submitted,

T. ROBERT QUINLAN,
Chief of Fire Department.

REPORT OF PETROLEUM INSPECTOR

Needham, Mass., December 31, 1932.

To the Honorable Board of Selectmen:

Gentlemen:— I herewith respectfully submit the report of Petroleum Inspector for the year ending December 31, 1932.

Permits issued for storage of fuel oil for use in	
Domestic oil burners	75
Permits issued for storage of oil for use in Range	
oil burners	310
Total permits issued for storage of fuel oil ..	385
Gallons of fuel oil stored for use in above oil	
burners	35,723

Respectfully submitted,

T. ROBERT QUINLAN,
Petroleum Inspector.

REPORT OF FOREST WARDEN

Needham, Mass., December 31, 1932.

To the Honorable Board of Selectmen:

Gentlemen:— I herewith submit my annual report as Forest Warden.

During the year there were 850 permits issued for the burning of grass, brush, and rubbish. There are still some cases, where people neglect to get permits and in which case, when the Fire Department is called are requested to reimburse the Town for the expense of extinguishing the fire.

Residents requiring to build fires in the open must obtain permits at all times during the year except at such times when snow covers the ground. These permits may be obtained at Fire Department Headquarters, Needham, or at Station No. 2, Needham Heights.

The notices relative to securing a permit from the Forest Warden before setting a fire in the open were posted in numerous conspicuous places throughout the Town, and particularly in the outlying sections.

The following are the extracts from the Massachusetts Forestry Fire Laws:

Setting Fires in the Open Air

Chapter 401, Acts of 1930. No person shall set, maintain or increase a fire in the open air at any time unless the ground is substantially covered with snow, except by written permission, covering a period not exceeding ten days from the date thereof, granted by the forest warden or chief of the fire department in cities and towns, or, in cities having such an official, the fire commissioner; provided, that debris from fields, gardens and orchards, and leaves and rubbish from yards, may be burned on ploughed fields by the owners thereof, their agents or lessees, if such fire is at least two hundred feet distant from any sprout or forest land and at least fifty feet distant from any building and is properly attended until extinguished; and provided, further, that persons above the age of eighteen may set or maintain a fire for a reasonable purpose upon sandy land, or upon salt marshes or sandy or rocky beaches bordering on tide water, if the fire is enclosed within rocks, metal or other non-inflammable material. The forester may make rules and regulations relating to the granting and revocation of such permits binding throughout the Commonwealth. Such rules and regulations shall take effect subject to Section thirty-seven of Chapter thirty, when approved by the Governor and Council. The forest wardens in towns and officials performing the duties of forest wardens in cities shall cause public notice to be given of the provisions of this Section and shall enforce the same. Whoever violates

any provision of this section shall be punished by a fine of not more than one hundred dollars or by imprisonment for not more than one month, or both.

Respectfully submitted,

T. ROBERT QUINLAN,
Forest Warden.

REPORT OF COMMITTEE IN CHARGE OF TOWN NURSERY

To the Selectmen of Needham:

Gentlemen: — The Committee in charge of the Town Nursery have but a very brief report to render this year. The stock in the nursery is now in a highly satisfactory condition and the Tree Warden can, from now on for a number of years, feel assured that there will be a considerable amount of material suitable for transfer to the streets of our town.

Reference to last year's budget will show that the appropriation was the smallest that has been asked for since the establishment of the Nursery. This is possible due to the excellent condition in which it has been kept since its establishment. The money appropriated was expended to the best advantage. It is true that some assistance was received from the unemployed group and this fact helped greatly in making the diminished funds do a great deal.

In spite of the above handicap the Tree Warden has been able to place the following stock along the highways of Needham:

Washington and Harris Avenues	76 Elms
Coolidge Avenue.....	40 Linden
Hemlock Street, Norfolk Street, Central Avenue and Harris Ave.	153 Catalpa
Maple, Otis, Brookline and Warren Streets, Fair Oaks and Wilshire Parks and Dedham Ave. . .	10 Rock Maple
Coulton Park	3 Red Maple

Total trees from the Nursery . . 282

To any one familiar with the current price of good nursery stock it is evident that the Nursery has become a fine investment of the small amount of Town Funds that have been appropriated for it during its short history.

Respectfully submitted,

IRVING COWDREY,
ERNEST RILEY
ALAN McINTOSH,
Committee on Town Nursery.

REPORT OF THE SUPERINTENDENT OF MOTH DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit the report of the Moth Department for the year ending December 31, 1932.

Creosoting of the egg clusters of the gipsy moth has been finished along the roadsides, and is now being done in the woodlands. The condition in Needham is about the same as last year, a light but general infestation, except in some of the woods between South Street and Charles River where there seems to have been an increase.

Owing to the unemployment situation, much more help is now available than for several years, so that a more thorough inspection is possible.

Considerable roadside spraying has been done, and all the roadside elms were sprayed for the elm leaf beetle. This insect is present in small numbers but widely distributed, and it will probably be necessary to spray our elms again next spring.

No browntails have been found. Many webs of the fall webworm have been removed from the roadside trees. This insect has increased in numbers during the last few years, but while causing an unsightly condition, its possibilities for serious damage are much less than is the case with the gipsy or browntail moths.

Another pest which may have to be reckoned with in the future is the Japanese beetle. This has caused serious damage in some parts of the country and is gradually spreading. During the past summer a system of trapping has been conducted by the United States Department of Agriculture to determine the presence of the insect in various places, but only one specimen was found in Needham.

Owing to traffic conditions it is necessary to do most of our roadside spraying very early in the morning. By this practice, while we disturb the morning slumbers of some, we avoid much inconvenience and danger, both to those doing the work, and to automobilists.

Respectfully submitted,

ERNEST E. RILEY,
Superintendent.

REPORT OF THE TREE WARDEN

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit the report of the Tree Warden for the year ending December 31, 1932.

Much work has been done by this Department during the past year which would have been impossible with the funds ordinarily at our disposal. This was made possible by the welcome co-operation of the Welfare Department and the Unemployment Committee who furnished us a number of men.

Many branches interfering with the use of streets and sidewalks have been removed. Dead and interfering branches were cut off and some bracing and cavity work done. There is much of this still to be done.

Two hundred and eighty-two trees from the town nursery were set out on the roadsides last fall. Some of these, mostly on Harris Avenue, have been broken off, evidently by boys. This is a serious matter, resulting in considerable expense for replacement and in the loss of a year in the growth of the tree.

On some streets the trees interfere seriously with the lights. Wherever trimming has been done we have attempted to remedy this as far as possible without too much mutilation of the tree.

Considerable damage is done at times by removal of branches to clear wires, and roots in sidewalks and highway construction. Those in charge of this work, both the representatives of the Edison and the Telephone Companies, and Mr. Overton, have co-operated closely with this Department to make such damage as small as possible.

Respectfully submitted,

ERNEST E. RILEY,

Tree Warden.

REPORT OF SEALER OF WEIGHTS AND MEASURES

Needham, December 31, 1932.

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit the annual report of the Sealer of Weights and Measures Department.

One hundred and eight annual inspections were made. There seems to be an impression on the part of a good many that the annual inspection is all there is to be done. A few minutes talk with the Sealer would show them how much to their advantage his duties are.

No complaints have been made serious enough to be noticeable; no irregularities have been noticed.

Fees amounting to \$90.65 have been received and turned over to the Town Treasurer.

Respectfully submitted,

WILLIAM H. STANTON.

REPORT OF DOG OFFICER

To the Board of Selectmen:

I herewith submit my report for the year ending December 31, 1932.

Eight hundred and fifty-four dogs have been licensed showing an increase of fifty over the preceding year. I have had numerous complaints from automobile drivers with regard to dogs chasing cars. This habit is very dangerous both to drivers and to dogs, and owners of such dogs should keep them restrained in order to avoid accidents.

A number of dogs running at large without collars have been disposed of. If dogs were properly collared with their license number attached, owners could be promptly notified, in regard to stray dogs.

Respectfully submitted,

WM. W. HEWETT,

Dog Officer.

REPORT OF THE BUILDING INSPECTOR

Needham, Mass., December 31, 1932.

To the Honorable Board of Selectmen:

Gentlemen:—I herewith submit my sixteenth annual report as Building Inspector, and the twentieth of this department. The estimated cost of construction, a total for the year of \$216,640, is shown by the monthly issue of permits as follows:—

	No. Permits	Estimated Value
January	9	\$16,800 00
February	8	16,925 00
March	6	10,150 00
April	14	15,385 00
May	11	9,200 00
June	12	10,675 00
July	13	24,210 00
August	18	58,575 00
September	13	15,665 00
October	13	6,530 00
November	15	27,275 00
December	3	5,250 00
Totals	135	\$216,640 00

The number of building permits issued from this office during the past year is 135, classified as follows:

	No. Permits	Estimated Value
Dwellings	23	\$144,350 00
Garages	48	16,015 00
Additions and Alter.	43	38,125 00
Miscellaneous	21	18,150 00
	<hr/> 135	<hr/> \$216,640 00

During the year there were eight permits authorized by the Board of Selectmen, and issued as follows: three on Reservoir Street for moving and remodeling dwellings (the result of the building of the new State Road), and one on South Street, caused by widening the street as ordered by the County Commissioners; one for addition to garage, after public hearing; one for remodeling shop to garage; one for boiler room, and one permit for addition to factory.

One garage was authorized within 25 feet of the street by the Board of Appeal.

The plumbing inspectors appointed this year by the Building Inspector are:

Jeremiah F. Buckley, 109 Dedham Avenue, who has held this office for the past forty years. (Appointment expires May 5, 1933.)

Llewellyn W. Stevens, 796 Webster Street. (Appointment expires April 16, 1933); and

Harold D. Toone, 191 Hillside Avenue, Needham Heights. (Appointment expires May 5, 1934.)

During the year two offenders were taken to Court by this Department for violation of the Plumbing Laws. One was fined \$10 and one \$25 in the District Court at Dedham.

The Building Comparison for the past sixteen years is shown by the following table of the yearly totals of estimated value of permits issued.

In 1917	\$211,120 00
In 1918	102,485 00
In 1919	384,876 00
In 1920	332,825 00
In 1921	655,090 00
In 1922	716,620 00
In 1923	1,166,950 00
In 1924	1,376,100 00
In 1925	1,223,720 00
In 1926	980,865 00
In 1927	1,060,225 00
In 1928	1,205,795 00

In 1929	\$1,873,435 00
In 1930	945,790 00
In 1931	748,245 00
In 1932	216,640 00
Total for past 16 years.....	\$13,200,781 00

The lodging houses of the Town have been inspected and made to comply with the State regulations.

The amount collected for permits and turned over to the Town Treasurer for the use of the Town is as follows:

Building	\$331 00
Cesspools	64 00
Plumbing	241 50
Gas	74 50
Total	\$711 00

A final inspection is made on all buildings and when all requirements of the inspection department are met, a certificate for occupancy is issued by the Building Inspector.

All permits issued under the jurisdiction of the Building Code must be taken out before work is started.

Office hours of the Inspection Department are from 8.30 to 12 noon each week day excepting Saturday, 8.30 to 10 A.M. At the Town Hall, Telephone 0128-J.

Penalties

Article XXI, Section 3

Whoever violates any provision of these By-Laws shall be punished by a fine of not more than one hundred dollars.

In conclusion I wish to express my appreciation of the co-operation given this department by the Board of Selectmen and the Planning Board.

Respectfully submitted,

H. HOWARD UPHAM,

Building Inspector.

REPORT OF WIRE INSPECTOR

December 31, 1932.

To the Honorable Board of Selectmen:

Gentlemen:— Herewith is submitted the report of the Inspector of Wires for the year ended December 31, 1932, giving a monthly record of permits issued and the amounts paid over to the Town Treasurer.

Month	No. Permits	Paid Treasurer
January	22	\$62 50
February	15	35 00
March	33	76 00
April	24	63 50
May	29	60 65
June	25	53 80
July	24	43 00
August	35	71 50
September	51	101 00
October	29	85 50
November	49	105 00
December	28	60 50
	364	\$817 95

Owing to the continued decline in the construction of new buildings, there was a coincident falling off in the number of permits issued during the fiscal year of 1932. During the calendar year of 1931, 447 permits were issued as against 364 for the current year, while in 1931 there was turned over to the Town Treasurer \$1,063.90, the income from this source was \$245.95 less in 1932. For the past four-year period, the record is:

Year	No. Permits	Income
1929	464	\$1,462 90
1930	419	1,168 15
1931	447	1,063 90
1932	364	817 95

The permits issued this year were nearly all for electrical appliances.

Copies of the Rules and Regulations governing the installation of wiring and appliances may be had at the office of the Inspector of Wires in the basement of the Town Hall between the hours of 8.30 A.M. to 12 Noon daily, except Saturday, on which the hours are from 8.30 A.M. to 10.00 A. M.

A permit must be obtained before any wiring or other electrical work is started.

Respectfully submitted,

JOSEPH ALEXANDER,
Inspector of Wires.

REPORT OF TOWN ENGINEER

December 31, 1932.

To the Honorable Board of Selectmen:

Gentlemen:— In accordance with the amendment of Article 2, Section 4A of the Town By-Laws, I herewith submit the fourth annual report of the Town engineer:—

The following is a list of assistants employed during the year:—

Assistant on Sewers and Drains, Norman M. Winch.
Assistant on Highways and Assessors' Plans, Frank L. Cheney.

Transit men:—

Arthur Cohen (37 weeks)
Whiteley Ackroyd (June 13 to Sept. 17)

Rodman:—

Levi Ladd (July 15 to Sept. 24).

Financial Statement

Showing distribution of salaries expended and charged to the various departments:—

Highway Department:—

Betterment Streets:

Hemlock Street	\$155 52
Washington Avenue	226 96
Mount Vernon Avenue	131 47
Wachusett Road	14 61
Manning Street Extension	36 93

Betterment Walks	58 19
------------------------	-------

Highway General:—

Streets	284 25
Drains	273 90
Miscellaneous	141 75

Sewer Department	1,285 00
------------------------	----------

Assessors	1,000 00
-----------------	----------

Other Departments:—

School	61 45
Park	13 40

Unclassified Engineering	2,655 67

Auto Maintenance	200 99
------------------------	--------

Total

\$6,859 32

Transfers from various departments	\$2,630 89
Expended from appropriation	\$4,228 43
Unexpended balance	771 57
Appropriation	\$5,000 00

Inventory

Town property belonging to the Engineering Department:	
1930 Chevrolet Beverly	\$300 00
Transit	300 00
Equipment	540 00
Supplies	60 00
Total	\$1,200 00

Highway Department

Betterment Streets

Lines and grades were established, titles of abutting properties examined, plans, schedules and estimates were furnished for the levying of assessments under the Betterment Act due to the acceptance and construction of the following streets:

Washington ave. and

Great Plain Ter. . .	1,560 linear feet	3,500 square yards
Mount Vernon Ave. .	350 linear feet	1,000 square yards
Hemlock Street	465 linear feet	1,100 square yards

Granolithic Walks

Lines and grades were established, titles of abutting properties examined, plans and schedules were furnished for the levying of assessments under the Betterment Act due to the construction of 617 linear feet or 371 square yards of granolithic walks on the following streets:—

Stevens Road, east side near Harris Avenue

Harris Avenue, at Stevens Road

Webster Street, between Harris Avenue and
Gordon Road.

All of the above granolithic work was performed by the Highway Department this year and charges to abutters were based on a unit price of \$1.50 per square yard for all walks of 4-inch thickness and \$2.00 per square yard for all aprons and driveways of 8-inch thickness.

Lines, grades and plans were given to the Highway Department for furnishing and setting 54 linear feet of granite curbing on both corners at the intersection of Harris Avenue and Stevens Road.

General Streets

Lines and grades were furnished the Highway Department for reconstruction work on the following streets:—

Brookside Road	West Street
Forest Street	Bird Street
Kendrick Street	Broadmeadow Road
Cheney Street	Webster st. (Harris to Dedham)
Green Street	Webster st. (Dedham to Howland)
Parish Road	Nehoiden Street

Lines and grades were furnished for the construction of gravel walks on various streets throughout the Town.

Drains

Further studies of the various drainage districts throughout the Town have been made this year.

Lines and grades were furnished to the Highway Department for installation of a total of 6,084 linear feet; for details as to lengths, sizes, etc., see report of the Superintendent of Highways.

Twelve sectional maps of the Town drawn to a scale of 1 inch to 200 feet are nearing completion. The general topography with complete layout of the entire Town drainage system showing various sizes, directions of flow, and locations of all existing drains as well as all proposed should be incorporated into these plans as soon as the expense of time will permit. A true record of all manholes, catch basins, elevations and gradients of all main drains should also be compiled.

Investigation discloses that the experience in the past has been to install many Town drains through public streets as well as private properties without filing any record of same.

Mosquito Control Work

In accordance with the suggested proposal of the State Department of Agriculture as submitted to our local Board of Health, considerable improvement in the condition of Rosemary Meadows has been accomplished. The area affected contains approximately 50 acres of meadow land bordering on West Street and Central Avenue. The main brook has been cleaned for a distance of 6,050 feet from the dam at Carter's lower mill to the Water Department land of the Town of Wellesley. Both culverts under Central Avenue and West Street have been cleaned and wing walls constructed where necessary to prevent the wash of debris from the banks which has obstructed the flow of water. Approximately 3,500 linear feet of side brooks and ditches have also been cleaned. This work has assisted in the elimination of the stagnant pools as breeding places for mosquitoes. All labor was furnished by

the Special Unemployment Construction Work Committee. An average force of 12 men was employed from September 6 to December 31. Tools were loaned by the Tree Warden's Department, Highway and Sewer Departments. Six pairs of rubber boots were supplied by the Board of Health and nine pairs were loaned by the Sewer Department.

This particular job which was originally created to provide for the unemployed should be continued, for although the water level has been lowered 18 inches at West Street, only 4 inches has been the result at Central Avenue due to the deplorable condition of the brook through the Wellesley Water Works Lands in Needham, and through the Town of Wellesley to the culvert under Wellesley Avenue. However, considerable improvement over the present state could be made between West Street and Central Avenue by the removal of more loose materials from the bed of the main brook and more side ditches should be constructed in order that a continuous unobstructed flow may be obtained as the brook settles back to a natural state.

The slope of the brook from the Meadows and through the Town of Wellesley, at a rate of 1 foot fall in 1,500 linear feet, is not sufficient to assure an unobstructed flow. Occasional supervision and maintenance would assist in confining the flow of the brook to the main channel by preventing vegetation and accumulation of debris.

The work thus far is believed to have greatly benefited the immediate vicinity of the meadows as well as the general community. There are many other districts throughout the Town which should be cared for in the same manner which would result in like benefit to the Town as well as relief to unemployment. Although at times working conditions were rather unpleasant to the men they fully appreciated the opportunity to serve and have completed their particular duties in good workmanlike manner.

Sewer Department

Lines and grades were established for the construction of 2,757 feet of sewers by the regular force of the Sewer Department. With men from the Special Unemployment Construction Work Committee 1,800 feet of gravity line and 1,430 feet of force main were installed in West Street. This latter job was closely associated with the Mosquito Control Work in that the Sewer Department provided tools, trucks, supervision and all materials. The work of one job assisted the other by controlling the water, more especially in the installation of the sewer pipes under the brook at the West Street culvert.

A portion of the engineering work necessary for the design of the West Street Pumping District has been accomplished.

Five additional Record Sewer Plans have been made this year, making a total of eighty-five street plans and two index plans on file in the custody of the Sewer Commissioners. For details as to the length, cost, etc., of all sewers constructed during the fiscal year, see report of the Superintendent of Sewers.

Assessors' Department

Previous to the establishment of the Town Engineering Department the Assessors annually expended \$1,000 from their appropriation for block plans. This work has since been carried on by the Engineering Department at the request of the Assessors and financed wholly from an allowance in the general expenditures of the Engineering Department and not charged back to the Assessors' Department. This arrangement is satisfactory to the Board of Assessors inasmuch as they are receiving more work from this Department than they previously received for the same amount of money through the employment of outside engineers.

The above work is enabling the efficient operation of the Assessors' Department in more accurately determining the correct areas of various properties and assuring the assessment of every parcel of land.

An accurate survey covering an area of about 1,100 acres has been made this year of the territory bounded by Central Avenue, High Rock Street, Chestnut Street, Charles River and Charles River Street for the purpose of continuing the block plan system. The results of this survey are shown on six additional record plans making a total of eighteen plans on file in this office. These record plans show all physical features and other information pertaining to the boundary lines of the streets and parcels of land as well as the owners' names and areas of each property.

All survey lines and information pertaining thereto are shown on these plans in such manner that it will facilitate reproduction in the field and for the purpose of co-ordinating the Town in the future. The original plans in this office as well as all block plans submitted to the Assessors are kept up to date by making all changes each year of ownership and subdivision. All known state triangulation points and other bounds are shown. These original record plans are kept on file in this office and are applicable to various street plans, drainage and sewer plans, and other uses for which public plans are required. They are open to the inspection of everyone and careful scrutiny by land owners is invited.

From these plans a total of twelve block plans will be drawn and furnished to the Assessors as a part of the block system, making a total of thirty plans submitted by this Department on which all required information is shown.

For economical reasons it is most urgent that this work be continued each year. Approximately one-half of the Town is now covered and some of the most difficult sections have been completed. The work accomplished this year has included the section known as High Rock Woods which was found to be the most difficult section encountered, due to the lack of information pertaining to the descriptions in the deeds as recorded, except in certain cases where the personal co-operation of the owners assisted in determining the boundaries.

School Department

Property lines were determined and stone bounds set at all corners of the property of the Riverside School. The northerly line of the new High School property was determined and staked out.

Boundary lines of the Harris School property were determined and grades were established for the purpose of reggrading the yard and driveway.

Park Department

Lines and grades were established and contour plans furnished to the Park Commissioners for the purpose of grading Coulton Park.

Unclassified Engineering

Under this heading the Engineering Department lists all work which previous to the establishment of this Department was financed from the unclassified account in which no appropriation for engineering work is now made available. The costs for such work are, therefore, not chargeable to any department but are financed wholly from the Engineering appropriation for which an allowance has been made.

Proposed Streets: —

Engineering work has been done on the following streets which were proposed to be accepted and built under the Betterment Act during 1932. The plans, layouts and profiles, schedules and estimates have been prepared.

Manning Street Extension — Wachusett Road

A total of \$51.54 which has been expended should be charged to these streets when constructed.

House Numbers: —

There are still many streets throughout the Town on which houses have not been properly numbered. At the present time only the most urgent cases are attended to and then only as requested by property owners. The existing confusion in house numbers on various streets throughout the Town should be rectified as soon as possible and this Department

will endeavor to do so as soon as the expense of time may be permitted. The assignment of house numbers in conformity with Article 2 of Section 8 of the Town By-Laws requires that the extensions of such streets as Manning Street and Washington Avenue be renamed or that the entire streets be renumbered.

The layout of the new State Highway which includes portions of Greendale Avenue and Reservoir Street should be designated by a name and other streets affected by this new Highway should be renamed before numbers can be assigned to the houses on these streets.

However, as the surveys for the Assessors' block plan system are continued we are producing plans which are applicable to numbering houses.

Lines and Grades: —

Street Lines and grades have been furnished property owners when requested, on such streets not well defined, for the purpose of establishing grades of walks and driveways.

Street Layouts: —

Plans have been made of the following streets for the purpose of establishing and reproducing the boundaries: —

Bird Street — Forest Street, Near Wellesley Line

Miscellaneous: —

Stone bounds were set at all angle points and at the beginning and end of curves on all streets accepted this year, and this Department has reproduced many bounds on other streets which have become lost or were never determined.

Considerable service has been rendered by the Engineering Department to the Special Committee on Street Lighting of which the Town Engineer was Chairman. A plan showing locations of street lights and a tabulation showing number, types, and sizes of the lamps comprising the entire street lighting system were furnished. These records will now be on file in this office and kept up to date by correcting for changes and future installations.

Service has also been rendered to the Legal Department, such as the furnishing of plans for submission to Court in connection with accident suits, and land takings.

Various investigations have been made, grades and property lines determined, terms and conditions established and such other assistance rendered to the Selectmen for the purpose of protecting the Town's interest in the issuance of permits for the operation of sand and gravel pits.

A plan and description was prepared and approved by the owner of property through which easement was granted for the purpose of the construction of a gravel and tar walk

on Great Plain Avenue between Mayo Avenue and Stevens Road.

Various conferences were held with the State Engineers and others for the purpose of assisting in obtaining the installation of traffic signal lights and other details pertaining to the newly constructed State Highway.

Various assistance has been rendered to property owners and others relative to street lines, grades, Town By-Laws, Zoning By-Laws, sewers, drains, etc.

This Department has endeavored to continue the practice of procuring all valuable engineering data to be recorded in this office for the convenience of the Town.

I take this opportunity to thank all department assistants for the careful execution of their duties; also all other department heads who have so generously rendered their support in an effort to make this year's work successful.

Very respectfully,

LESTER C. HOLLIS,

Member, Boston Society of Civil Engineers.

REPORT OF MEMORIAL PARK TRUSTEES FOR THE YEAR 1932

Early in the year, the trees on the Park were thoroughly pruned under the direction of Mr. E. E. Riley, the Town Tree Warden. The unemployed were used in this work.

In the spring half of the football field was reseeded and a good catch of grass was obtained.

The football field, baseball field and track were used by the High School for all their athletic activities. During the summer the baseball field was used daily by local teams.

The grounds have been kept in excellent condition by Mr. Hughes.

Several hundred loads of gravel were used in filling the hole on the Highland Avenue boundary.

In spite of a 50% reduction in the appropriation, the Park has been well maintained and is now in the best condition it ever has been.

T. J. CROSSMAN, *Chairman,*
Memorial Park Trustees.

REPORT OF THE PARK COMMISSIONERS FOR THE YEAR 1932

To the Honorable Board of Selectmen:

The Park Commissioners respectfully submit their annual report. During 1932, Thorpe Memorial, Vesta, Noyes, Fair Oaks and Harris Avenue Parks, Needham Heights Common, the Bathing Reservation and minor plots located at Hurd's Corner, and at Reservoir Street have come under our jurisdiction.

During the year the small park at Reservoir Street has been obliterated by construction by the State of the new circumferential road known as "Route 128."

Under our direction, in connection with unemployment relief, the triangular area, off Harris Avenue, known as Coulton Park, has been improved by the removal of underbrush and grubbing over of existing topsoil. No funds were available for proper loaming and seeding of this area.

At the Bathing Reservation, the land was improved by the removal of brush and by grading. A new raft was built and installed and an intercollegiate diving board, so-called, was installed. Continued use of the Reservation has justified these improvements.

The Commissioners wish to express their appreciation of the co-operation of the Tree Warden, who at his own suggestion provided from the Town Nursery and set out many trees in the grass plot along the easterly portion of Harris Avenue.

For the maintenance and improvement of these public properties we have expended the sum of \$4,240.84 as follows:

Upkeep and improvement	\$3,802 21
Equipment and repairs	230 13
Bathhouse supervision	197 50
Water	11 00
	<hr/>
	\$4,240 84

Recommendations for 1933: The Commission will have the usual upkeep of parks and reservations and is desirous of maintaining the properties in as good a manner as in the past, but in view of the present desire of all citizens for economy, does not contemplate any new work and hopes by the present fall in the cost of labor and materials to further reduce the cost of maintaining the parks.

Therefor, the Commissioners ask for a reduction in their appropriation of \$700.00 and now recommend that the Town set aside for the use of the Park Commission the sum of \$3,500.00.

During the latter part of the year the Commission has been deprived, through resignation, of the services of Mr. I. Tucker Burr, Jr., and the remaining members take this occasion to express for the Town, as well as for themselves, appreciation of his valued services and counsel during the many years which he has served as a member of this board.

Respectfully submitted,

PRESTON MITCHELL, *Chairman*,
FREDERICK KINGSBURY, *Secretary*,
I. TUCKER BURR, JR.

REPORT OF THE TRUSTEES OF THE GLOVER MEMORIAL HOSPITAL

To the Honorable Board of Selectmen:

The Trustees of the Glover Memorial Hospital respectfully submit their report for 1932.

The Hospital has continued in its mission to relieve suffering and tenderly care for those who desire its services.

Its limited space has often been utilized to its fullest capacity and many times we have been perplexed to provide room when needed. Accident and other emergency cases demanding immediate treatment have had our special attention and although greatly handicapped for room, yet we have efficiently and effectively cared for a number of these unfortunates.

Economies have been put into effect and we are in hopes to make further savings.

It is the earnest purpose of all our personnel to do everything possible to heal and restore to health and usefulness any who avail themselves of our privileges.

Respectfully submitted,

JAMES M. McCracken, *President*,
MARGARET O. CHASE, *Secretary*,
DAVID E. MANN, M.D.,
FRANCES E. ROWLANDS,
WILLIAM MITCHELL, M.D.,

Board of Trustees.

SUPERINTENDENT'S REPORT

To the Board of Trustees of the Glover Memorial Hospital and to the Citizens of the Town of Needham:

The following is a brief report of the work carried on at the Glover Memorial Hospital for the year ending December 31, 1932:

Number of patients admitted	393
Average stay in hospital	6 days
Number of male patients	172
Number of female patients	221
Number of medical cases	10
Number of surgical cases	284
Number of maternity cases	64
Number of births	64
Number of outpatients	135
Surgical operations, major	149
Surgical operations, minor	145
Deaths.....	9
Number in Hospital, December 31, 1932	9

Although Donation Day in November did not compete with the previous year, we are very grateful for all donations received, which included jellies, preserves, vegetables and fruits, all of which were found very useful.

In behalf of the hospital, I wish to extend thanks to the Ladies' Aid for the sewing and mending they have done throughout the year.

Respectfully submitted,

B. J. YOUNG, R.N.,

Superintendent.

REPORT OF PLANNING BOARD

Needham, Mass., December 31, 1932.

To the Inhabitants of the Town of Needham:

The Planning Board has held its regular sessions on Tuesday evenings, to hear all persons desiring to discuss with the Board any plan or suggestion in which the Board might be interested.

Due to the building of the new highway No. 128 there were a number of situations created which required the combined consideration of the Planning Board and the Board of Selectmen, to prevent violations of the Zoning By-Laws.

During the past year, there have also been numerous instances requiring the Planning Board's attention in connection with gravel pit permits, which permits can only be

granted under proper restrictions laid down by the Board of Selectmen. Practically all of these cases were settled amicably, without endangering the Town's present or future interests, through the co-operation of the petitioners, the Board of Selectmen and the Planning Board.

The Planning Board gave consideration to the provision of Article 16 of the Town Warrant for the Town Meeting of March 16, 1931, under which the Planning Board was appointed as a committee by the Board of Selectmen, to investigate the needs of the Town offices, necessitating either the renovation of or additions to the present Town Hall. All of the various offices and departments in the Town Government were requested to advise the Planning Board of this information, but in view of the economic situation, the Planning Board, after conferring with the Board of Selectmen, postponed further consideration for another year and will request that the Town grant further time for the consideration of this subject.

The new circumferential highway has opened up a new problem of zoning for Needham — this highway, practically its entire length in Needham being zoned for single residences. Two petitions have already been filed and hearings will be held, looking to change small plots from single residence to business districts, with the object in mind of installing gasoline stations and other businesses, such as hot dog stands, quick lunches, over-night cabins, amusement spots, dance halls, etc. The adjoining towns through which this highway passes are seeking the co-operation of the Town of Needham, in an endeavor to keep this highway free of such encroachments. The Planning Board are giving very serious consideration to the advisability of recommending any encroachments as above being permitted on this highway, but has not as yet committed itself to any policy for or against them and will not do so until it has investigated the situation thoroughly. Two petitions have already been filed with the Planning Board for changes in the zoning restrictions on this highway, on which hearings will be held, which will probably be followed by Articles in the Town Warrant on behalf of those interested in securing such a change.

ARTHUR G. CURREN, *Chairman*,
ARTHUR W. ROHN,
ERNEST B. ALLEN,
WILLIAM ADAMS,
GEORGE A. YOUNG, *Secretary*,
Town of Needham Planning Board.

REPORT OF THE BOARD OF HEALTH

To the Citizens of Needham:

For the past nine years the State Department of Public Health has conducted the Chadwick Clinics throughout the Commonwealth. These Clinics are for the early determination of tuberculosis among school children. As requested by the State Department of Public Health, the School Committee and the Board of Health have made a joint request for the Clinics to be held in Needham. The Board of Health wishes to thank the School Committee for its co-operation in this matter.

No child can be given the examination at the Clinics without the written consent of its parents. Slips for such consent have already been distributed by the School Department. It is expected that the clinics will be held in Needham during March. All parents are strongly urged to avail themselves of this opportunity. If the simple test and X-Ray examination show the presence of the childhood type of tuberculosis, it is most important that under proper supervision, the simple remedies of proper diet, rest and sunlight may be carried on at home. The Board of Health will be very glad to answer any inquiries concerning the Clinics.

The Norfolk County Health Association has made it possible for a start to be made in the vital work of home visiting of tuberculosis cases. The Board of Health has consistently recommended a definite tuberculosis program with clinical service and a part-time nurse. The co-operation by the Association is much appreciated. The citizens should bear in mind that such a tuberculosis program is one of the primary duties of a Board of Health and that in the end it would be a measure of economy. At the present time a large part of the health appropriation is expended for the hospitalization of tuberculosis. Part of this money is refunded to the Treasury of the town by the State Department of Health. Modern public health practise places all the emphasis upon preventive measures, which is the object of a definite tuberculosis program. A Clinic and home visits will sometimes effect a cure without hospitalization.

The Board wishes to thank the Special Unemployment Committee and Superintendent Hollis for the excellent progress which was made in the mosquito control work, and we hope that this will be continued another year.

The Board wishes to express its sincere thanks to all the physicians who by their efforts and services helped to make the recent diphtheria immunization campaign a success. The clinics could not have been carried out successfully without

the co-operation and help of the Visiting Nurse Association and the ladies who so faithfully assisted at all the clinics.

The Board wishes to call attention to the splendid work done by the Visiting Nurse Association through the Visiting nurse, Miss Eugenia Minor and her assistant Miss Bertha L. Ellis. The prenatal, maternity and post-natal care given by the visiting nurse is a direct contribution of greatest importance to the health work in the community. Also the Baby Clinic made possible by the Needham Branch Red Cross and conducted by Miss Minor is another outstanding achievement. During the past year the Visiting Nurse Association was responsible for two pre-school age clinics which in other years have been conducted by the Board of Health. All of these activities help to give the community a more complete health program than would otherwise be possible. Thanks are due, therefore, not only to Miss Minor and Miss Ellis, but also to the officers and members of the Visiting Nurse Association and the Needham Branch Red Cross, for their splendid co-operation.

Outline of Health Work in Needham

Following is a list of activities carried on by the Needham Board of Health:—

Vital Statistics—which include census figures, birth and death rates, infant mortality rates, records of communicable diseases.

Laboratory Service—which includes examination of milk and water supplies, and free diagnostic service for physicians.

Sanitation—which includes sanitary inspection, control of nuisances, garbage and water disposal.

Control of Communicable Disease—such as Diphtheria Immunization Clinics and Hospitalization.

Following is a list of the other health activities of the town:

Norfolk County Health Association—Home visits in tuberculosis cases, four girls sent to the Norfolk County Health Association Summer Camp, Tuberculosis Seal Sale conducted, which provides money for its activities in Needham.

Needham Branch Red Cross—Responsible for Baby Clinic conducted by Miss Minor, two courses in home nursing and care of the sick given by Mrs. Smith, the School Nurse.

Visiting Nurse Association—General nursing care by home visits, prenatal, maternity and post-natal care, pre-school child welfare clinics, assistance in Baby Clinic and Diphtheria Clinic by Miss Minor.

School Department—Yearly physical examination of all children by school physicians, assisted by the School Nurse, Mrs. Smith, yearly eye and ear examination with audiometer conducted by the School Nurse, teaching of health habits by the School Nurse, a program of physical education including posture work, gymnastics and athletics, request to the State Department of Health that the Chadwick Clinics be held in Needham.

Needham Health League—An organization to co-ordinate the health activities and promote health education in the community. A meeting was held in March, 1932, at which Professor Murray P. Horwood and former Commissioner of Probation, Herbert C. Parsons, spoke.

New Century Club — The Public Health Committee of the New Century Club made a survey of health work in the town, and also conducted a children's community playground on Green's field during the summer months.

Needham Village Club — Conducted a children's community playground during the summer months at Needham Heights.

With this brief survey of the entire health activities of the town it will be seen that a well-rounded program is being undertaken in Needham. It certainly shows a fine community spirit among the health organizations of the town when all these departments and organizations, together with the Board of Health, will work for a community health program. It will be seen that the most important omission in the program is in connection with tuberculosis.

The following recommendations are made by the Board Health —

Recommendations —

1. That the Board establish a definite tuberculosis program, with clinical service and a part-time nurse.
2. Continuation of the Mosquito Control Work.

LESLIE B. CUTLER, *Chairman*,
DAVID E. MANN, M.D.,
ROBERT N. McCLELLAN.

REPORT OF THE HEALTH OFFICER 1932

To the Board of Health of Needham:

I have the pleasure to submit the following report for 1932.

General Administration and Vital Statistics

The issuing of certain licenses by the Board of Health form part of the general administrative duties. In 1932, 129 licenses were issued as shown in Table I.

TABLE I — LICENSES AND FEES — 1932

Number Issued	License for	Fee	Amounts Received
30	Denatured alcohol	\$1 00	\$30 00
17	Manicure and massage	1 00	17 00
75	Milk	50	37 50
4	Pasteurizing plants	10 00	40 00
3	Undertakers	1 00	3 00
129	Licenses issued	Total fees received	\$127 50

The current vital statistics are noted in Tables II and III. The population is estimated as of July 1 for each year. The birth and death rates are corrected by deducting still-births and non-residents and including the births or deaths of residents which occurred out of Needham. The rates shown represent the number of births or deaths of residents which occurred for every 1,000 persons. The infant mortality rate is the number of deaths of infants under one year of age for every 1,000 live births in a year. 1932 witnessed the lowest death rate of recent years, namely, 8.1 per 1,000.

TABLE II — POPULATION AND CORRECTED DEATH RATES

Year	Mid-Year Population	Total Deaths	Deaths of Non-Residents	Still-births	Deaths of Residents	Death Rate
1925	9,069	88	10	4	74	8.2
1926	9,443	100	4	0	96	10.2
1927	9,817	104	3	1	100	10.2
1928	10,191	116	4	5	107	10.5
1929	10,565	112	14	2	96	9.1
1930	10,939	122	11	4	107	9.8
1931	11,313	128	3	3	122	10.8
1932	11,687	107	9	3	95	8.1

TABLE III — CORRECTED BIRTH AND INFANT MORTALITY RATES

Year	Total Births	Births of Non-Residents	Resident Live Births	Birth Rate	Infant Deaths Residents	Infant Mortality Rate
1925	191	12	175	19.3	5	29
1926	184	9	175	18.5	6	34
1927	188	10	177	18.0	8	45
1928	202	10	187	18.3	12	64
1929	179	15	163	15.4	5	31
1930	185	14	167	15.3	6	36
1931	187	11	173	15.3	7	40

Communicable Disease Control

Two hundred and ninety-nine cases of communicable diseases were reported in 1932 (see Table IV), and of these forty-eight were dog bites. A total of sixty-one cases of scarlet fever were reported with no fatalities or serious after-effects. All cases were promptly investigated and twenty-one were hospitalized. Whooping cough with ninety-four cases was the most prevalent communicable disease. Three cases of diphtheria were noted, of which two cases were hospitalized. There were no cases of infantile paralysis.

TABLE IV — CASES OF COMMUNICABLE DISEASES REPORTED IN 1932

DISEASE	Jan.	Feb.	Mar.	April	May	June	July	Aug.	Sept.	Oct.	Nov.	Dec.	Total
Chicken pox	4	..	2	5	4	3	..	1	2	..	8	..	29
Diphtheria	1	..	1	1	3
Diseases of eye	1	1
Dog bites	3	5	1	2	7	7	5	2	4	3	7	2	48
German measles	2	1	3	3	..	1	1	11
Gonorrhea	1	1	1	1	3	7
Influenza	1	1
Lobar pneumonia	1	..	3	1	5
Measles	1	2	2	4	1	1	2	1	14
Mumps	2	3	7	4	..	1	17
Scarlet fever	3	6	11	7	4	2	5	..	9	14	61
Tuberculosis:													
Pulmonary	1	1	2
Other forms	1	1	1	3	6
Whooping cough	3	..	9	23	25	9	9	10	4	1	..	1	94
Totals	17	13	29	47	50	28	16	20	23	8	25	23	299

As in former years, with the co-operation of the Visiting Nurse, children who were contacts with cases of tuberculosis or suspects were taken to the Norfolk County Hospital for a complete examination and X-Ray. Many of these children had already been examined in previous years and improvements were noted. Two of these children were reported as having the childhood type of tuberculosis as a result of these examinations. Four children spent the summer at the Norfolk County Health Camp at South Braintree.

Only two cases of adult pulmonary tuberculosis were reported, both of which were hospitalized.

Through the kindness and co-operation of the Norfolk County Health Association the Executive Secretary, Miss Nevers, was able to visit Needham in the Fall and make follow-up visits to discharged sanatorium cases and other known cases of tuberculosis. A group of eleven children and adults were taken to the Norfolk County Hospital for an X-Ray and physical examination. This work has been carried out with the view of having a tuberculosis clinic in Needham.

Diphtheria Immunization

The Board of Health with the co-operation of the physicians and the Visiting Nurse Association and other organizations again conducted the diphtheria clinics in the Town Hall. This was the fourth season that these clinics have been held.

The Schick test was given to 100 children by Doctors Gilbert and Christophe on November 22. When the tests were read it was found that 90 of the children tested were protected against diphtheria.

During the immunization campaign which followed, the effort was made to give the three protective inoculations to as many children under ten as possible. Over 500 letters were sent to parents of pre-school children and the local papers gave space to the announcements. Eighty-four children completed the three inoculations which were given by Doctors McClelland and Mann. Forty-two of these children were under five.

TABLE V — SUMMARY OF DIPHTHERIA IMMUNIZATION, 1932

Date of Clinic	First Doses	Second Doses	Third Doses	Present at Each Clinic
November 28	91			91
December 5	6	91		97
December 12		6	84	90

Sanitation

The local dairies and pasteurizing plants were inspected throughout the year and the four pasteurization establishments in Needham were again licensed in 1932. Twenty dealers were licensed to distribute milk in Needham. Three bakeries were registered in 1932, two of which later discontinued business. The other food-handling establishments were also inspected during the year.

Forty-four licenses for the disposal of rubbish were issued. Through the co-operation of the Department of Public Welfare a man was stationed at the town dump on Central Avenue and with the assistance of the firm employed by the Board of Health the dump was maintained in excellent condition throughout the year.

The 42 complaints received were investigated; of these 15 related to overflowing cesspools and 9 to improper dumping of rubbish.

In the summer a survey of the mosquito breeding areas in Needham was made by an entomologist from the State Department of Agriculture at the request of the Board of Health. The most important breeding area was found to be the Rosemary Brook Section particularly that on both sides of West Street. Town Engineer Hollis kindly consented to assume charge of the drainage operations. Under the capable direction of Mr. Hollis, work was started in the vicinity of West Street and the brook was cleaned out by men from the Special Unemployment Work Committee. Other drainage projects will have to be carried out before all the breeding areas are eliminated.

Laboratory

The laboratory examined 256 specimens during 1932 (see Table VI), which marked the greatest number submitted since the establishment of a local laboratory. In 1931, 189 examinations were made, 206 in 1930, and 163 in 1929. In addition to the diagnostic service rendered to the physicians, examinations were made of the milk sold in Needham and it was found that the milk was of exceedingly high quality. Improvement in the milk sold was noted over preceding years. The analysis of the milk includes the determination of the bacterial content together with the percentages of butter fat and total solids. The laboratory is open to visitors who are interested in the work.

TABLE VI — DIAGNOSTIC SERVICE IN 1932

Examination for	Positive	Negative	Total
Diphtheria	5	91	96
Gonorrhea	29	67	96
Tuberculosis	7	30	37
Vincent's angina	4	17	21
Other specimens	5	1	6
Totals	50	206	256

Respectfully submitted,

G. DONALD BUCKNER,
Health Officer.

REPORT OF SEWERAGE COMMISSION

Needham, Mass., December 31, 1932.

To the Citizens of Needham:

We respectfully submit the sixth annual report of the Needham Sewerage Commission for the year ending December 31, 1932.

During the past year the sum of \$12,087.01 was spent for the installation of common sewers. Construction during 1932 was curtailed because of the few petitions presented, and in accordance with the Commissioners' policy of refraining from placing the burden of sewer assessments upon abutters unless sanitary conditions made it advisable. This policy will be followed during 1933.

A force main and gravity sewer were constructed in West Street from Rosemary Brook to Highland Avenue as an initial part of the Rosemary Brook Pumping District. This district will ultimately comprise 800 acres. Sanitary conditions in the vicinity of Hillside Avenue, Crescent Road and Union Street will require service in the near future.

The West Street construction was undertaken this year in co-operation with the Special Unemployment Construction Work Committee, utilizing the unemployed.

There are many common sewers that can advantageously be installed in streets which are fully developed and will require sewerage service within a few years. These sewers could be constructed by utilizing the unemployed, and betterment assessments withheld until such time as petitions are presented or sanitary conditions necessitate the connections of the sewers with the system.

A report showing work accomplished during the year together with a statistical record will be found in our Superintendent's report attached hereto.

GEORGE A. LORD, *Chairman*,
ROLAND C. MARCH, *Secretary*,
FRANK L. FLOOD,

Sewerage Commission of Needham.

SUPERINTENDENT'S REPORT

Needham, Mass., December 31, 1932.

To the Sewerage Commissioners:

Gentlemen: — I submit for your consideration the seventh annual report of the Sewer Department.

Harris Avenue — completion of 1931 work						261 08	
Total amount charged to streets						\$12,142 90	
Value of materials on hand January 1, 1932						798 53	
Cash expenditure on streets charged						\$11,344 37	
Value of materials on hand December 31, 1932						742 64	
Payments on bonds						\$12,087 01	
Total expenditures for 1932						15,322 50	
						\$27,409 51	

The payment for labor supplied by the Special Unemployment Construction Work Committee is not included in the cost of the West Street sewer.

Summary of Sewers Constructed Since 1925

YEAR	Total Cost	Length	Cost Per Foot
1925 and 1926	\$152,024 24	28,041 ft.	\$5 44
1927	19,186 29	4,818	3 98
1928	36,954 90	12,687	2 91
1929	42,993 31	15,000	2 87
1930	37,663 63	10,504	3 59
1931	18,755 76	6,439	2 91
1932	11,881 82	6,035	1 97
Total	\$319,459 95	83,524 ft.	\$3 82 Av.

The cost of engineering, plans, assessments, tools, equipment, auto and compressor are included in the above charges. Cost of labor as supplied by the Special Unemployment Construction Work Committee is not included in 1932 construction.

Conclusion

Washington Avenue and Mount Vernon Avenue were constructed this year prior to the resurfacing work of the Highway Department, and Fair Oaks Park from Great Plain Avenue to May Street was constructed upon receipt of petition from the abutters.

A portion of the proposed Force Main from the Upper Falls District was installed under the new State Highway at Fremont Street; a total of 48 feet of 10 inch cast iron pipe was laid. The installation of this pipe at this time not only saved expense to the Department but also prevented digging up the new road and necessitating permission from the State at some future date.

Work on the Harris Avenue sewer incompleted in 1931 was finished this year.

Assessments have been levied on all abutting properties excepting those on West Street which will not be levied until this sewer is made available for service after completion of the proposed pumping station.

Construction of street sewers commenced on May 8 with the installation of Washington Avenue sewer by an average force of 15 regular men and ending on September 3 with the completion of the Fair Oaks Park sewer.

Special work on West Street for the relief of the unemployed was started on September 6 and ended December 24. An average force of 6 regular men was employed, the balance of the force consisting of an average of 25 men assigned by the Special Unemployment Construction Work Committee.

A total of 1,800 linear feet of gravity line sewer and 1,430 feet of cast iron force main were constructed in this street

from the site of the proposed pumping station at Rosemary Brook to Highland Avenue.

Permission was obtained from the N.Y., N.H., & H. R.R. Company to cross their property by installing a 10-inch clay pipe in concrete. This work was carried out in accordance with their requirements from midnight of Saturday, December 17 to 5.00 P.M. of Sunday, December 18.

Petitions for sewers on Union Street, Hillside Avenue and Crescent Road are on file in this office and these installations will be made as soon as the station is completed for operation. This particular sewerage district will eventually care for a population of approximately 1,500 persons in the territory bounded on the East by the railroad, on the South by Great Plain Avenue from Marked Tree Road to Central Avenue, on the West by the Wellesley Town Line, and on the North by Hunnewell Street.

A total of 3,615 linear feet of house connections has been laid this year at costs per foot considerably below the average for this type of work. If the owners of properties not connected to the sewer would make application an estimate of the cost will be submitted. The installation at this time would effect a considerable saving to the property owner and also provide work for the unemployed.

The contract for furnishing and delivering vitrified clay pipe was awarded to the Eastern Clay Goods Company; and the contract for furnishing and delivering cast iron pipe was awarded to the Warren Pipe Company, both lowest bidders.

The regular maintenance work of cleaning and flushing all sewers has been accomplished as in the past years for the purpose of preventing any general accumulation of sewage.

Acknowledgments

In closing this report the Superintendent most heartily thanks the other department heads who have so readily rendered their assistance and co-operation, and all those who in any way associated with him in an effort to make this year's work successful.

Very respectfully.

LESTER C. HOLLIS,
Superintendent.

REPORT OF DEPARTMENT OF PUBLIC WELFARE

December 31, 1932.

To the Citizens of the Town of Needham:

We respectfully submit this, the nineteenth annual report of this department.

Everyone knows that the past year has been the most trying and expensive we have ever had.

Many new problems have been met under very unusual circumstances which have caused great difficulty in handling but we feel that most of them were successfully taken care of.

Aid has been granted to 208 different cases divided as follows, 169 temporary aid, 29 old age assistance and 10 mother's aid. This means that 747 persons were helped compared with 486 persons last year. Sixty-one families were helped continuously during the 52 weeks as compared with thirty for 1931.

This increase in the work means that there must be a very great increase in efficiency of the administrative end of this department as well as the investigating part of it. In order to accomplish the above and be ready to meet the growing relief problem of the Town we hope to appoint a male agent who will be given full power to bring about this result.

The Selectmen have very kindly provided new quarters for us so that our work can be carried on in one office instead of three as at present.

We have continued the wood cutting project which was started by the Red Cross in the winter of 1931 and 1932 and have a foreman on the job five days per week. This has saved the Town many dollars in fuel bills as the wood cut is delivered to all needy families in Town.

Mr. Ernest Riley, Tree Warden has been most helpful and co-operative in this work. We appreciate his services very much.

At present we are cutting wood on the Bradley estate in Needham as well as cutting a sixty-foot fire belt on an estate in Dover. It would pay anyone to visit the wood lot.

The Town dump on Central Avenue has been kept in order by one of our men much to the improvement of the neighborhood.

Arrangements have been made with the Visiting Nurse Association whereby their nurse may be called on confinement cases thus saving many hospital bills.

The Trustees of the Glover Memorial Hospital have made special rates for our hospital cases which means many dollars saved.

We take this opportunity of expressing our appreciation to all who have co-operated or helped in any way during this most trying year.

EVAN C. THORPE,
ALFRED T. BAKER,
CATHERINE F. TAPPAN.

(5) Based upon 12,000 population.

The low cost for the year 1926, namely, 57c, is due to reimbursements received during 1926 for aid rendered in prior years. 1930 cost per inhabitant has increased considerably due to the severe business depression.

REPORT OF THE TRUSTEES OF THE NEEDHAM FREE PUBLIC LIBRARY FOR 1932

Business has not been dull at the Needham Free Public Library in 1932, but was more active than ever before. The circulation was eighty thousand, six hundred and seventy-four (80,674) volumes, and we attended to this service with what some library people consider an unusually small staff for what we accomplished. We have no means of knowing the number of books and magazines read on the premises, but it is large.

Most people in this community who have children know something of Miss Abbott's efforts to interest the pupils in our schools in the library, and to help them in their school work. We think that she does this well, and enjoys it.

The Trustees have constantly in mind the extension and improvement of the service which our Library renders the inhabitants of Needham. In these times an institution supported by the public must leave no uncertainty as to its usefulness, if it is to justify its existence.

Respectfully submitted for the Trustees of the Needham Free Public Library,

GEORGE K. CLARKE, *Chairman*.

January 12, 1933.

NEEDHAM FREE PUBLIC LIBRARY LIBRARIAN'S REPORT

To the Board of Selectmen:

Gentlemen:—I have the honor to submit my annual report for the year 1932.

In taking a comprehensive look backward, we discover that in the last ten years the population of Needham increased 54 per cent; the Library appropriation from the Town 53 per cent; and our book circulation 56 per cent. For 1932 our expenditure per capita was 86 cents, and book circulation 7.4 per capita.

Our total book circulation for 1932 was 80,684—an increase since 1929 of 21 per cent. This increase in activity has been carried on with no increase either in salary scale or Town appropriation.

We have tried to meet to the best of our ability the enlarged opportunity for service which has come to every public library of the present day. The citizen is undertaking more reading in an effort to understand the economic situation,

its cause and its cure; to employ unaccustomed leisure; to be better fitted for the position he now holds; to escape from hard circumstances. For these and other reasons, the American public library is being constantly patronized by larger numbers.

The three schools having deposits of Library books, the Eliot, Harris and Dwight Schools, have shown satisfactory results. The work at the Harris School was taken over by the Library staff a year and a half ago upon the death of Miss Mary Glancy. It is interesting to note that in the last year the circulation of adult books from this station has almost tripled. This is due in great part to the Library Tea held at the school on the afternoon of January 19th, by which increased interest and attention was aroused in the neighborhood. With a group of about sixty of the ladies of the vicinity present, the Librarian, Mrs. Nelson Talmadge, and Mrs. Ruth Berry of the Library Staff, reviewed a number of the new books. The Library is greatly indebted to Mrs. Lester Williams and the Education Committee of the New Century Club, who served the tea which followed.

Repairs and renovation of the building were undertaken, for the most part in co-operation with the Town Unemployment Committee, which furnished and paid for the labor. The library met the cost of the material used. Under this arrangement the walls and woodwork were washed, a chimney repaired, and the white trimmings outside received two coats of white lead.

The practice of holding art exhibits from time to time was continued. The Junior and Senior High School art work was shown in May, arranged by Miss Amy Gibbs, director of art work in our public schools. At the same time a group of Miss Gibbs' own water-colors was on display — scenes in the Bavarian Alps. In December Mr. George Bardwell arranged an exhibit of the work, mostly in oils, of six Needham artists. Those contributing were: Messrs. Knut Svendsen, Leo Cartwright, Charles Dennis, George Bardwell, Philip Palmstrom and Mrs. Stuart Miller. The exhibit was well reviewed in the Needham and Boston papers.

The Librarian and staff have attended a number of professional club meetings during the year — those of the Massachusetts Library Club, the Boston Round Table of Children's Librarians, and the Charles River Library Club. Needham entertained the latter on the morning of March 22nd, the meeting followed by luncheon at the American Legion House. These meetings are most useful in keeping library workers informed about the new books, authors' and publishers' activities, new developments in Library technique.

"Civilization marches forward on the feet of its children." Realizing the importance of the child to the community, it

has been the purpose of the Library to encourage and increase the reading of good books by the young people. As a means of introducing fine literature to the boys and girls, two series of story-hours, by Mrs. Talmadge and Mr. John Cronan, were undertaken in 1932. In the course of the year the Library co-operated with various young people's organizations by lending books, and by visits from the Librarian. These were the Boy Scouts; the summer play-ground on Green's Field; Camp Malcolm and Camp Wind-in-the-Pines — Girl Scout camps.

A new enterprise, the Travel Reading Club, was attempted by the Librarian for the children who stayed in town during the summer vacation. Over 80 children joined the Club, and read about 500 travel books in June, July and August. The Club is indebted to Mr. Walter Queen and Mr. Howard Crossman, who showed movies of the Caribbean and Mediterranean during Club meetings, and accompanied the pictures with interesting talks.

The Librarian wishes to thank the many persons who have aided the Library and shown an interest in its work, and to express her appreciation of the loyal support of the staff.

The statistical report follows:

Library Statistics

Days Library was open	304
Total circulation (Main Library and Deposit Stations)	80,674

REPORT OF THE SPECIAL UNEMPLOYMENT CONSTRUCTION WORK COMMITTEE

December 31, 1932.

At a Special Town Meeting held May 23, 1932, this vote was passed:

"That the sum of twenty-five thousand dollars be appropriated and added to the reserve fund in the hands of the Finance Committee, the same to be used and expended under their direction and under the direction of a committee of five to be appointed by the moderator for general highway purposes, for building and repairing sidewalks, for such work as may be requested by the park commissioners, or for any work requested by any board or department of the Town, including clerical work."

As a result, the following committee was appointed: Messrs. Gilbert W. Cox, Clifford M. Locke, Samuel D. Low, Francis J. Stanwood and Miss Grace M. Maloney.

The committee met for the first time on May 25th and organized with Mr. Cox, Chairman and Miss Maloney, secretary, and except in two instances weekly meetings of the committee have since been held. At joint monthly meetings of the Finance Committee and our committee reports of our activities were made and the necessary funds to carry on the work were transferred to our account by the Finance Committee.

At our first meeting a tentative budget was drawn up, and while preparation was made to make the appropriation last until the close of 1932, it was not expected that it would be possible to do this, but as a result of careful planning and investigation, there was an unexpended balance of \$6,435.23 on December 31st. We had hoped to carry on to March 1st, 1933, with these funds as, in the opinion of the committee, it was the intention of the vote and the desire of the voters that the entire sum of \$25,000 should be used for unemployment relief. However, it was ruled that the appropriation could not be carried over into the following year and that the unexpended balance must revert to the general fund. We therefore ceased operations on December 31st and the men who had been at work were again out of employment.

From time to time during the past seven months we have given detailed reports of the activities in the various town departments, and while in every instance the work has been created to give the men employment, the town as a whole has benefited. The heads of departments will, we are sure, be glad to talk with interested citizens and show them what

has been accomplished by "unemployed" labor. Recently we visited the various jobs that were under way and were much impressed with the earnestness of the workers and the results of their labors.

From the beginning we have endeavored to make it clear to all applicants who qualified that the work they were given was not a job in the true sense of the word but something to tide them over until such time as they could secure regular employment. We constantly urged them to do this at the earliest opportunity, and have ourselves sought outside work for them. The \$200 "clerical" item that you will note in the figures that follow was spent in this endeavor. Over 3,000 telephone calls were made and a total of \$3,803 worth of work secured. We have a record of this amount but feel sure that much more could be added to it if it were possible for us to check all contacts made.

Four hundred and twelve persons have applied for work, 93 of them women. Of the men who applied, 181 qualified and were given employment, and at the time we ceased operations 91 were at work. At the end of the previous week we were obliged to drop 21 aliens as the funds available for them were exhausted.

Eight thousand two hundred and sixteen days' work has been provided with an average of \$119.00 per man. It is obvious that some earned much more and others much less than this amount.

By reason of our wood-cutting activities fuel has been furnished to many needy families. However, if there is an able-bodied man in a family wishing wood, he is expected to cut it himself on the days that he is not otherwise employed.

We fully appreciate the co-operation we have received in our work and wish to thank all who in any way have assisted us to carry on.

Following is a report of receipts and disbursements from May 28th through December 31st, 1932. It will be noted that the major portion of the expenditures has been for labor.

Receipts

Appropriation	\$25,000 00	
Five per cent contribution from Town employees on amounts received for compensation in excess of \$1,000 00 per annum from June 1, 1932, through December 31, 1932	3,682 51

QUESTIONS TO BE PRESENTED AS REFERENDA ON OFFICIAL BALLOT FOR NEEDHAM TOWN ELECTION, MARCH, 1933

At the Annual Town Meeting of March, 1931, the Moderator, as authorized by Town vote, appointed G. Waldo Crawley, Robert B. Hill, James M. McCracken, Winthrop M. Quinlan, and Winthrop M. Southworth as a committee of five citizens, "to report as to the advisability of increasing the membership of the Board of Selectmen to five, and to define their terms of office and also to investigate the entire system of Town Government and report on or before the next Annual Town Meeting."

The full report of this committee was printed with the Town reports of last year and in this report the committee made the following four recommendations:

1. That the Board of Selectmen be constituted a Board of Public Works;
2. That the membership of the Board of Selectmen be increased to five and that the term of office be three years;
3. That the Town adopt the Limited Town Meeting;
4. That the Annual Business Meeting of the Town precede the Annual Election of Town Officers.

At the annual meeting of March, 1932, the Town rejected the fourth recommendation and voted that the others be presented to the voters for action by ballot vote at the Annual Town Election in March, 1933. Each question will be voted upon separately, and in order that each issue may be clearly understood, a brief summary of each has been prepared by the committee.

1. *Board of Public Works.* If this recommendation is adopted, the Highway Surveyors, Water Commissioners, Sewer Commissioners, Park Commissioners, Board of Survey and Tree Warden will be consolidated as a Board of Public Works and the Selectmen will be that Board.

It will be the duty of the Selectmen to appoint a Superintendent of Public Works, who, during his term of office, can hold no other elective or appointive office nor can he be engaged in any other business or occupation. He may, with the approval of the Selectmen, appoint necessary assistants. If established, the Board of Public Works will become operative with the Annual Town Meeting of 1934. The enabling act (Chapter 189, Acts and Resolves of 1932) provides that at any time after 1937, the Town may rescind, in whole or in part, all action taken under its provisions.

In its report, the committee says in part: "In recommending a Board of Public Works, your Committee wishes to emphasize very strongly that its recommendations are not in any sense criticisms of the present Town boards. They are made only because your Committee believes that the Town of Needham should follow the methods of all large commercial organizations, of the state, of cities, and the more advanced towns, and centralize its departments rather than continue them as scattered and independent units. By the consolidation of the boards named, your Committee believes that the departments can be operated at a great saving to the Town; that through the ability to quickly transfer labor and equipment from one department to another, emergencies can be met more quickly and the delays in regular work, now inevitable, practically can be eliminated; engineering for the laying out of streets, for water and for sewer can, in many cases, all be done at the same time and plans showing all conditions will be filed in one place for preservation; it will mean centralized, instead of scattered effort. With a Public Works Department and a Superintendent reporting directly to the Selectmen for approval of his plans, co-operation of all departments would become automatic and a comprehensive program of projects for a period of years could be readily arranged."

The question will appear on the ballot in the following form: "Shall an act passed by the General Court in the year nineteen hundred and thirty-two, entitled 'An act authorizing the Selectmen of the Town of Needham to act as a Board of Public Works exercising the Powers of Highway Surveyors, Water Commissioners, Sewer Commissioners, Park Commissioners, Board of Survey and Tree Warden' be accepted?"

2. *Membership of Board of Selectmen.* The committee recommends that if a Board of Public Works is established, the membership of the Board of Selectmen be increased to five and that the term of office be three years; if a Board of Public Works is not established, the committee recommends no change in membership or in the term of office. All the boards affected by the establishing of a Board of Public Works have a three-year term; the committee believes, therefore, that any board succeeding them should have the term of office which, experience has shown, has been a success for those boards. If the voters decide to increase the number of Selectmen to five and to change the term of office to three years, the change would become effective in 1934 at the Annual Election of that year; one would be elected for three years; two for two years and two for one year. Thereafter, as terms expired, members would be elected for three years.

The question will appear upon the ballot in the following

form: "Shall the Board of Selectmen be increased from three members to five members, as authorized by Section 2, Chapter 41, General Laws, this change to become effective with the Annual Town Election of 1934?"

"Shall the term of office of the Selectmen be changed from one year to three years, this change to become effective with the Annual Town Election of 1934, as authorized by Section 2, Chapter 41, General Laws?"

3. *Limited Town Meeting.* Under the Limited Town Meeting plan, the Town would be divided into not more than eight districts, each district to contain not less than 500 registered voters, and the voters in each district would elect Town meeting Members to represent that district. The total number of Town Meeting Members, elected from all districts cannot exceed 240 and these members, together with any member of the General Court of the Commonwealth from the Town, the Moderator, the Town Clerk, the members of the Board of Selectmen, the Town Treasurer, the Town Counsel, the chairman of the School Committee, the chairman of the Finance Committee, the chairman of the Board of Assessors, and the chairman of the Board of Health, would make up the voting membership. Town meetings would, however, be open to all voters and any voter would have the right to speak upon any subject.

The voter is protected by a referendum provision. No action taken by the Representative Town Meeting becomes operative for seven days, exclusive of Sundays and holidays. If, during those seven days a petition, signed by 250 voters to submit to referendum, is filed, the vote of the Representative Town Meeting remains inoperative until all voters have voted upon the question at issue by ballot. The Town Meeting Member's term would be three years and candidates would be required to secure but ten signatures upon their nomination papers.

In its report, the committee said: "Attendance at Town Meeting is haphazard and perfunctory and depends largely upon how much excitement there is likely to be. Voters — some of them — attend, but they leave the voting to those whom they think understand the questions which are being voted upon.

"An attendance at even an Annual Town Meeting of 600 voters is a large one; on the majority of questions, not half of these vote. Instances of a very large group of voters leaving the hall after a particular article has been disposed of, are far too frequent. Often a particular article is taken up out of order, that those who have come to Town Meeting to vote only for it, may hold up their hands and go home. Their interest in other business is negligible. This condition is not

fair to the Town of Needham; the Town of Needham does not secure a vote representative of all its sections or of all its voters."

The question will appear upon the ballot in the following form:

"Shall an act passed by the General Court in the year nineteen hundred and thirty-two, entitled 'An Act establishing in the Town of Needham representative Town government by limited Town Meetings' be accepted by this Town?"

The full text of the authorizing act appears as Chapter 279 of the Acts and Resolves of 1932.

REPORT OF SPECIAL COMMITTEE**Appointed by Moderator and Acting Under Article 3 of Special
Town Meeting Held June 20, 1932, Pertaining to
Street Lighting***To the Citizens of the Town of Needham:*

A lighting system for the convenience of the town was first inaugurated by ordinance requiring the placing of lighted lamps in windows of certain houses for which the owners or occupants were paid. Later an improvement in this method was accomplished by erecting oil lamps on poles in certain streets.

In 1892 the town had 127 oil lamps costing approximately \$1,200 per year. However, during the year 1893 the town deemed this to be insufficient lighting and the selectmen were authorized to contract for power to light the streets with electricity; the town to own all poles and wires. The contract was awarded to the electric light company whose power station was located at South Natick and a distributing plant of approximately 19 miles was erected by the town. Three hundred 25-candle-power lamps were installed, poles were erected 135 feet apart; in the business centers lights were placed on every pole, in the villages generally on every other pole, and on streets of less use on every third pole. The cost of this construction was \$13,757.50 including the feed line from the power station. The annual expense of maintaining the system was approximately \$10.00 per light or a total of \$3,050.

In 1894 during the dry period the street lighting system was out of operation due to insufficient water power to generate electricity and trouble was also experienced with the care of the lines and the renewal of burned out lamps.

In 1896 considerable complaint was registered against the poor service and the townspeople were requesting commercial lighting in addition to improvement in the street lighting.

In 1898 the contract with the South Natick Company which expired in October was continued for a term of five years, although an arrangement was made between this Company and a Greendale Company for supplying the current. The right to erect poles and wires in certain streets was also granted to the Greendale Company and the town constructed a feed line from their power station at a cost of \$800.

In 1899 it was the sentiment of the townspeople that street lighting by electricity was an expensive luxury but one which the people would be loath to forego. Nevertheless, considerable extensions were made during the latter part of this year which caused an increase in expenditures from \$3,357.95 in 1899 to \$3,959.07 in 1900, not including cost of pole line extensions on Forest street and others amounting to \$775.

In 1900 there were many poles in streets of the town belonging to several corporations including the town, and it was suggested that a

map be made on which should be delineated every pole then erected whether or not owned by the town. All extensions were shown on the map in order that a complete record might always be at hand. Your committee has located this map and found it to be of some assistance at this date.

In 1903 the contract with the South Natick Company expired. The selectmen who were then authorized by the town entered an agreement with the Greendale Company to furnish the electricity, the same as in the original contract, but that the charge per light be increased from \$6.00 to \$10.00. It was then understood that the Greendale Company were endeavoring to sell their interest to the Edison Electric Illuminating Company of Boston. The total expenditure during this year was \$6,087.97.

In 1905 the total expenditure was \$5,634.33 for 503 25-candle-power lamps. No extensions were made.

In 1908 under Article 4 of the town meeting held January 7 it was voted that the selectmen be authorized to sell the electric light plant then owned by the town to the Edison Electric Illuminating Company of Boston. Accordingly, the Edison Company reconstructed the lines and installed new fixtures with lamps of 32-candle-power and began operation under a twenty-year contract on October 1, 1908. Expenditures for this year totaled \$6,444.47 which increased to \$7,553.28 for the year 1909.

Considerable satisfaction was experienced by the townspeople for the commercial service as well as for the improved street lighting service as furnished by the Edison Company.

Under the so-called "Moonlight Schedule" during 1919 and also with all lights out at 12.30 a.m., the expenditure was \$8,981.38 for 644 32-candle-power and 28 600-candle-power lamps which amount gradually increased to \$9,799.48 in 1924.

All night lighting established by vote of the town in 1925 caused the expenditure for this year to increase to \$13,837.99 for approximately 700 32-candle-power and 30 600-candle-power lamps.

In 1926 the expenditure was \$16,166.18 for approximately 768 32-candle-power; 31 600-candle-power; and 17 1,000-candle-power lamps.

On October 1, 1928, upon expiration of the twenty-year contract with the Edison Company the town had 785 32-candle-power; 43 600-candle-power; and 18 1,000-candle-power lamps necessitating an expenditure of \$17,341.20 for that year.

During 1929 with the installation of the so-called "white way" and many other lamps amounting to a total of 850 80-candle-power; 50 600-candle-power; 10 1,000-candle-power; and 18 1,500-candle-power lamps, the expenditure was increased to \$20,122.53 under the scheduled rate E approved by the Massachusetts Department of Public Utilities. Following is a copy of Schedule E under which the town is now operating:

Lamp No.	Description of Service	Part-night	Service Rate	All Night
		Fixed Charge Per Year	Running Charge Per Hr.—Cents	Service Rate Per Year
20	80 cp. Series 60-watt Multiple	\$10.80	.26	\$20.50
30	100 cp. Series	12.00	.30	23.25
40	100-watt Multiple	13.50	.36	27.00
50	250 cp. Series 150-watt Multiple	18.00	.60	39.00
70	600 cp. Series 300-watt Multiple	31.00	1.0	69.00
75	1,000 cp. A. C. Series 500-watt Multiple	32.00	1.3	80.00
80	1,500 cp. A. C. Series 6.6 amp. Mag. D. C. Series 750-watt Multiple	36.00	1.5	89.40
90	2,500 cp. A. C. Series	45.00	2.5	135.00
280	Twin 1500 cp. A. C. Series	50.00	3.0	159.00

Under Article 2 of the Annual Town Meeting, held March 21, 1932, the town voted that an appropriation of \$21,000 should be sufficient as compared to the amount of \$25,000 which was requested for street lighting.

At a Special Town Meeting, held May 23, 1932, an increase in the original appropriation of \$5,000 was requested, but the town did not see fit to authorize this, nor to establish the hours of street lighting.

All street lights were turned off at 11.00 p.m., each night on and after May 24, 1932, until the night of the Special Town Meeting, held June 20, 1932, at which time the town voted to appropriate the sum of \$4,104.13 additional and adopted the schedule of all night street lighting.

It was also voted: "That a committee of five (5) be appointed by the Moderator to make an investigation into the costs of lighting the streets, and to make a survey of the present system to determine the advisability of reducing the candle-power of any or all of its street lights and of discontinuing any of the present lights and to report its findings and recommendations to the Town Clerk not later than November 30, 1932."

This committee appointed by the Moderator met and organized on June 24, 1932, and regular meetings were held each Monday evening thereafter.

Realizing that the major purpose of street lighting is to promote the safety, comfort, and convenience of the public, your committee has endeavored to make a careful study of the various sizes, types, and locations of lamps in all localities to determine the extent of economy that could be effected without impairing the benefits of street lighting to the public.

With the aid of the engineering department a survey was made of the entire street lighting system covering a total of 53½ miles of both public and private streets, and the positions, sizes and types of all

lamps have been plotted on a map on file in the office of the Town Engineer.

Good street lighting involves proper visibility, appearance and economy. Installation cannot be a hit or miss proposition if the town is to obtain full value.

The existing street lighting system appears to have been installed without any regularity or standard method of spacing. In many instances, particularly on private ways, street lights which have been installed by vote of the town have been placed without proper consideration for spacings and future extensions of such ways.

To insure proper spacing we recommend that all proposed locations shall first be approved by the Town Engineer.

The committee believes that a spacing of from 250 to 300 feet for 80-candle-power lamps provides sufficient lighting for most residential streets and should be adopted as standard.

Survey of the system shows many cases where the value of street lighting is almost entirely lost due to interference from foliage. To correct this condition it would seem that at least once or twice each year it should be the duty of the Tree Warden or other official to trim the branches of these trees when such lights cannot be relocated. Under no circumstances should trees be disfigured.

If upon examination it is found that neither trimming nor relocation can correct this condition, which may be so on such streets as Highland avenue, Great Plain avenue and others having extremely heavy foliage, the lights could then be suspended on 8-foot mast arms from the pole extending beyond the curb or gutter line to the center line of the street.

The committee recommends that the use of red globes on certain street lights to indicate fire alarm boxes should be discontinued. There is no uniformity about this practice, nor is it accepted as standard and such globes entirely destroy the street lighting purpose of the lamps.

We find that the street lighting circuits, of which there are five (5) in the town of Needham, are so arranged that certain lights in outlying districts can not be turned off at specified times without plunging into darkness other districts where the lights are needed. The cost to the town for re-arranging the street lighting circuits to allow for partial lighting in certain districts would not be warranted at this time.

Although the committee has considered briefly the desirability of a municipally owned plant, the cost involved and other technical details would warrant a special study for which our time did not allow.

The following table shows the existing distribution of street lights and the committees' recommendations to effect economy:

Distribution of Lights in the Town of Needham

†Edison charges to town — 907, 80 cp. lamps
(See explanation on last page of report)

In summary of the above, comparative costs constituting an annual saving of 16.8% are shown by the following tables:

Existing		
904, 80-candle-power	at \$20.50	\$18,532
907, 80-candle-power	E. E. I. Co. bills	
57, 600-candle-power	\$69.00	3,933
13, 1000-candle-power	at 80.00	1,040
25, 1500-candle-power	at 89.40	2,235
		<hr/>
		\$25,740

Recommended		
872, 80-candle-power	at \$20.50	\$17,876
28, 600-candle-power	at 69.00	1,932
20, 1000-candlepower	80.00	1,600
		<hr/>
		\$21,408

The cost for making the above changes, including all discontinuances in sizes, reductions and necessary relocations, is estimated to be approximately \$1,000 which the town may be required to pay in accordance with the rate E schedule as approved by the Massachusetts Department of Public Utilities. In addition the town may be required to pay for each new installation thereafter until the fixed charges for the total number of lamps shall equal the fixed charges of the lamps existing before the changes were made. However, the committee feels even though the town may be required to pay for such changes the saving is sufficient to warrant them.

The reduction of all 1500-candle-power to 1000-candle-power lamps can be made without changing fixture or pole as discontinuance of 1500-candle-power lamps would mean only removal of the bulb. The reduction of 600-candle-power and 1000-candle-power lamps can be made only by removing such fixtures and installing the 80-candle-power fixtures which the committee recommends. However, if it should be deemed necessary to increase 80-candle-power lamps at certain locations in existing fixtures this could be done by changing over to the new type 250-candle-power lamps.

There is no possible reduction in candle-power lower than 80, this being the present established standard of the Edison Company.

Further curtailment on street lighting costs could be accomplished by part time lighting as shown by the following tables. However, as a committee we do not make any recommendations in this respect in view of the sentiment of the voters as expressed at the last town meeting. With the aid of statistics which we are submitting, the town may see fit to give this matter further consideration by vote.

One O'clock Lighting

872, 80-candle-power	at \$16.87	\$14,710.64
28, 600-candle-power	at 54.35	1,521.80
20, 1000-candle-power	at 62.36	1,247.20
		<hr/>
		\$17,479.64

Two O'clock Lighting

872, 80-candle-power	at \$17.82	\$15,539.04
28, 600-candle-power	at 58.00	1,624.00
20, 1000-candle-power	at 67.11	1,342.20
		<hr/>
		\$18,505.24

During the survey by this committee it was noticed that some lamps were not burning. Although the Edison Company maintains a patrol to replace lamps not burning the committee suggests that the citizens also assist by notifying the police at once of any lamp not burning, in order that the proper officials may be informed and allowance granted, if any, or more particularly that the lamp be renewed.

Further economy in the street lighting cost could be obtained by discontinuing many more lights in out-lying districts. However, the committee does not interpret the sentiment of the citizens to encourage a more drastic reduction than called for by our recommendations, for such would defeat the real purpose of street lighting.

The count of 904 existing 80-candle-power lamps which has been carefully checked both on location as well as with the records of the Edison Company shows that the town is being charged for three lamps which have not been burning for some years.

1 — Keith place (probably discontinued May, 1925).

1 — Great Plain avenue at corner Bradford street (probably discontinued May, 1922).

1 — Great Plain avenue opposite Maple street (probably discontinued September, 1925).

Payments for these lights which the town has made regularly since their discontinuance amounts to approximately \$500. The town should take immediate action to obtain an adjustment from the Edison Company and further monthly charges be discontinued.

It is the sentiment of the committee that the selectmen or other authorized official be instructed to contact with other towns which operate under the present Edison rate E schedule for the purpose of jointly obtaining a hearing with the Massachusetts Department of Public Utilities relative to rate reductions. This suggestion is offered

as further means of decrease in street lighting expenditures and in accordance with the sentiment of the voters as expressed at the recent town meeting.

Respectfully submitted,

November 29, 1932

(signed) CLARENCE E. FOSS,
Town Clerk.

(NOTE: This report has been adopted by the Selectmen and the changes recommended have been ordered to become effective as of January 1, 1933. The only change is the installation of a 250 c. p. lamp at School and Lincoln Streets, instead of the 80 c. p., as recommended by the Committee.)

REPORT OF SPECIAL COMMITTEE TO STUDY A RETIREMENT SYSTEM FOR TOWN EMPLOYEES

Pursuant to the following article contained in the Town Warrant of March 21, 1932

"Article 23. To see if the Town will vote to authorize the Moderator to appoint a committee of three to study a system of Retirement Allowances based on Annuity and Pension Contributions, for employees of the Town and report their findings together with their recommendations at the next annual Town Meeting, on petition of Frank Godfrey and others."

The following committee was appointed by the Moderator: Frank E. Godfrey, Stewart B. Johnston, Francis J. Stanwood.

Your committee have made an exhaustive search into the present operative systems now in use in the cities of Chelsea, Newton, Somerville, Revere and Cambridge. We have also reviewed the Massachusetts State Pension system. We have conferred with the various departments handling this phase of Annuity Pension and our disclosure brings to light the fact that in all instances a much larger group is concerned in the active operation of such a scheme and that in no instance has any such provision been enacted by any township.

A review of the personnel of the Town of Needham discloses that a large percentage of those now premanently employed would become eligible within the next five years, thus placing a very heavy burden at the initial start of such a scheme on the taxpayers of this community.

Without going into detail, but to give you some idea of the operation of such a system, it is composed of a contributing monthly amount which builds up a Retirement Annuity for the individual at the Retirement age. Coupled with this are certain credits which are given for previous service.

With the Annuity Income built up by the individual, the Town contributes a portion, this increasing the Retirement pension at the Retirement age.

Under the present system, the Fire and Police Departments are protected under the general laws, but this would take in all the permanent employees of the Town.

Your committee, having in mind the unsettled conditions in which we are now living, and with the possibility of a change in organization with regard to the Town management and the various departments within the Town, coupled with the self-contributing scheme which any such pension scheme

would call for, do not believe that it should be enforced on the Town employees or on the Town under present conditions.

Our summary on this matter would be as follows:

- (1) No town now operates any such system.
- (2) The number of eligible participants on account of their age would place a heavy burden on the Town within the next five years, causing a heavy drain on any reserve that might have been set up.
- (3) The unsettled conditions, coupled with the self-contributing feature, would place an extra hardship on the employees of the Town under these conditions.
- (4) The possibility of reorganization of the Town and its several departments might make a change in the fundamental principles applying to a working program of this nature.

They recommend that the operation of such a system at the present be tabled, that the files on this particular subject be kept intact, and that a review of the situation be made as soon as economic conditions warrant it. We believe this would prove of value to both the Town from the employees' standpoint and also the taxpayers in the benevolence of a joint program which we believe might be carried out when conditions warranted it.

Respectfully submitted,

FRANK E. GODFREY,
STEWART B. JOHNSTON,
FRANCIS J. STANWOOD.

REPORT OF THE WATER COMMISSIONERS

To the Inhabitants of the Town of Needham, Massachusetts:

We submit herewith the forty-third annual report of the Water Department for the year ending December 31, 1932.

At the annual Town Meeting, Philip A. Rand was re-elected Water Commissioner for a term of three years and Benjamin Mills, Jr., was elected for one year to fill vacancy.

The board organized by electing Benjamin Mills, Jr., chairman, and William W. Gallagher, secretary. George A. Adams was appointed superintendent and Rodney S. Adams, assistant superintendent. October 1, 1932, Rodney S. Adams resigned and Roger G. Oakman was appointed to fill the vacancy.

Extension of Mains

The following extensions were made in 1932:—

Great Plain Avenue, a force main; Green Street, completing a circuit between Great Plain Avenue and South Street; Kendrick Street; Gayland and Parkvale Roads; Greendale, Highland, Mt. Vernon and Washington Avenues.

A Fire Service Main was installed for The Walker-Gordon Company on Charles River Street. The total cost was borne by the owners.

Pipe smaller than four-inch was laid in Sargent and True-man Streets.

Hydrants

Twelve steamer hydrants have been installed during the year. Six replace broken standards as follows: one on Hunnewell Street, second above Central Avenue; two on Greendale Avenue, first north of Great Plain Avenue and first north of Broadmeadow Road; one on corner of Central Avenue and the State Highway; and two on Great Plain Avenue, at corner of Prospect Street and the first west of Central Avenue. Six are on the new extensions on Mt. Vernon, Greendale and Washington Avenues, Kendrick Street and the Walker-Gordon Fire Service.

The hydrants have received their customary painting and inspection and are in good working order.

Water Rates

As authorized by vote of the Town in 1924.

The minimum advance water rate on each service shall be \$10 per annum, from April 15 to April 15, and pays for 2,500 cubic feet of water if used between these dates.

Water used in excess of 2,500 cubic feet and under 202,500 cubic feet will be charged at the rate of twenty cents per 100 cubic feet.

Water used in excess of 202,500 cubic feet will be charged at the rate of eleven cents per 100 cubic feet.

Bills for the minimum advance water rate of ten dollars shall be rendered April 15, and will include the charges for excess, water for the year ending on that date, except if the water used between April 15 and October 15 in the same year exceeds 2,500 cubic feet a bill for such excess shall be rendered and payable October 15, or if the meter readings indicate that a large amount of water is being used on any service the bills shall be rendered and payable monthly.

Long Term Bonds

Bonds to the amount of eight thousand dollars have matured and been paid during the year.

Outstanding Bonds

1933	\$9,000
1934	7,000
1935	7,000
1936	7,000
1937	7,000
1938	1,000
1939	1,000
1940	1,000
1941	1,000
1942	1,000
1943	1,000
1944	1,000
<hr/>	
Total outstanding bonds	\$44,000
Total bonds matured and paid	286,000
<hr/>	
Total authorized and issued	\$330,000

Short Term Bonds

Four thousand dollars of the bonds issued in 1929 have been paid in 1932.

Bonds are due as follows:

	1929 Bonds
1933	\$4,000 00
1934	4,000 00
<hr/>	
\$8,000 00	

Increasing and Protecting the Water Supply

During the several years past while the population of Needham was rapidly increasing, the Water Department was called upon extensively to meet the demand for new mains, services and meters. A considerable portion of the yearly revenue was utilized for this necessary expansion of the system.

Also, in order that an additional supply of water be available for the increasing needs of the community, a pumping station with thirty-eight driven wells was installed on property known as the Glancy Farm, located on Great Plain Avenue, near the Dedham line.

It has been obvious to the Water Commissioners for some years that both the water supply and pumping equipment was perilously near the point of inadequacy, and a request was made at the May, 1932, town meeting for a sum of money to develop a new source of supply and install new pumping equipment. This, however, was denied and during the summer we suffered from a greatly depleted supply.

We endeavored to meet the situation, however, and in keeping with carefully worked out plans, we installed a new electric motor-driven pump at the Glancy Station together with modern metering devices and a new 12-inch force main extending from this station to the corner of South Street and Great Plain Avenue. While this did not give us a greater supply of water, it enabled us to utilize the full yield of the wells which had not been possible heretofore. In addition, improvements have been made to the pumping station building and the property has been generally improved in appearance so that we now have a most modern and efficient unit for the supply and delivery of water.

The farm house on this property is now being renovated and will, when completed, be occupied by the pumping station operator and his family. The swamp, adjacent to this house and for many years a source of unfavorable comment, is being filled with material from an adjacent sand pit on the property. When this work is completed, we expect to have a valuable adjunct to the water works property.

Unemployed labor has been utilized to the greatest possible advantage, and with the satisfactory purchase of materials the work has been done at a surprisingly low cost.

The main pumping station on Dedham Avenue has been receiving a general overhauling and is being repainted throughout. A new concrete balcony type of floor has replaced one of wood that had disintegrated to a dangerous point. A new electric motor-driven pump with auxiliary equipment and metering devices will be in operation early in 1933 and this station will, we believe, be one of the most

modern in the State. The steam pumping equipment will be retained for standby operation. In addition, the well houses and other secondary buildings have been repaired and painted and the property generally improved.

With all electric operation, we anticipate a reduction in pumping costs, but more important, we feel that we can more satisfactorily take advantage of all the available water.

The Commissioners are not unmindful, however, of the fact that within the next year or so a new source of supply will be imperative and we have carried out our construction activities so that this can be co-ordinated with the present equipment.

The Department has been called upon to meet an extraordinary expense during the year, for in addition to the plant improvements cited heretofore, it was necessary to relay practically all the water mains on Greendale Avenue as well as replace all services and relocate all hydrants. This was occasioned by the improvements to the road made by the Commonwealth. All the expense of these changes was charged directly to the Water Department as no appropriation had been made by the State for this purpose.

Further, we expended several thousand dollars for unemployment relief early in the year before the unemployment committee was established to consolidate the work.

In consequence of these emergency expenditures, we found it necessary to borrow from the general fund a sum of \$11,-399.70, which was over and above our appropriation for the year. Under ordinary conditions we would ask the people of the Town in town meeting to appropriate this sum as an emergency item, the same to be added to the tax rate but realizing the present need for drastic economy in all municipal expenditures, we plan to assume this amount in our 1933 appropriation. This can be accomplished only by the most careful and conservative operation which we are now effecting. We believe this our duty to the taxpayers during these days of widespread depression.

We are endeavoring to provide for the people of the Town of Needham a water supply system which is second to none, at the same time accomplishing this purpose without the expenditure of a considerable sum of money.

We ask the co-operation of all in our endeavors.

Respectfully submitted,

BENJAMIN MILLS, JR.,
WILLIAM W. GALLAGHER,
PHILIP A. RAND,

Water Commissioners.

SUPERINTENDENT'S REPORT

To the Honorable Board of Water Commissioners:

Gentlemen: — I present herewith the report of this department for the year ending December 31, 1932.

Summary of Receipts

Cash on hand January 1, 1932 . . .		\$100 68
Water rates, less refunds	\$49,723 39	
Repairs	902 81	
Fines	90 80	
Telephone calls	2 15	
		50,719 15
Extension of services	\$1,109 14	
Sale of meters	56 00	
		1,165 14
		\$51,984 97
Appropriation	\$55,000 00	
Credit collections and cash on hand, January 1, 1932	51,984 97	
Amount due appropriation		3,015 03
Overdraft approved by Board of Selectmen		11,399 70
To be returned from collections . . .		\$14,414 73
Amount due from all sources		\$15,076 42

Summary of Expenditures

Extension of main	\$7,211 61	
Extension of services	2,509 95	
Purchase of meters	219 46	
Increasing and protecting	12,689 53	
		\$22,630 55
Coal	\$1,817 37	
Engineers	4,364 40	
Lighting station	148 40	
Labor on station and grounds	2,670 86	
Telephone service	58 38	
Supplies for station	808 81	
Pump parts and repairing station . .	1,490 28	
Insurance on buildings	115 00	
Power for Stations No. 2 and 3 . . .	7,230 00	
		\$18,703 50

Office and meter reading	\$1,761	91	
Telephone service	267	13	
Printing, stationery and postage ..	340	80	
Salaries	2,915	00	
Liability Insurance	519	62	
Ford Truck	491	25	
Expense on autos	1,248	44	
Labor and material on leaks	911	85	
Renewing, parts and care of meters	1,738	74	
Labor, supplies and general repair-			
ing	7,953	95	
Town of Wellesley for water	336	96	
			\$18,485 65
Payment of bonds	\$4,000	00	
Interest on bonds	2,580	00	
			6,580 00
			<u>\$66,399 70</u>

MAINTENANCE ACCOUNT

Expenditures

Orders drawn	\$43,769	15	
Transferred to construction account	10,065	71	
			\$53,834 86

Receipts

Cash on hand January 1, 1932 ...	\$100	68	
Rates, etc.	50,719	15	
			\$50,819 83
To be returned from collections ..			\$3,015 03

Assets

Amount due from all sources			
Water rates	\$14,160	75	
Repairs	313	02	
Rent of building	100	00	
			\$14,573 77

CONSTRUCTION ACCOUNT

Extension of services	\$1,165	14	
Overdraft allowed by Board of			
Selectmen	11,399	70	
Transferred from maintenance			
account	10,065	71	
			\$22,630 55

Expenditures

Orders drawn \$22,630 55

Assets

Amount due this account \$502 65

Special Appropriations

For Glancy Land-Taking \$12,500 00

Paid according to Court Decision
in 1932 12,500 00

Unexpended balances December 31, 1932

Needham Gardens \$2,970 55

Fairfield Street 670 06

\$3,640 61

Cost of Works

Cost of works as reported December 31, 1931.. \$643,051 31

Expended in 1932..... 34,627 90

\$677,679 21

Meters

Twenty-one meters have been purchased, making three thousand and twenty-seven in the department.

LIST OF METERS

NAME AND SIZE	$\frac{3}{8}$ in.	$\frac{3}{4}$ in.	1 in.	1½ in.	2 in.	3 in.	Total
Buffalo	1	..	1
Crown	26	1	27

Total 279,144.6 feet or 52.86 miles.

SUMMARY OF STATISTICS**For the Year Ending December 31, 1932**

Needham Water Department, Norfolk County, Mass.
Population by census of 1930, 10,845.

Date of construction 1890. Owned by the Town of Needham.
Source of supply, wells. Mode of supply, pumping to stand-pipes.

Pumping

1. Builders of pumping machinery, The Laidlaw-Dunn-Gordon Co., the Gould's Mfg. Co., and the Delaval Co.
2. Description of fuel used:
Bituminous Coal, cost per long ton \$5.63.
3. Coal consumed for the year, 742,200 pounds.
4. Average coal consumed each day, 2,305 pounds.
5. Number of gallons pumped per pound coal, 213.1.
6. Total pumping for the year:
 - (a) Steam pump, 158,224,000 gallons.
 - (b) Electric pumps, 127,751,075 gallons.
 - (c) Purchased from Wellesley, 1,366,020 gallons.
7. Average static head, 242 feet.
8. Average dynamic head, 277 feet.
9. Cost of pumping figured on pumping station expenses, viz: \$18,703.50;
Per million gallons pumped, \$56.00.
10. Cost of pumping figured on total maintenance, including interest on bonds, viz.: \$43,769.15.
Per million gallons pumped, \$153.00.

Consumption

1. Estimated population of Town, 11,844.
2. Estimated population on lines of pipe, 11,818.
3. Estimated population supplied, 11,818.
4. Total consumption, 287,341,095 gallons.
5. Average daily consumption, 785,085 gallons.
6. Gallons per day to each inhabitant, 66.2.
7. Gallons per day to each consumer, 66.4.
8. Gallons registered by meters, 179,417,940.
9. Water for public purposes not metered.

Mains

1. Kind of pipe, cast iron.
2. Sizes, 4 to 18 inches.
3. Extended during the year, 6,832.4 feet.
4. Total now in use, 52.86 miles.
5. Number of hydrants added during the year, 7.
6. Number of hydrants now in use; public, 437; private, 28; total, 465.

7. Number of stop gates added during the year, 22.
8. Number of stop gates now in use, 565.
9. Range of pressure on mains, 63 to 120 pounds.

Services

10. Kind of pipe; cast, cement-lined, lead-lined and galvanized iron and lead.
11. Sizes, $\frac{1}{2}$ inch to 8 inches.
12. Extended during the year, 2,313.1 feet.
Discontinued during the year, 546.3 feet.
13. Total now in use, 50.3 miles.
14. Number of services added during the year, 33.
15. Number now in use, 3,023.
16. Number used for public purposes, 4.
17. Number of meters now in the department, 3,027.
18. Percentage of services metered (domestic), 100.

Respectfully submitted,

GEORGE A. ADAMS,

Superintendent.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Needham:

In accordance with custom the School Committee herewith submits its annual report.

At this time when demands for economy are being made, the School Department is faced with a very serious problem as to how these demands can be met without impairing the efficiency of our school system.

Our committee fully realizes the serious economic condition and in preparing our budget for the year 1933, we have eliminated every expense that is not essential for the administration of such schools as we believe the citizens of Needham wish to maintain.

We have carefully considered the ever increasing demand that teachers' salaries be cut, but because such steps would impair the pension rights of our teachers, and in view of the fact that up to the present time such procedure has not been general in towns and cities, we have refrained from doing so. We do feel, however, that our teachers should take some part in assisting those who are not as fortunate as they are, and we presented a plan whereby each employee of the School Department is to contribute 10% of his salary for the year. One hundred per cent of our employees have endorsed our plan and have notified the Town Treasurer in writing, to deduct the amount from their checks. This plan received the approval of the Selectmen and the Finance Committee at a meeting with department heads.

With our economy program in operation the cost to the Town of Needham for the fiscal year 1933 will be \$22,921 less than the cost for 1932, and we shall have over one hundred more pupils to provide for. We have gone just as far as we can go without taking out of the schools the activities that the parents demand and should have for their children. We do not believe that the time has arrived when the education of our children should be jeopardized by forcing upon them lesser opportunities than others may have.

We feel very strongly that the school system of Needham compares favorably with those in similar towns and cities. To lower our standard is not in keeping, we feel sure, with the wishes of the majority of the citizens of our Town. Before any action is taken whereby our system is to be crippled, we ask every fair-minded citizen to give the matter full consideration.

At his opening address at the conference on "The Crisis in Education," President Hoover said, "Our nation faces the acute responsibility of providing a right of way for the American child. In spite of our economic, social, and governmental difficulties, our future citizens must be built up now. We may delay other problems but we cannot delay the day to day care and instruction of our children."

The School Committee appreciates the loyal support of our citizens and the untiring efforts of its teachers.

Respectfully submitted,

ROY E. COLE, *Chairman*,
MARGARET O. CHASE,
JOSEPH SATTERLEE,
ARTHUR S. HAMILTON,
IRVING H. COWDREY,
MAURICE V. BROWN,

Needham School Committee.

HOW THE SCHOOL DOLLAR WAS SPENT 1932

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Needham School Committee:

I am presenting for your consideration my twelfth annual report, this being the fortieth in the series of annual written reports regarding the schools of Needham. Accompanying this report are reports from the Principal of the Senior High School, from the Principal of the Junior High School, from the school physicians and school nurse, and sections taken from the reports of those in charge of particular activities in the department. Although these reports are of necessity brief, it is hoped that they will be read so that the people may have more information regarding the work of the schools for the year just closed.

The Increase in Enrollment

The number of pupils is constantly increasing; in the last ten years the increase has been approximately one thousand pupils.

The following table shows the increase in enrollment each year for a period of ten years:

Membership

	1923	1924	1925	1926	1927	1928	1929	1930	1931	1932

SCHOOL EXPENDITURES

The financial situation as it affects Needham and the ability of its people to support the kind of schools we now have bring to us real problems pressing for immediate solution.

Needham is entitled to have the kind of schools its people wish to have. The schools belong to the people, the children belong to the people, and the tax rate can be fixed by the same people.

The cost of our schools is often compared with the cost of schools in towns that have made reductions in expenses by the elimination of certain activities. It is impossible for us to follow their example because the activities now omitted in the school systems of those towns have never been a part of the Needham school system.

It is not reasonable to compare Needham's increased expenditures from year to year with towns whose school population for various reasons is stationary or decreasing in numbers. Few people realize that the percentage of children attending school to the total population is greater in Needham than in any other town or city in the state with one exception.

It is not reasonable on the one hand to compare our schools as to quality of work with progressive towns in Massachusetts and then to compare our expenditures with other towns whose schools would not be acceptable to the people of Needham.

A careful study has been made of all the activities in our schools in an effort to meet the present conditions by a reduction in school expenditures for 1933 and reductions accordingly have been made wherever it is possible to do so without seriously interfering with the educational opportunities of the children. In an effort to find out how the parents feel about curtailing or discontinuing certain activities the following questionnaire was recently sent out with a request for an expression of opinion:

	Please Check	
	Yes	No
Do you favor the abolishment of the subprimary classes, commonly called kindergartens?	243	1,049
Do you favor discontinuing instruction in drawing in the schools?	174	1,130
Do you favor discontinuing instruction in music in the schools?	173	1,132
Do you favor discontinuing instruction in physical education in the schools?.....	94	1,208
Do you favor discontinuing instruction in sewing and cooking in the Senior and Junior High Schools?	195	1,102
Do you favor discontinuing instruction in manual training in the Senior and Junior High Schools?	135	1,158
Do you favor discontinuing some of the transportation by increasing the distance children will be required to walk to school or furnish their own transportation?	141	1,136

Replies to this questionnaire furnish ample evidence that the parents do not wish any of the school work curtailed or discontinued. The only way remaining in which to make material reductions for 1933 is in salaries. After a meeting with the chairman of the School Committee, the teachers, janitors, and all other employees in this department without an exception, have met this situation in a splendid spirit of co-operation by offering to donate ten per cent of their salaries to the treasury of the Town of Needham for the fiscal year 1933. When we consider that the Needham school salary scale does not compare favorably with that of other municipalities with which we are accustomed to compare our schools, this offer is even more significant of the attitude of this group of employees toward their work.

This will accomplish a saving of approximately \$22,921. I do not see how it is possible to make additional savings in this department unless the people are ready to agree to have schools of much inferior quality to those we now have.

It is true that the net salaries of the teachers for 1933 will compare even less favorably than formerly with those towns and cities which are accustomed to regard this Town as a teacher training ground for them, but we are trying to meet a situation and meet it in a spirit that will arouse a corresponding spirit toward the teacher on the part of the people with the return to the prosperity we all hope to see in the near future.

Every teacher in the department is today a real welfare worker and the help furnished is without publicity of any kind or any expense to the taxpayers. Although we have agreed not to mention the names of those supplying money and materials, I think it is proper for me to express in this report our keen appreciation to those people, many of them pupils in our schools and outside organizations as well, who have helped make this work possible.

Food and clothing must be furnished where needed. Health and education for the children must be upheld or future generations will pay dearly for the failure to recognize the needs of the children today.

"There is no economic reason why the education of youth must go up and down with the stock market. The children of today should not be forced to pay for the mistakes of their parents. Pavements can wait; children cannot wait. No ten-year-old child will ever again be ten years old. The next generation should not be crucified on the cross of false economy."

We have with one exception good school buildings, with good equipment, well lighted, and sanitary; and these buildings are in a good state of repair. None of these buildings have been given to the Town as is the case in some towns. All have been built with the taxpayers' money and financed through long term bond issues. Some of the money spent on the later buildings was spent through civic pride and does not contribute in any direct way to the efficiency of the education that goes on in the buildings.

We can have poor schools in good buildings or good schools in poor buildings.

What are the essentials of a good school? What should be carefully retained in a time like the present and what can be eliminated temporarily without doing an injury and injustice to the children?

"As is the teacher, so is the school." With good teachers, a modest supply of material, and some fuel, we can carry on without serious injury to the children. In my opinion these are the three necessary elements and the parents should see to it that these are not disrupted or your schools must take a lower standard and the children's interests suffer.

Senior High School

The record of the graduates of the Senior High School is ample evidence of the quality of work done. Some of the commercial course graduates are without positions but are keeping fit and ready by post graduate work for the first opportunity offered. The number of pupils per teacher has been increased as well as the number of teaching periods per teacher. This will obviate increases in the teaching force.

Junior High School

The Junior High School now numbers 552. These are being given instruction in a building with normal accommodations for 500. A few of the classes are necessarily held in the one vacant room in the Old High School. It will be necessary to use two rooms in this building for the Junior High School next year, as the numbers will increase to approximately 580 next September, as an additional seventh grade will enter.

Education Week

Education week was observed by inviting parents to visit the schools on a particular day during the week of November 7th to 11th. The response was very gratifying. The total number of parents visiting during the week was 1468.

THE FOLLOWING TABLE SHOWS THE INCREASE IN SCHOOL MEMBERSHIP, NUMBER OF ROOM TEACHERS, AND PUPILS PER ROOM FOR A PERIOD OF TWENTY-FOUR YEARS

Year	No. Room Teachers	Per cent Increase	Pupils Elem.	Per Teacher High Jr. High	Per cent Increase of Average Membership

Per cent taken on 1909-1910 as Base Year.

Needham Parent-Teacher Association

"The object of this Association shall be to foster a closer sympathy and co-operation between the home and the school in the Town of Needham; and to promote the educational and social welfare of the community."

Program

Thursday Evening, October 13, 1932 — Mrs. John R. Nichols, "Problems of the Child," eight o'clock, Junior High School, Special Music.

Thursday Evening, December 8, 1932 — Wm. Trufant Foster, "Is Educational Retrenchment an Economic Necessity," eight o'clock, Junior High School, Special Music.

Thursday Evening, February 9, 1933 — William C. Crawford, "Vocational Training," eight o'clock, Junior High School, Special Music.

Thursday Evening, April 13, 1933 — Annual Meeting — Election of Officers, Demonstration Night, under direction of Superintendent of Schools, Mr. John C. Davis.

Officers

President, Mr. Maurice P. Lunsford; Vice-President, Mr. Kenneth Hulse; Secretary, Mrs. Everett F. Poland; Treasurer, Mrs. Phillips Salman; Assistant Treasurer, Mrs. Courtland J. Worth.

Committees

Executive, Mrs. J. W. Brownville, Mrs. Clarence S. Burton, Mrs. William H. Vance, Mr. John C. Davis, Mrs. Robert Gage, Mrs. William W. Gallagher, Mr. Frank V. Gordon, Mr. William F. Pollard, Mrs. C. W. Ringer, Dr. J. Walter Schirmer, Mrs. William E. Boyer, Mr. Herbert Stevenson, Mr. Clarence Washburn, Mrs. Hugh Butler.

Scholarship Fund, Mr. James H. Whetton, Mrs. Plinn Dempsey, President New Century Club.

Publicity and Membership, Mrs. Ralph Ely.

Entertainment, Mrs. Fred Foresman.

Auditor, Mr. Albert E. Hunter.

Sections Taken from Reports of Special Teachers

The following sections taken from annual reports of teachers in charge of special subjects will be of interest.

Physical Education

Our program of Health and Physical Education for the Needham Public Schools consists of two departments, which

are co-ordinated for the physical welfare of the pupil and the community.

1. *Health Instruction.* This department includes instruction and inculcation of health habits as they pertain to Hygiene and Safety First for the elementary grades. Advanced Hygiene, First Aid, and the Problems of Community Civics, such as water supply, food supply, sewerage and garbage disposal are made part of the Junior and Senior High School instruction.

2. *Health Activities of Physical Education.* This includes all Physical Education activities, such as marching, running, dancing, games, athletics, etc., as they appeal to the pupil's interest and are supervised for his physical well-being.

Physical Education and Athletics in general are forces for great good when properly supervised and sanely applied. They help maintain and promote good health and the social qualities of good sportsmanship. They provide opportunities for the development of the qualities of leadership, courage, presence of mind, loyalty, self-sacrifice, all so worth while in the life of men and women. They provide an outlet for the physical "plus" boy or girl. They teach team and individual play essentials.

Physical Education and Athletics should be kept a part of the educational and life program of the pupils. They should not be neglected and neither should they over-shadow the other worth while things in life. In other words, athletics in school or college should not dominate the life of the institution. They should do their part in fitting the pupil for his life in the school and community.

Athletics competition presupposes a thorough medical examination, a carefully followed-out training program, and a limited number of contests. The growing boy or girl must not be harmed to please the vanity of a coach or the false pride of a student body.

PHILIP H. CLAXTON,
Physical Director.

Manual Arts

The main objectives of this department are as follows:

To build up character.

To teach habits of industry.

To train the hand to co-ordinate with the brain.

To present practical work for the motor-minded pupils.

To enable the boy to express his constructive instincts.

To teach the boy how to attack a problem and carry it through to a successful conclusion.

To afford an opportunity to show the pupil the great importance of correlated subjects.

To teach the boy a wholesome respect for honest labor of all types.

To teach the boy the proper care and use of the more important hand tools.

It is impossible to overestimate the value of the above objectives, as, for instance, teaching a boy how to attack a problem, and more important still, to carry it through to a successful conclusion. If a boy can acquire the necessary patience and persistence in the face of adversity to accomplish the desired end, he has unquestionably learned an invaluable lesson.

ALFRED H. JOHNSON,
Instructor of Manual Arts.

Domestic Science

Present conditions offer many interesting problems in our school cafeteria. Students are cut down on their allowance for school lunches, prices of foods are lower, and therefore we are endeavoring to enable the student to have a heartier and more nutritious lunch at a lower cost than heretofore. The price charged for the hot dish is ten cents, which generally consists of meat and two vegetables, whereas in previous years meat and one vegetable has been all that we could offer at the price. Salads were not proving to be very popular at ten cents; so a smaller salad is served at a charge of five cents. It seemed a great mistake to allow a healthful food like salad to disappear from our menu; so a careful study of the situation was made and the result is proving to us that students are finding salad a necessity to their luncheon.

Upon investigation we find that the types of food selected by older pupils are far different than those selected by the younger ones. Older pupils observe with a keen eye before spending, especially if they are trying to save their allowances for lunch in order to go to a party or a movie at the end of the week. It means offering attractive, well-prepared, hearty dishes that will create an appetite and desire to purchase the foods.

The school cafeteria is managed with the thought in mind of seeing how much good we can do for our students by furnishing them with wholesome, attractive, nutritious, well-balanced dishes at the lowest price possible and yet be self-supporting. Perishable foods are purchased daily in order to serve only the best quality. Prices paid for foods purchased are the lowest obtainable at our local markets. Many pupils bring sandwiches from home and supplement them with milk, orange juice, soup, salad, or the main dish.

The services of one woman are required and the rest of the help is employed within the school so that our pupils may have an opportunity to earn a twenty-cent lunch in exchange for their help. In this way it is possible for pupils who might not be able to afford it, to avail themselves of the benefits of the cafeteria. All services are paid for out of lunchroom receipts.

A typical cafeteria menu is as follows:

Tomato Soup	\$0.05
Lamb Chops, Baked Potato, Fresh Diced Carrots....	.10
Fruit Salad05
Cheese Sandwich05
Lettuce Salad Sandwich05
Walker-Gordon Milk05
Orange Juice05
Fresh Fruit05
Butterscotch Pudding05
Home Made Cakes, or Cookies05
Ice Cream05

At our "Open House Night" during Education Week, a sample menu was prepared and foods displayed on our counter to enable parents to see the type of food served to the students. The cafeteria is always open during the school day and ready at any time for inspection. We would consider it a privilege to welcome anyone interested in visiting our plant and seeing it in operation.

FLORENCE DUDLEY,
Instructor of Domestic Science.

Recommendations

I wish to repeat a recommendation made several times regarding the Riverside School. This building cannot be used much longer. Either a new building must be constructed to house these pupils or they must be transported to other schools. This problem requires careful study and the early formulation of plans to meet the situation, or we shall be faced suddenly with the necessity for the expenditure of a considerable sum of money.

I wish to express my sincere appreciation for the continued confidence of the School Committee and to the teachers and other employees for the spirit of co-operation which has prevailed throughout the department.

Respectfully submitted,

JOHN C. DAVIS,
Superintendent.

REPORT OF PRINCIPAL OF SENIOR HIGH SCHOOL

Mr. John C. Davis, Superintendent of Schools,
Needham, Massachusetts.

Dear Sir: — I herewith submit my sixth annual report as
Principal of the Needham Senior High School.

One hundred and eight members of the Class of 1932
received their diplomas on Wednesday evening, June 22nd.
The program presented on that occasion was of such an
excellent nature in all of its aspects that it was most cordially
received by all who had the privilege of hearing it.

The program was as follows:

March, "Priest March Athalia" *Mendelssohn*
High School Orchestra

Invocation

Rev. Harry H. Hall

Chorus, "Columbia's Land" *Adams*

"Shout Aloud in Triumph" *Manney*

(Duet by Robert Rosenkrans and Robert Gilbert)

Choral Club

Essay, "The Spirit of Washington"

Lucian Drury

Essay, "Our Memories"

Elizabeth D. May

Songs (a) "Habanera" — from "Carmen" *Bizet*

(Solo — Bertha H. Roissing)

(b) "Land of Light" *R. Strauss*

Girls' Glee Club

Essay, "Let Me Live Out My Years"

Edward R. Donald

Essay, "Miracles"

Carolyn Blake

Selection, "La Burlesque Overture" *Von Suppé*

High School Orchestra

Presentation of Class Gift

John W. Stewart, Jr., 1932

Response

James M. Ryan, 1933

Presentation of Prizes

Principal William F. Pollard

Songs (a) "Law and Order" *Sullivan*

(b) "My Dear-O" *Lemmel*

Boys' Glee Club

Presentation of Diplomas

Mr. Roy E. Cole
Chairman of School Committee

Class Song

Words by Muriel C. Thacker

Benediction

Rev. James W. Macdonald

March, "Nautilus" *Floyd*
High School Orchestra

The Class of 1932 left as its gift to the school the sum of \$62.00 to purchase books for the school library.

Prizes

Prizes were awarded to the following pupils:

- Girl who made the most of her opportunities during 1931-32, Faculty Prize, Eunice Burdick, 1932.
- Boy who made the most of his opportunities during 1931-32, Faculty Prize, Lucian Drury.
- Home Economics Prize, Eva Elizabeth Church, 1932.
- John Goodwin Schirmer Health Medal, Girl, Colette Josephine Kenney, 1932.
- John Goodwin Schirmer Health Medal, Boy, Robert Newton Gilbert, 1932.
- Best Sport Cup, Mr. Herbert F. Stevenson's Prize, John William Stewart, Jr.
- Washington and Franklin Medal for excellence in the study of United States History, Royal Abbott, 1933.
- Commercial Department Prize, from Class of 1931, Alexina Mitchell, 1932.
- Needham Music Club Prizes
 - Girl — Carolyn Elizabeth Blake.
 - Boy — Spencer Johnson.

Gifts

- I gratefully acknowledge the following gifts:
- New Century Club Prizes for debating.
- New Century Club — Books on Public Speaking.
- American Legion Auxiliary, Post No. 14, \$5.00 for school library books.
- W. C. T. U., books for the school library.
- Class of 1929, \$60.00 for books for the school library.

Leonard Derwinski, Graydn Locke and Stanton Thornley, working together, won the first and second prizes, respectively, in the local Game Plan Contest. They were awarded prizes of \$5.00 and \$2.50, respectively, for their efforts, by the Needham Rotary Club. The plan of the first young

man attracted no end of attention and favorable comment at the County Exhibit, held in Dedham, and won second prize in the Senior High School division. Mrs. Charles Sumner Bird, the sponsor of the Game Plan, took particular pains to compliment our representative on his fine work when he was called to the front to receive his prize. We have every reason to feel proud of our showing in this contest.

Enrollment

The total enrollment to date is 492, divided as follows: Specials, 3; Post Graduates, 29; Seniors, 134; Juniors, 154; Sophomores, 172.

The total enrollment at this time last year was 462. Twenty-five pupils have left school this year as against 14 last year, so that the actual present membership shows 467 for 1932-33 as compared with 448 for 1931-32.

Of the 25 who have left school, 5 have moved out of town, 4 have entered other schools, 9 have gone to work, 2 left on account of sickness, and 5 are at home.

Of the 156 graduates of last year's ninth grade, 142 entered the Needham Senior High School, 9 moved away, 1 went to another school, 2 are working, and 2 are at home.

In spite of the fact that the number of pupils who have returned for post-graduate work is larger than at any time in the history of the school, it has been possible to absorb them into the classes already organized without placing too much of a load on the teacher or infringing unduly upon the rights of the undergraduates. Taken as a whole, they have shown a splendid spirit of co-operation. I am sure that they will profit by the extra year spent with us.

College Entrance Board Examinations

Our College Entrance Board Examination candidates were unusually successful this year. Every pupil recommended for examinations, as well as those who were not — with two exceptions — passed. Both pupils and teachers have reason to be proud of the achievement.

Community Service

As in previous years, the school did its part at Thanksgiving, and Christmas, by distributing money and provisions among the needy of our community. We were ably assisted in this work by the Welfare Department.

Athletics

Taken as a whole, the work of our athletes during the past year has been of a high standard, both from the point of view of sportsmanship and performance. Those in charge of the work deserve high praise for the results obtained.

Some citizens have the impression, I believe, that the School Department shoulders the expense involved in carrying out a program of interscholastic games. That is not so. All expenses resulting from such activity are paid by our faculty manager from money received from two sources; namely, student activity dues, and admission fees. We practice a pay-as-you-go policy and meet all of our obligations promptly, paying one hundred cents on the dollar. A financial statement covering our activities for each school year can be found either in my office or the Superintendent's, where it can be studied by any citizen who feels so inclined. Below is the report of the Faculty Manager for the 1932 school year:

REPORT OF NEEDHAM SENIOR HIGH SCHOOL ATHLETIC ASSOCIATION

December 22, 1932

Girls' hockey	61 45	
Wellesley Game	323 16	
	<hr/>	\$2,447 28

Balance on Hand	\$416 69
-----------------------	----------

A word of explanation at this time, relative to our Student Activity Association, might not be out of place. Every

student who wishes to can become a member by paying ten cents per week for thirty weeks. In return for dues, the student receives privileges in the form of admission to home games, school dance, entertainments, copies of the school paper, etc., which easily amount to about six dollars per year. Consequently, from every point of view, it is to the student's advantage to belong to the Association.

In view of the fact that considerable has been said this year about the price of admission to our local football games, the following statements might not be amiss. The price of admission to each local game was fifty cents. That price was agreed upon by those of us responsible for such matters after a careful study of the situation from all angles, particularly with respect to action taken by other schools comparable to our own. A study of some thirty or more high schools on this very thing, made by a principal in one of our neighboring high schools, showed that fifty cents was by far the price most commonly charged by them for admission to football games. This fact would seem to indicate that our price of admission was not unreasonable.

It should be remembered that football is really the only sport in our school that is self-supporting, and that we must depend upon it to carry practically all of the other sports, such as basketball, ice and field hockey, track, wrestling, tennis, and baseball, for the remainder of the school year.

We are grateful to those citizens who, by their presence and money, in the form of paid admissions, have supported this phase of our work this year, and we take this opportunity to assure them that in so far as it is possible, we shall do everything within our power to carry out a program of athletics which will meet the needs of all.

Assemblies

Our Monday morning assemblies have always been a very important part of our work. This year proved to be no exception to the rule. Each program presented had both entertainment and educational value.

In keeping with the times, rigid economy is being practiced in every department. Orders for books and supplies have been greatly curtailed, and efficient teachers are carrying heavier teaching loads than in previous years. In brief, economy and efficiency are our watch words.

I greatly appreciate the loyal support accorded me in my work by teachers, superintendent, and School Committee, and take this opportunity to thank them for it.

Respectfully submitted,

WILLIAM F. POLLARD,
Principal.

REPORT OF PRINCIPAL OF JUNIOR HIGH SCHOOL

Mr. John C. Davis, Superintendent of Schools,
Needham, Massachusetts.

My dear Mr. Davis: — The third annual report of the recently organized Junior High School will reveal this particular unit of the local school system as thoroughly established and now fully effective in every respect. Results continue to justify the sound judgment of the School Committee and yourself in approaching the reorganization of this department with conservatism.

In considering the future work of the school, there seems to be one paramount need. It is correspondingly true wherever a junior high school has been put into operation that the hold-over in the ninth year is greatly increased. Needham is no exception. The major division of this "hold-over" is composed of a group that seeks instruction in the practical arts rather than the purely academic course.

The need therefore of the immediate future, and the prevailing economic stress merely emphasizes the need, is an enlarged program of the practical arts subjects in Grade Eight and continuing along broadly elective lines in Grade Nine. Shop work, printing, book-binding, mechanical drawing, elementary nursing and hygiene are a suggestive but thoroughly practical list. Also the field of the commercial subjects could be readjusted so that there could be a greater variation of mathematics as taught in Grade Eight, and elementary bookkeeping and typing introduced into Grade Nine.

I wish to reiterate one section of my last year's report. There is a program of home work study for all grades. Opportunity for make-up work exists in every department. Pupils do not always make such facts known at home. Any pupil paying reasonable attention to business and utilizing opportunities at hand stands an excellent chance of progress and promotion.

The Junior High School has met its community responsibilities with promptness and good cheer. The teachers and pupils have co-operated in many ways, in which there was no publicity, to meet cases of need and to extend a helping hand.

The athletic program is being carried on with full success. In football Needham won the championship in the Suburban Junior High School League. Prospects in basketball and baseball are bright. Interclass sports make possible in large measure "athletics for all" as a policy of the school. We are extremely fortunate in having Miss Whitehead, Mr. Holt, and Mr. Blanchard in the physical education and sports work of the school.

American Education Week was observed as usual. A program worked out by members of the student council was given Junior High School Night, and five hundred ten interested parents and friends visited the school.

The Art Department, under the direction and interest of Miss Folcarelli, has been unusually successful in drawing contests, local and state wide. Assembly programs have been greatly enriched by various art contributions. Emphasis, too, has been placed upon music in the school this year. Chorus groups have been presented during assembly periods, and the orchestra has developed in notable degree under the competent direction of Miss Titcomb. The usual holiday anniversaries have been observed with special programs in the assembly hall.

The cafeteria has been able to reduce prices of certain dishes served and the quality sustained in every respect. Miss Werner and Mrs. Craft accomplish fine team work, and the response of the student body is hearty to this feature of the school life.

Again I wish to express appreciation of the janitor service given by Mr. Kennedy and Mr. Stuart. I consider this work of extreme importance, and the Junior High is kept in battle-ship condition.

My extreme regret is that I cannot mention by name and instance the work and record of the entire teaching staff. I have never worked with a finer group of men and women. The well-being of the youth under their guidance is the motive point of the work done by them.

There have been occasions the past year for us to sense even more fully the support given us as teachers by the superintendent and the School Committee. A report such as I submit is only made possible by cordial conditions such as exist at present in the Needham School Department.

Most respectfully submitted,

CLARENCE B. WASHBURN,

Principal.

Junior High School 1932

Class Day Program

Ann Winter, Chairman

Selection	Junior High Orchestra
Entrance of Class of 1932	March
Introductory Remarks	Class President
Address of Welcome by Class Day Chairman . .	Ann Winter

REPORT OF THE SCHOOL PHYSICIANS AND NURSE

Mr. John C. Davis, Superintendent of Schools,
 Needham, Mass.

Dear Sir: — In the yearly examination of 1,489 pupils of the Junior High, Sixth Grade, Stephen Palmer, Dwight and Harris Schools for the year 1932, the following defects were noted:

Number with defective teeth	195
Number with defective tonsils	187
Number with orthopedic defects	31
Number with enlarged glands	42
Number with nasal obstruction	10
Number with cardiac disease	7
Number with goitre	2
Number with bronchitis	5

A general healthy attitude relative to their physical condition was manifested by the pupils; which I believe is a good foundation for their further studies in physical education.

Respectfully submitted,

CHARLES L. MACGRAY,
School Physician.

Mr. John C. Davis, Superintendent of Schools,
Needham, Mass.

Dear Sir: — I respectfully submit a report of my work in the High, William Carter, Avery, Riverside, and Eliot Schools for the year 1932.

Number of children examined	1,125
Defective teeth	147
Defective tonsils	75
Orthopedic defects	2
Cardiac disease	4
Cardiac observation cases	34

Sincerely yours,

WILLIAM MITCHELL,
School Physician.

Mr. John C. Davis, Superintendent of Schools,
Needham, Mass.

Dear Sir: — I herewith submit my report as school nurse for the year 1932.

Visits to schools	561
Number of Inspections	3,962
Number examined	2,614
Number of home calls	206
Number of children sent to camp	4
Number of children having free milk	8
Number weighed and measured	2,327
Poor posture	136
Defective eye sight	12
Number received glasses	9
Defective hearing	10
Pediculosis	5
Number excluded for examination	316
Sore throat	26
Minor surgical dressings	92
Number referred to doctor	10
Scabies	4
Impetigo	47

I wish to express my sincere appreciation to the superintendent, principals, teachers and all organizations who have helped by their co-operation.

Respectfully submitted,

RUTH V. SMITH,
School Nurse.

Janitors

Senior High School: John W. Riley, Charles Bailey, Janet Miller, William Marriot.

Junior High School: Charles B. Stuart, George Kennedy.

William Carter School: Fred Horrocks.

Avery School: Walter F. Palmer.

Old High School: George H. Knowles.

Stephen Palmer School: Alexander Mulholland, Charles H. Leighton.

Harris and Dwight Schools: John Daley.

Eliot School: Edward Daley.

Riverside School: Thomas Gamble.

ROLL OF HONOR

Pupils neither absent nor tardy during the school year 1931-32.

Eight Years

Julia Bacchiocchi, Senior, High.

Seven Years

Jessie Lansberg, Senior, High.

Stella Sienczuk, Grade VII, Junior High.

Six Years

Frederick Broadley, Senior, High.

Carroll Cobb, Junior, High.

G. Irene Knowles, Junior, High.

Five Years

Catherine Droney, Senior, High

Willian Condryn, Grade VII, Junior High.

Four Years

Marjorie Cassidy, Grade VIII, Junior High.

Florence Pandolf, Grade VIII, Junior High.

Joseph Thorpe, Grade VII, Junior High.

Albert Wragg, Grade VII, Junior High.

Hazel Scott, Grade VII, Junior High.

Marjorie Willgoose, Grade VI, William Carter.

Three Years

Colette Kenney, Senior, High.
Conrad Fisher, Junior, High.
Grace Sullivan, Junior, High.
Evangeline Tomaino, Junior, High.
Irma Toone, Junior, High.
Helen Sienczuk, Sophomore, High.
Lorna Burnham, Grade IX, Junior High.
Virginia Spicer, Grade VIII, Junior High.
Muriel Geddes, Grade VIII, Junior High.
Nina Zavrid, Grade II, Eliot.
Gertrude B. Hess, Grade II, Harris.

Two Years

Frances Dunn, Junior, High.
John Kalinowski, Junior, High.
John Keris, Junior, High.
Karl Richards, Junior, High.
Thelma Silsby, Junior, High.
Regis Slade, Junior, High.
Jessie Stewart, Junior, High.
Barbara Webber, Junior, High.
Dorothy Acheson, Sophomore, High.
Alba Bacchiochi, Sophomore, High.
E. Russell Greenhood, Sophomore, High.
Alexander Lansberg, Sophomore, High.
Laura Savignano, Sophomore, High.
Louisa Mastropieri, Grade IX, Junior High.
Pauline Shilo, Grade IX, Junior High.
Eleanor Tomaino, Grade IX, Junior High.
Jasper Bejoian, Grade VIII, Junior High.
Jeffrey Carre, Grade VIII, Junior High.
Bertha Hasenfus, Grade VIII, Junior High.
Dorothy Mullen, Grade VIII, Junior High.
Myrtle Pollard, Grade VII, Junior High.
Isabel Tomaino, Grade VII, Junior High.
Henry Hinden, Grade VII, Junior High.
Elizabeth Cranton, Grade VI, William Carter.
Stella Zavrid, Grade VI, William Carter.
Margaret Cohen, Grade V, William Carter.
Malcolm McLeod, Grade IV, William Carter.
Richard Swain, Grade IV, William Carter.
George Anderson, Grade II, Avery School.
James Davidson, Grade VI, Old High.
Arthur Farnham, Grade VI, Old High.
Richard Hawes, Grade I, Stephen Palmer.
David Mastropieri, Grade IV, Dwight.
Bernardine V. Russell, Grade III, Dwight.
Agnes Shilo, Grade II, Riverside.

One Year

Marion Bickford, Senior, High.
Lucian Drury, Senior, High.
Robert Kelley, Senior, High.
Dorothy Keogh, Senior, High.
Annie Maciunski, Senior, High.
Robert Tilden, Senior, High.
Barbara Woods, Senior, High.
Royal Abbott, Junior High.
Phyllis Brown, Junior, High.
Eleanor Casey, Junior, High.
Barbara Eldridge, Junior, High.
Betty Gilbert, Junior, High.
David Hall, Junior, High.
Albert Hopson, Junior, High.
Edith Kershaw, Junior, High.
Jennie Marusa, Junior, High.
Sophie Maciunski, Junior, High.
George Niden, Junior, High.
Victor Niden, Junior, High.
Edward Ruane, Junior, High.
Morrison Slack, Junior, High.
Clare Sturtevant, Junior, High.
Emma Swagher, Junior, High.
Catherine Vara, Junior, High.
Eunice Whitaker, Junior, High.
Mary Willett, Junior, High.
Frances Blackman, Sophomore, High.
Walter Bielski, Sophomore, High.
James Bowmar, Sophomore, High.
William Dodd, Sophomore, High.
Joseph DiPoli, Sophomore, High.
Robert Gage, Sophomore, High.
Margery Green, Sophomore, High.
Kenneth Jones, Sophomore, High.
John Kosmenko, Sophomore, High.
William Lansberg, Sophomore, High.
Doris Morgan, Sophomore, High.
Fanny Neill, Sophomore, High.
M. Josephine Nigro, Sophomore, High.
Fred Shuker, Sophomore, High.
Robert Slack, Sophomore, High.
Carl Willgoose, Sophomore, High.
Idea Ricciardelli, Sophomore, High.
Philena Swan, Sophomore, High.
Brian Abbott, Grade IX, Junior High.
Alvin Kershaw, Grade IX, Junior High.
Howard Whitaker, Grade IX, Junior High.
Mary Calabrese, Grade IX, Junior High.

Janet Lyon, Grade IX, Junior High.
Harriet Moodie, Grade IX, Junior High.
Marjorie Spicer, Grade IX, Junior High.
Angelo Calitri, Grade IX, Junior High.
George Wade, Grade IX, Junior High.
Antoinette Tomaino, Grade IX, Junior High.
Margaret Curran, Grade IX, Junior High.
Susan Loomis, Grade IX, Junior High.
Philip Farnham, Grade IX, Junior High.
Werno Marino, Grade IX, Junior High.
Elizabeth Nye, Grade IX, Junior High.
Harry MacKenzie, Grade IX, Junior High.
John Rizzo, Grade IX, Junior High.
Donald Webber, Grade IX, Junior High.
Samuel Wilson, Grade IX, Junior High.
Hazel Chamberlain, Grade IX, Junior High.
Marguerite Hubbs, Grade IX, Junior High.
George Schroeder, Grade IX, Junior High.
Norman Fay, Grade IX, Junior High.
Jean Merrill, Grade IX, Junior High.
Mary Loback, Grade VIII, Junior High.
Virginia Herring, Grade VIII, Junior High.
Raffael Cericola, Grade VIII, Junior High.
Robert Lewis, Grade VIII, Junior High.
George Ramey, Grade VIII, Junior High.
Libro Ricciardelli, Grade VIII, Junior High.
Mildred Buerkel, Grade VIII, Junior High.
Lucia D'Addesio, Grade VIII, Junior High.
Doris Stevens, Grade VIII, Junior High.
Elsie Brown, Grade VIII, Junior High.
Clyde Derwinski, Grade VIII, Junior High.
George Toney, Grade VIII, Junior High.
Aurora Ricciardelli, Grade VIII, Junior High.
Ruth Thayer, Grade VIII, Junior High.
Rose Mary Dodd, Grade VIII, Junior High.
Elinor Lyman, Grade VIII, Junior High.
Mildred Stimson, Grade VIII, Junior High.
William Tilden, Grade VIII, Junior High.
Wasil Kosmenko, Grade VII, Junior High.
Elsie Monahan, Grade VII, Junior High.
Chester Williams, Grade VII, Junior High.

Town Accountant.

TOWN OF NEEDHAM

REPORT

OF THE

FINANCE COMMITTEE

TO THE TOWN

AT THE

ANNUAL MEETING, MARCH 21, 1932

ELECTION, MARCH 14 .

BUSINESS MEETING, MARCH 21, AT 7.30 O'CLOCK

NEWTON
GARDEN CITY PRESS, INC.
1932

REPORT OF FINANCE COMMITTEE

To the Voters of the Town of Needham:

The Finance Committee herewith submits its report and recommendations for the annual budget of the Town for the year 1932, and on those articles in the Warrant for the annual meeting that may call for special appropriations.

Again we earnestly recommend that every voter give thorough study to the annual reports of the Town officers and departments as they contain in detail valuable information.

The burden of taxation is growing heavier each year and it has special weight at this time on account of the re-adjustment of business and financial matters in all fields; for this reason we should do everything possible to lighten the burden and make it easier for our tax-payers. It is only by taking care of our own citizens and having them satisfied that we are able to attract the attention and interest of potential home-seekers. Taxation has always been a fertile ground for dissatisfaction on the part of everyone, but this would be lessened if we would only consider the cost of our various municipal benefits if they had to be furnished from individual sources.

The Town of Needham with its various municipal activities will continue indefinitely and it is, therefore, advisable for the voters to consider the future years as well as the current year, and while it has been our aim to follow the utmost economy in our recommendations for this year, we have not lost sight of this wider view-point.

Very helpful co-operation and assistance has been received by us from all the Town Departments in keeping the annual budget as low as possible, and we are very sure, if our recommendations are followed out by the voters, the tax rate can be reduced to nearly \$30.00 per thousand and if it were not for the urgent need of special work to help relieve the unemployment situation and the largely increased demands on the Welfare Department, further reduction might be expected.

At this time we would bring to the attention of the citizens and tax-payers of Needham, the fact that we are particularly fortunate in having among our number persons of recognized ability who, without compensation, unselfishly give their time and services in the performance of public affairs by serving in office and on committees, and we earnestly hope that no form of government will ever be adopted by the Town that would in any way lessen the opportunity of obtaining such valuable service.

We believe it of interest to the voters, that some comment should be made on the general financial condition of the Town, and also in regard to some of the departments that use a large percentage of the appropriations. Our funded indebtedness is probably the chief cause for concern and we have sometimes heard comparisons that place the Town of Needham in an unenviable position, but we believe a careful analysis will really show little ground for concern in this respect. When we consider that the Town has made ample provision for all major construction work necessary for at least fifteen years, and this whole present funded indebtedness will be practically paid off in the next ten years, comparisons will appear much more favorable to Needham. Many other towns have large construction projects yet to be provided for. We should, however, guard very carefully against any new projects that would increase this funded indebtedness. We would particularly call attention to the items of this funded indebtedness which are as follows: —

For the School buildings, about \$809,000.00.

For the Water Department, about \$141,000.00.

For the Sewer Department, about \$185,000.00.

For the new Fire and Police buildings, about \$84,000.00.

All others, \$2,500.00.

Further details of the above can be found in the Town Officers' reports.

The question of additional Town water is the only one that at the present time appears pressing, but having given some consideration to the findings in this matter as made by the Special Water Committee, we would earnestly recommend that the voters also give serious consideration to whatever recommendations this Committee may make to the Town.

The expense of running the School Department is taking a large proportion of the money raised by taxation and to many citizens it seems this cost is growing faster than is necessary and that many things are now being provided in our schools which are not actually needed. Retrenchment in this department, however, is very difficult to make as educational activities in all towns are to a large extent under the control of the State. We find the cost per pupil in Needham is somewhat less than in many other towns of the same size. Some new projects for the schools were under consideration but these have been postponed for the present. We believe our schools now have the very highest rating and we doubt if the voters would wish to do anything that might impair this standing unless it should become absolutely necessary. The question of salaries in the School Department as well as in other departments has been carefully considered and we would not make any recommendations at this time, but we

feel that if the present general business conditions continue for another year, some action will have to be taken by the Town toward a revision. In this respect we have found that considerable financial assistance is being voluntarily given by those receiving salaries from the Town, for the benefit of the needy and unemployed in Needham.

The appropriation for the Welfare Department will have to be nearly double that of previous years. This is unavoidable and the exact amount cannot be determined beforehand. We should be grateful that in proportion to its size and population, Needham is at present in a much better condition in this respect than many other towns and cities.

Another large item of expense in previous years has been for the care and maintenance of streets and construction of new streets. This item has been reduced nearly one-half for this year. We think our streets are in excellent condition and the amount recommended should be sufficient to properly care for them unless it becomes necessary to provide work in this Department to help in the unemployment situation.

It was expected that the new buildings and equipment for our Police and Fire Departments would require much larger appropriations than in previous years, but we are able, through the co-operation of the heads of these Departments, to recommend about the same amount as last year.

The question of additional water by the Town is to be covered quite thoroughly in the report of the Special Water Committee to which reference has previously been made. The Committee on Revision of Town Government will report their findings and recommendations to the Town and as some of the recommendations might affect its financial problems, this Committee is of the opinion that while some change appears to be necessary in our form of government, great care should be taken to keep intact the interest and pride that every citizen has or should have in all town affairs, and as we have previously stated, to retain the privilege of calling to public office citizens of ability and standing.

At a special meeting of the Town held last fall the Selectmen and the Finance Committee were designated to handle the unemployment situation for the Town. Through the co-operation of several departments considerable work is now being provided for those who would otherwise be unemployed. This gives some actual return for the money paid out for the assistance of the needy. The reports of these departments will show in detail what is being done in this respect.

Our recommendations follow:—

RECOMMENDATIONS ON ARTICLES IN THE WARRANT

Article 4. To see what action the Town will take relative to unexpended balances and deficiencies of 1931.

Recommended: That all unexpended balances be appropriated for use of Department of Public Welfare.

Article 5. To see what disposition the Town will make of the money received from dog licenses.

Recommended: That this money \$1,654.71 be appropriated for the use of the Public Library.

Article 6. To see what sums of money the Town will appropriate for the necessary Town charges and expenses.

Recommended: That the following sums be appropriated:

Article 7. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of revenue of the current financial year.

Recommended: That the substance of this article be adopted.

Article 8. To see if the Town will vote to transfer the Surplus of the War Bonus Fund received from the State, to the Municipal Indebtedness account to be used in payment of bonds becoming due in 1932, or pass any vote or votes relative thereto.

Recommended: That the substance of this article be adopted.

Article 9. To see what action the Town will take relative to the salaries of its Town officers.

Recommended: That the salaries of all elected Town Officers be the same as 1931.

Article 10. To see in what manner the Town will have its taxes collected and fix the compensation therefor for the current year.

Recommended: That the taxes be collected in the same manner as in 1931 and that the Compensation be at the same rate; namely, $\frac{1}{2}$ of 1% of the tax warrant, payable as and when collected, same to include all expenses except the Collector's bond.

Article 11. To see if the Town will vote to transfer \$15,322.50 from the Sewer Assessment Reserve Fund to the Sewer Construction Account to pay notes and interest due in 1932 on construction bonds, issues of 1929, 1930, and 1931.

Recommended: That the substance of this article be adopted.

Article 12. To see if the Town will appropriate the sum of \$1,257.11 to reimburse the Sewer Assessment Reserve Fund for uncollected Sewer assessments made in 1931 against Town properties, or pass any vote or votes relative thereto.

Recommended: That the substance of the article be adopted.

Article 13. To see if the Town will appropriate the sum of \$10,000 for making house connections with the sewerage system.

Recommended: That the substance of this article be adopted.

Article 14. To see if the Town will accept Hemlock Street from Manning Street to Page Road under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Recommended: That the substance of this article be adopted.

Article 15. To see if the Town will appropriate the sum of two thousand and five hundred dollars (\$2,500) for the construction of Hemlock Street from Manning Street to Page Road under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Recommended: That the substance of this article be adopted.

Article 16. To see if the Town will accept Washington Avenue from Great Plain Avenue to Lawrence Road and the westerly portion of Great Plain Terrace under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Recommended: That the substance of this article be adopted.

Article 17. To see if the Town will appropriate the sum of eight thousand two hundred dollars (\$8,200) for the construction of Washington Avenue from Great Plain Avenue to Lawrence Road and the westerly portion of Great Plain Terrace under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Recommended: That the substance of this article be adopted.

Article 18. To see if the Town will accept Mount Vernon Avenue from Great Plain Avenue to Birds Hill Avenue under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Recommended: That the substance of this article be adopted.

Article 19. To see if the Town will appropriate the sum of five thousand dollars (\$5,000) for the construction of Mount Vernon Avenue from Great Plain Avenue to Birds Hill Avenue under the provisions of law authorizing the assessment of betterments as laid out by the Selectmen and according to a plan on file with the Town Clerk.

Recommended: That the substance of this article be adopted.

Article 20. To see if the Town will accept, for a sum not exceeding \$1.00, a deed from Annie B. Page for 1590 square feet of land at the junction of Mount Vernon Avenue, Wachusett Road and Birds Hill Avenue, as shown on plan numbered 1932-3, and appropriate the sum of \$1.00 therefor.

Recommended: That the substance of this article be adopted.

Article 21. To see if the Town will accept, for a sum not exceeding \$1.00, a deed from Annie B. Page for 2193 square feet of land at the junction of Great Plain Terrace, Washington Avenue and Great Plain Avenue, as shown on plan numbered 1932-2, and appropriate the sum of \$1.00 therefor.

Recommended: That the substance of this article be adopted.

Article 22. To see if the Town will authorize and direct its Board of Park Commissioners to purchase, for a sum not exceeding \$1.00 for a municipal purpose, to wit, for a public park a certain parcel of land containing approximately 19620 square feet, as shown and marked "Coulton Park" on a plan on file with the Norfolk County Registry of Deeds, plan book 70 plan 3360 and appropriate the sum of \$1.00 therefor, or pass any vote or votes relative thereto.

Recommended: That the substance of this article be adopted.

Article 23. To see if the Town will vote to authorize the Moderator to appoint a committee of three to study a system of Retirement Allowances based on Annuity and Pension Contributions, for employees of the Town and report their findings together with their recommendations at the next annual Town Meeting, on petition of Frank Godfrey and others.

Recommended: That the substance of this article be adopted.

Article 25. To see if the Town will appropriate a sum not exceeding one thousand dollars (\$1,000) to pay all bills of the Water Committee already incurred, and to defray the expense of carrying out any recommendations of said committee adopted under the foregoing article. (Article 24.)

Recommended: That the substance of this article be adopted.

Article 28. To see if the Town will authorize and direct the Tree Warden to plant suitable shade trees within the limits of all new streets and within six months after the completion of the same, on petition of the Planning Board.

Recommended: That the substance of this article be adopted.

Article 29. To see if the Town will authorize the Selectmen to install one street lamp on Eaton Road, on petition of Willard E. Doane, and others.

Article 30. To see if the Town will authorize the Selectmen to install one street lamp on Daly Place, on petition of Daniel J. Murphy, and others.

Article 31. To see if the Town will authorize the Selectmen to install one street lamp on Allen Street, on petition of Agnes A. White.

Recommended: That the Selectmen be authorized to install lights on these streets in accordance with their judgment and previous practice.

Article 32. To see if the Town will vote to have the reports of its officers and the proceedings of this and subsequent Town Meetings printed, or pass any vote or votes relative thereto.

Recommended: That 1,000 copies of these reports be printed.

ARTICLES ON SPECIAL COMMITTEE REPORTS

Article 24. To hear and take action on the report of the committee appointed by the Moderator under Article 38 of the Warrant for the Annual Town Meeting held March 9, 1931, for the study of water conditions in the Town, or pass any vote or votes relative thereto.

Article 26. To hear the report of the committee appointed by authority of the votes of the Town passed at the Annual Town Meeting in 1931 "To report as to the advisability of increasing the membership of the Board of Selectmen to five, and to define their terms of office;" and "To investigate the entire system of Town Government;" and to see what action the Town will take relative to the several recommendations contained in said report.

Article 27. To see if the Town will amend its by-laws by striking out Section 1 of Article 1 and in its place substituting the following:

Section 1. The Annual Town Meeting for the transaction of business shall be held on the first Monday in March each year; and the Annual Town Meeting for the election of officers and such other matters as may be voted on the official ballot, shall be held on the third Monday in March in each year.

The Finance Committee does not make recommendations on reports of Special Committees.

Respectfully submitted,

GEORGE P. HOLBROOK, *Chairman*,
FRED L. DONAHUE, *Secretary*,
JOHN J. COPPINGER,
ALFRED P. HARTSHORN,
CARLETON G. MCINTOSH,
FREDERICK L. MORTON,
